ARTICLE I - REPRESENTATION

AGREEMENT

1. This Agreement is entered into by the San Francisco Municipal Transportation Agency hereinafter "SFMTA" and the Municipal Executives Association (hereinafter "Association"). It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City, the Association, and represented employees. Such achievement is recognized to be a mutual obligation of the parties to this Agreement within their respective roles and responsibilities.

ARTICLE I: REPRESENTATION

I.A. Recognition

2. The SFMTA acknowledges that the Association has been certified by the Civil Service Commission as the recognized employee representative, pursuant to the provisions set forth in the SFMTA's Employee Relations Operating Resolution for groups TM and TEM as listed in Appendix A.
3. Recognition shall only be extended to individual classes accreted to existing bargaining units covered by this Agreement. Application of this provision shall not extend to bargaining units acquired through affiliations or service agreements. Upon request of the Association the SFMTA will meet and confer concerning proposed changes to bargaining units.
4. Successor job codes resulting from the consolidations or divisions of classes currently represented by MEA shall continue to be subject to this MOU.
5. The SFMTA agrees to recognize the Association as the collective bargaining representative of any job code which constitutes a successor job code to a job code which the Association currently represents. Where there is question as to whether or not a new job code is a successor class, the SFMTA Human Resources shall make the final determination, which shall be appealable pursuant to the Employee Relations Operating Resolution.
6. Issues related to job code descriptions shall be subject to meet and confer process with final review and approval by the Civil Service Commission, not subject to grievance or arbitration.

I.B. Intent

7. It is the intent of the parties that the provisions of this Agreement shall become binding upon adoption or acceptance by the SFMTA and ratification by the general membership of the Association, or upon a final decision rendered by an arbitration panel pursuant to the interest arbitration procedure under Charter Section A8.409.
8. Pursuant to the provisions of the Meyers-Milias-Brown Act, as amended, the SFMTA agrees to meet and confer with the Association in advance of any proposed changes in working conditions within the scope of representation except as provided elsewhere in this Agreement.

I.C. No Strike Provision

9. During the term of this Agreement the SFMTA will not lock out the employees who are covered

ARTICLE I - REPRESENTATION

by this Agreement. This Association and the employees shall not strike, cause, encourage, or condone a work stoppage, slowdown, or sympathy strike during the term of this Agreement.

I.D. Meet and Confer Responsibility During the Term of The Agreement

10. Except in cases of emergency involving an imminent or substantial threat to the public health or safety or as otherwise provided in this Agreement, the SFMTA shall give reasonable written notice to the Association of proposed changes directly relating to matters within the scope of representation as specified in Government Code Section 3504.5. The Association shall be provided with the opportunity to meet and confer with regard to any such proposed change should it desire to do so.
11. In cases of emergency when the SFMTA determines that a proposed change as described herein must be adopted immediately without prior notice or meeting with the Association, the SFMTA shall provide such notice and opportunity to meet at the earliest practical time following the adoption of such change.
12. If the Association does not respond within ten (10) working days from the date of mailing of written notification of a proposed change as described in Paragraphs 10 and 11 hereof, the Association shall be deemed to have waived its opportunity to meet and confer on the proposed change.
13. If the Association timely requests the opportunity to meet and confer as provided herein, the SFMTA agrees to meet and confer with the Association over such proposed change or changes within ten (10) days of receipt of such timely request, unless a longer period of time is mutually agreed upon, in order freely to exchange information, opinions and proposals and to endeavor to reach agreement on the proposed change or changes.

I.E. Management Rights

14. Except as otherwise provided herein, in accordance with applicable state law, nothing herein shall be construed to restrict any legal SFMTA rights concerning direction of its work force, or consideration of the merits, necessity, or organization of any service or activity provided by the SFMTA.
15. Except as otherwise provided herein, the SFMTA shall also have the right to determine the mission of its constituent departments, officers, boards and commissions; set standards of services to be offered to the public and exercise control and discretion over the SFMTA's organization and operations. The SFMTA may also relieve SFMTA employees from duty due to lack of work or funds, and may determine the methods, means and personnel by which the SFMTA's operations are to be conducted.
16. However, the exercise of such rights does not preclude employees from utilizing the grievance procedure to process grievances regarding the practical consequences of any such actions on wages, hours, benefits or other terms and conditions of employment whenever memoranda of understanding providing a grievance procedure are in full force and effect.

