# 67 Bernal Heights – Ripley Street

SFMTA.COM

---

## Proposed Change

The SFMTA, in response to neighborhood concerns, is proposing a reroute to the inbound 67 Bernal Heights (towards 24<sup>th</sup> Street BART) via Bernal Heights Boulevard. Buses traveling to the Mission District and 24<sup>th</sup> Street BART Station would travel on Bernal Heights Boulevard between Bradford and Folsom Streets. Buses traveling towards Cortland Ave. will travel on the existing routing. The proposed routing leads to the following stop changes:

- The stop at the northwest corner of Ripley St. and Alabama St. would be discontinued.
- The stop on Ripley at Folsom would move across the street to a stop on Folsom Street before the intersection with Ripley.
- The stop on Bradford at Esmeralda would move back to the stop sign where Bernal Heights Boulevard and Bradford meet (approximately 80 feet south).

A map of the proposed changes can be found on the back side of this sheet.

There are no proposed parking changes at this time. There are no planned changes to the street design as part of this project.

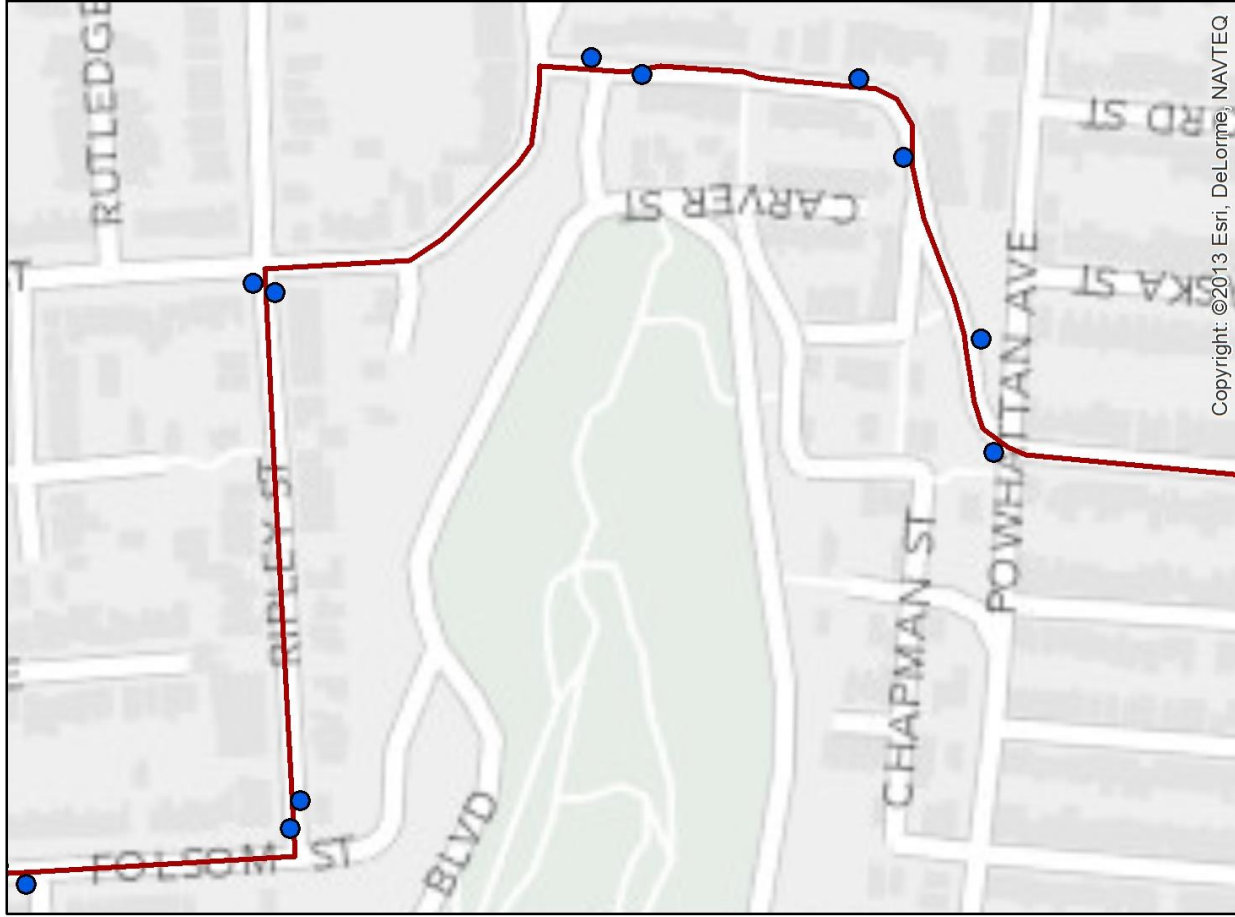

## Public Outreach Meeting

This proposal will be discussed at a public meeting at the following date and time:

