Summary of Proposed District 6 Changes:

- All day, frequent, limited-stop service proposed for 14L-Mission Limited and new 49L-Van Ness/Mission Limited
- Modified 12-Pacific would improve connections between SOMA, Mission Bay, Potrero Hill, and SF General Hospital
- New 11-Downtown Connector would improve connections between western SOMA, Financial District and North Beach/Fisherman's Wharf, and support community proposal for two-way Folsom Street
- More frequent service would be provided on many lines including the Metro lines (peak period), 38L-Geary Limited, and 27-Folsom
- 47-Van Ness would be rerouted to serve the Showplace Square area
- Existing 27-Bryant and 12-Folsom would be consolidated on Folsom Street in the Mission to provide more frequent service, and rerouted to connect to 24th Street BART
