Re: SFMTA CAC Recommendations

Dear Directors:

In our Citizens' Advisory Council meeting on March 4, 2021, the Council considered the following recommendations:

CAC MOTION 210401.01

The SFMTA CAC recommends that employee affinity groups be invited to provide input at SFMTA Board meetings during quarterly updates on the Agency's progress toward the goals outlined in the Racial Equity Action Plan.

CAC MOTION 210401.02

The SFMTA CAC recommends that the SFMTA make transit service reliability a top-level value in its Capital Plan Criteria and Indicators, recognizing that the charter amendment creating the agency specifies this as a key criterion for evaluating the agency's performance.

CAC MOTION 210401.03

The SFMTA CAC urges the SFMTA to adopt transparent policies in compliance with local, state, and federal law during the adoption of the 20-year Capital Plan

CAC MOTION 210401.04

The SFMTA CAC supports SFMTA staff proposals on shared spaces, provided such proposals continue to prohibit shared spaces alongside transit stops.

CAC MOTION 210401.05

The SFMTA CAC recommends that the SFMTA:

- Encourage compliance by design, for example, to implement a text message and physical reminder system which reminds vehicle owners of their unpaid citations or expired registration before being towed.
- Explore increasing the 72-hour parking limit.
- Expand low-income parking citation and towing discounts and fee waivers to include people making 30% of the area median income.

CAC MOTION 210401.06

The SFMTA CAC recommends that the SFMTA collect demographic information about the recipients of fare enforcement citations in order to analyze potential racial impacts of fare enforcement.

It is the opinion of the SFMTA Citizens' Advisory Council that the proposed recommendations would be of significant benefit to the citizenry of San Francisco and the San Francisco Municipal Transportation Agency.

Sincerely,

For

Neil Ballard, Chair