Tuesday, January 28 at 6:00 pm  
San Francisco Public Library – Bernal Heights Branch  
500 Cortland Avenue

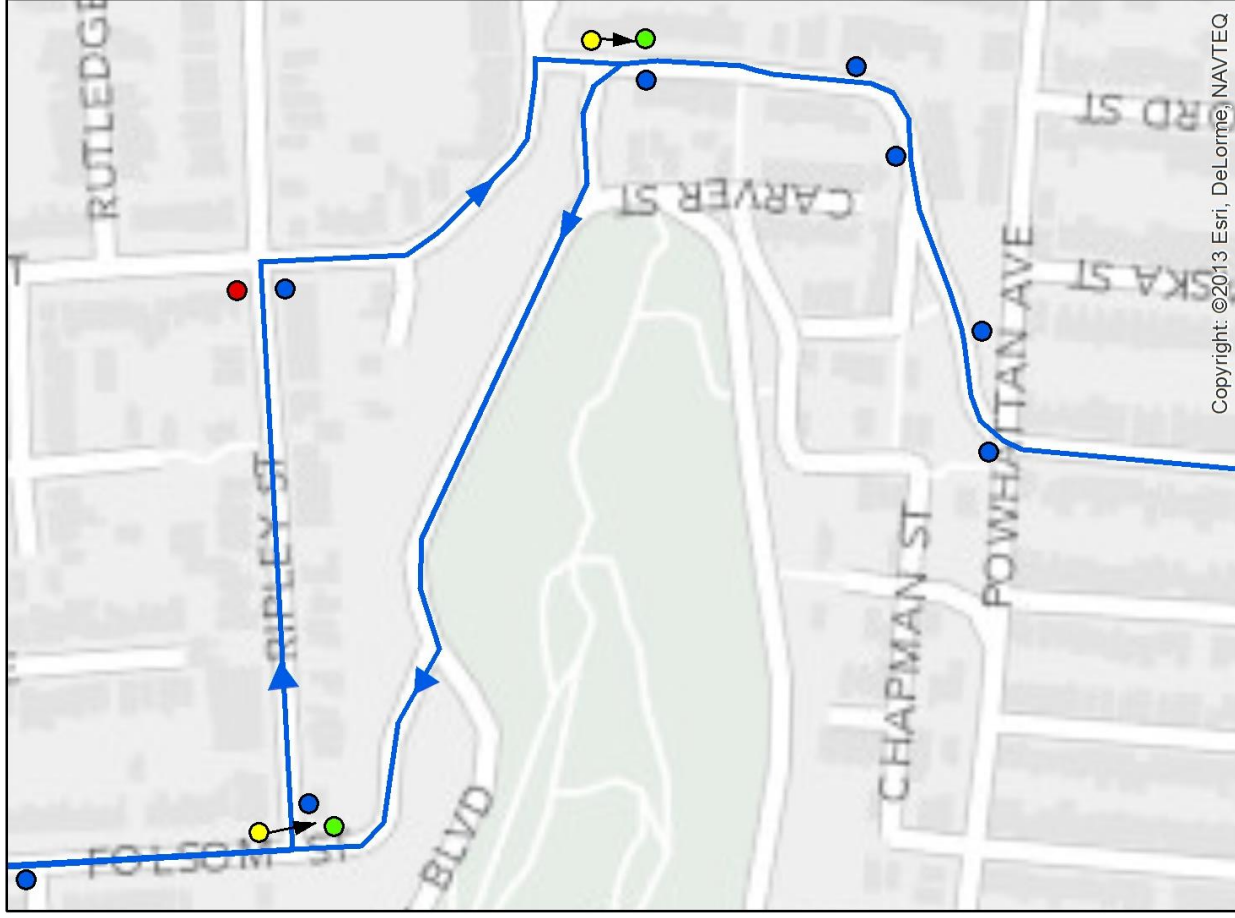

If you have further questions or would like to submit comments regarding the reroute proposal, please contact:
