4th Street Bridge Temporary Emergency Transit Lanes

Reunión Pública/ 公開會議/ публичное собрание

In response to the COVID-19 Emergency, the SFMTA is proposing to implement the 4th Street Bridge Temporary Emergency Transit Lanes project to reduce the impact of traffic congestion on Muni T Third Street transit service. The 4th Street Bridge Temporary Emergency Transit Lanes project will designate temporary transit lanes on 4th Street between Berry and Channel streets in the northbound and southbound directions; temporary traffic modifications including required turns, turn restrictions and designation of the 4th Street Bridge as a one-way street in the southbound direction; and, temporary prohibition of all vehicles other than transit, buses, taxis, bicycles and emergency vehicles northbound on the 4th Street Bridge.

The Temporary Emergency Transit Lanes project will be in effect until 120 days after the termination or expiration of the COVID-19 Emergency Order unless there is a public process and further action taken by the SFMTA Board.