I.F. Official Representatives

17. The Association shall furnish to the SFMTA Employee & Labor Relations Division a written list

ARTICLE I - REPRESENTATION

of Union Representatives with their assigned roles. The Union shall amend the list as needed to ensure that the list is accurate and up to date.

18. The Association may select as many as five (5) members of the Association to attend during regular duty or work hours without loss of compensation, meetings scheduled with the Civil Service Commission, the SFMTA Human Resources, the SFMTA Director of Human Resources, or designee, when such meetings have been scheduled for the purpose of meeting and conferring on matters within the scope of representation affecting such appropriate unit, and to participate in the discussions, deliberations, and decisions at such meetings.
19. Release time shall be provided for MEA representatives to participate in disciplinary meetings, grievance meetings, meet and confer sessions and other labor relations matters with the SFMTA. Release time shall not be withheld unreasonably.
20. In scheduling meetings, reasonable consideration shall be given to the operating needs and work schedules of the particular employee's and representatives' department(s).
21. No representative may leave the duty or work station without specific approval of his supervisor.
22. Representatives shall be responsible for the performance of their work load consistent with release time approved pursuant to rules established herein.
23. The Association shall advise the SFMTA of any changes with its staffing as it relates to representation.

I.G. Association Access

24. The SFMTA shall provide Association reasonable access to all work locations, including employee break areas, to verify compliance with the terms and conditions of this Agreement and to confer with represented employees, provided that such access is subject to the rules and regulations immediately below, as well any rules and regulations agreed to by the City agency or department and the Association.
25. Association agrees that its access to work locations will not disrupt or interfere with SFMTA's mission and services or the work of employees or involve any political activities.
26. Association representatives must identify themselves upon arrival at SFMTA. Association representatives may use SFMTA meeting space with a reasonable amount of advance notice and approval from SFMTA, subject to availability.
27. The SFMTA may require an SFMTA representative to escort Union representatives when the Union representative seeks access to a work area where confidential or secure work is taking place, when the SFMTA would require an escort for other non-employees.
28. Nothing in this Section is intended to disturb existing City agency or departmental Union access policies. Further, City agencies or departments may implement additional rules and regulations after meeting and conferring with the Union.

ARTICLE I - REPRESENTATION

I.H. SFMTA Labor/Management Committee

29. The parties shall establish an SFMTA Labor/Management Committee with two (2) members from the Union and two (2) members from the SFMTA. Additional members may be invited to a meeting on a case-by-case basis subject to mutual agreement of the parties.
30. Upon request by the Union, the SFMTA Labor/Management Committee shall meet quarterly. By agreement of the parties, the Committee may meet as needed on matters of concern to either party arising during the term of this Agreement, including, but not limited to, grievances and arbitrations, investigations, severances, reassignments, workplace bullying, supervisory differential adjustments, acting assignments, and the SFMTA's use of personal service contracts.
31. The SFMTA and the Union will attempt to agree on dates and agendas in advance so that a reasonable number of topic-appropriate Union and SFMTA representatives may attend. Ten (10) days' notice shall be given by the moving party along with a written proposed agenda. The agenda for each LMC meeting will be determined by management and the Union and will be circulated to LMC members prior to each scheduled meeting. If neither party submits agenda items 10 days before the LMC meeting, the meeting will be canceled.
32. By mutual agreement, the SFMTA Labor/Management Committee may establish sub-committees as needed to consider and recommend solutions to workplace issues and concerns. By mutual agreement, the SFMTA Labor/Management Committee may meet jointly with the Citywide Labor/Management Committee.
33. The parties acknowledge that unless mutually agreed, this Committee, or any established sub-committee, shall not bargain over changes in wages, hours, and working conditions of MEA represented employees.

I.I. Grievance Procedures

Discipline may not be grieved under this section. In the event that an individual or a group of individuals elect(s) to file a complaint with any governmental agency or court alleging a factual basis which is also the basis of a grievance, the Association agrees that any grievance filed on behalf of the individual(s) will be held in abeyance pending the individual's election of remedies. If an individual or group of individuals elect(s) another remedy the grievance shall be deemed withdrawn.
36. The Association and the City agree that grievances must include the following:

2. Time Limits
39. The time limits set forth herein may be extended or waived by mutual agreement of the parties. Any such agreement must be confirmed in writing. For purposes of calculation of time a "day" is defined as a "calendar day," including weekends and holidays.
40. Any deadline date under this procedure that falls on a Saturday, Sunday or holiday shall be continued to the next business day.
3. Steps of the Procedure
41. Except as otherwise specifically provided, all grievances must be initiated at Step 1 of the grievance procedure. In the event the SFMTA disagrees with the level at which the grievance is filed, the SFMTA may submit the matter to the Step it believes is appropriate for consideration of the dispute. The Step procedures set forth herein may be modified or waived by mutual agreement of the parties. Any such agreement must be confirmed in writing.

42. Except as otherwise provided in subsection 10, a grievance affecting more than one employee shall be filed at Step 2 with the Appointing Officer. In such event, the Association must provide a list of all employees, their classifications, department and the nature of the grievance, including the specified injuries.
43. An employee shall first attempt to resolve the alleged violation informally with the employee's immediate supervisor.
44. Step 1: If the alleged violation is not resolved informally with the immediate supervisor, the Association will submit the grievance on behalf of the represented employee in writing to the immediate supervisor within thirty (30) calendar days of the date of the occurrence of the act or the date the represented employee might reasonably have been expected to have learned of the alleged violation.
45. The immediate supervisor shall respond in writing within ten (10) days following receipt of the written grievance.

ARTICLE I - REPRESENTATION

46. Step 2: If dissatisfied with the supervisor's response at Step 1, the Association, on behalf of the individual grievant, may appeal to the Appointing Officer, in writing, within fifteen (15) calendar days of receipt of the Step 1 response. The Appointing Officer shall respond in writing within twenty (20) days of the meeting or receipt of the appeal, whichever is later.
47. Step 3: If dissatisfied with the Appointing Officer's response at Step 2, the Association, on behalf of the individual grievant, may appeal to the SFMTA Human Resources Director, in writing, within fifteen (15) days of receipt of the Step 2 response. The SFMTA Human Resources Director, may convene a grievance meeting within fifteen (15) days with the Association and the represented employee. The SFMTA Human Resources Director shall respond to the grievance in writing within twenty (20) days of the meeting or, if none is held, within twenty (20) days of receipt of the appeal.
48. Step 4: If the Association is dissatisfied with the Step 3 response it may appeal by notifying the SFMTA Human Resources Director in writing, within twenty (20) days of the Step 3 decision that arbitration is being invoked. The SFMTA Human Resources Director shall issue a letter referring the Association to the City Attorney's Office. The Association shall contact the City Attorney's Office by letter, copied to the SFMTA Human Resources Director, via US mail, within thirty (30) days of the date of the SFMTA Human Resources Director's letter referring the Association to the City Attorney's Office.

The HR Director or designee may convene a meeting withing fifteen (15) days with the grievant and the grievant's MEA representative. The HR Director or designee shall respond in writing within twenty (20) days of the meeting or receipt of the appeal, whichever is later.

The HR Director shall issue a letter referring MEA to the City Attorney's Office. The MEA shall contact the City Attorney's Office by letter, copied to the HR Director, via US mail, within (30) days of the

ARTICLE I - REPRESENTATION

date of the HR Director's letter referring MEA to the City Attorney's Office. If the MEA fails to contact the City Attorney's Office within thirty (30) days of that letter, the grievance is deemed withdrawn.

52. Notwithstanding the MEA's appeal to arbitration, the HR Director may, within 15 days of the appeal, schedule a settlement meeting with the MEA.

FOR ALL ARBITRATIONS

4. Selection of the Arbitrator

53. The parties shall select an arbitrator from the list of panelists attached hereto as Appendix B. When a matter is appealed to arbitration the parties shall first attempt to mutually agree on an arbitrator. In the event no agreement is reached within seven (7) days the arbitrator shall be selected from the permanent panel by utilizing a strike-off procedure.

5. Authority of the Arbitrator

54. The arbitrator shall have no authority to add to, ignore, modify or amend the terms of this Agreement.

55. The fees and expenses of the Arbitrator and court reporter shall be shared equally by the Association and the SFMTA. Mutual agreement is required for payment of fees when either party is requesting a Court Reporter. Transcripts shall not be required. If a party requests a transcript, that party shall be solely responsible for the cost.

7. Hearing Dates and Date of Award

56. Hearings shall be scheduled within forty-five (45) days of selection of an arbitrator. Awards shall be due within forty-five (45) days following the receipt of closing arguments.

8. Monetary Relief

57. Any claim for monetary relief shall not extend more than twenty (20) days prior to the filing of a grievance, unless considerations of equity or bad faith justify a greater entitlement.

9. Failure to Respond

58. Except as otherwise provided herein, a grievance shall be void in the event a grievance is not initiated or appealed through the steps in accordance with the time periods set forth above. Failure of the SFMTA to timely reply to a grievance shall authorize appeal to the next grievance step.

10. Immediate Dispute Resolution

59. In the event there is a dispute regarding the interpretation or application of this Agreement that imminently affects the Association or a substantial number of members represented by the Association, and that will result in harm for which monetary relief would be an insufficient remedy,

ARTICLE I - REPRESENTATION

either the SFMTA or the Association may request suspension of the grievance process as described in section 3 of this Section and proceed to immediate dispute resolution discussions with the Director of Employee Relations. The Director shall schedule and conclude discussions within twenty (20) days of receipt of a written request by either party and the action triggering the request for immediate dispute resolution may be stayed upon mutual agreement.

60. Should the dispute still not be resolved it may be submitted directly to an arbitrator selected in accordance with the procedure detailed below.
61. If the parties cannot otherwise agree, an arbitrator shall be selected by the parties from an arbitrator provided in Appendix B. The first arbitrator, selected at random by the parties, available within a two week period shall be selected.
62. There will be no post-hearing briefs in an immediate arbitration unless such briefs are requested by the arbitrator.
63. This section may not be invoked for disciplinary grievances.

11. Petitions to Compel Arbitration

64. The prevailing party in any petition to compel arbitration shall be awarded reasonable attorneys' fees and costs.

66. The City shall deduct Contributions from a represented employee's pay upon submission by the Union of a request, in accordance with the Procedure. The Procedure shall include, and the Union must provide with each request, a certification by an authorized representative of the Union, confirming that for each employee for whom the Union has requested deduction of Contributions, the Union has and will maintain a voluntary written authorization signed by that employee authorizing the deduction. If the certification is not properly completed or submitted with the request, the City shall notify the Union, and make the requested deduction changes only upon receipt of a proper certification.
67. The Procedure is the exclusive method for the Union to request the City to initiate, change, or cancel deductions for Contributions.

69. If an employee asks the City to deduct Contributions, the City shall direct the employee to the Union to obtain the Union authorization form. The City will not maintain a City authorization form for such deductions. If a represented employee hand delivers the official Union form authorizing such deductions to the Controller's Payroll Division, the City shall process the authorization and begin the deduction within thirty (30) days. The City will send the Union a copy of any authorization form that it receives directly from a represented employee.

71. Except as otherwise provided in this subsection 1, the City shall continue to deduct and remit Contributions until it receives notice to change or cancel deductions from the Union in accordance with the Procedures, or it receives an order from a court administrative body directing the City to change or cancel the deductions for one or more employees.
72. With the exception of subsection (e) above, the Union is responsible for all decisions to initiate, change, and cancel deductions, and for all matters regarding an employee's revocation of an authorization, and the City shall rely solely on information provided by the Union on such matters. The City shall direct all employee requests to change or cancel deductions, or to revoke an authorization for deductions, to the Union. The City shall not resolve disputes between the Union represented employees about Union membership, the amount of Contributions, deductions, or revoking authorizations for deductions. The City shall not provide advice to employees about those matters, and shall direct employees with questions or concerns about those matters to the Union. The Union shall respond to such employee inquiries within no less than 10 business days.

2. Indemnification

The Union shall be responsible for the defense of any claim within this indemnification provision, subject to the following: (i) the City shall promptly give written notice of any claim to the Union, (ii) the City shall provide any assistance that the Union may reasonably request for the defense of the claim; and (iii) the Union has the right to control the defense or settlement of the claim; provided, however, that the City shall have the right to participate in, but not control, any litigation for which indemnification is sought with counsel of its own choosing, at its own expense; and provided further that the Union may not settle or otherwise resolve any claim or action in a way that obligates the City in any manner, including but not limited to paying any amounts in settlement, taking or omitting to take any actions, agreeing to any policy change on the part of the City, or agreeing to any injunctive relief or consent decree being entered against the City without the consent of the City. This duty to indemnify, hold

ARTICLE I - REPRESENTATION

harmless, and defend shall not apply to actions relating to compliance with this Section I.J. brought by the Union against the City. This subsection 2 shall not apply to any claim against the City where the City failed to process a timely, properly completed request to change or cancel a Contribution deduction, as provided in subsection 1.

If an employee is returned to duty in the same department from which the employee was laid off, the employee shall serve the remainder of any probationary period as set forth in Civil Service Rule 417.3.2.

81. The Association agrees that the probationary period may be extended for up to 2080 hours by a written mutual agreement between the Appointing Officer and a represented employee. After such agreement is reached, the SFMTA will provide notice of the agreement to the Association.
82. The SFMTA will notify the Association when it releases a represented employee from probation.
83. Probationary employees should receive:

An employee who requests the opportunity for a “name clearing hearing” before the Appointing Officer or designee is entitled to a response to the request within five (5) working days of the employee’s request. An employee who has had a name clearing hearing is not entitled to appeal the termination.

- (1) The employee must file the request with the Appointing Officer within five (5) working days of the receipt of the written notice of separation.
- (2) At the hearing, the employee may be represented by a representative of the employee’s choosing.

After the discipline decision, the City shall also provide MEA with the Skelly Officer’s report. MEA will also receive any written recommendation from the Skelly hearing officer to the appointing officer. As to such disciplinary action, an employee may respond in writing, and such response will be maintained in the employee’s personnel file, if the Appointing Officer imposes suspension or termination.

Direct expenses of the hearing officer shall be borne equally by the parties.
95. Upon the completion of 2080 hours of continuous service in a current represented job code, employees in non-exempt job codes covered by this agreement with temporary status shall be subject to discipline for just cause only, and shall be entitled to the post-disciplinary appeal rights set forth in Charter Sections A8.341 and A8.342 as modified in the sub-sections herein.

Expedited Arbitration

96. Upon mutual agreement, appeals of suspensions of eligible represented employees shall be processed through an expedited arbitration proceeding. By mutual written agreement the parties may submit other grievances to this expedited arbitration process. In order to provide for prompt hearings under this process, the parties agree to strike from the arbitrators listed in Attachment B, except that when an expedited arbitration case arises, the parties shall first limit the list to those arbitrators who have identified availability within six (6) months of the parties' inquiry. Whether the Association or the City deletes the first name in the alternating process shall be determined by lot.
97. Each expedited arbitration hearing will last a maximum of two hours. The parties agree not to utilize court reporters or electronic transcriptions, nor to permit post-hearing briefs. These decisions will be final and binding, and shall not be used in any other cases except those of the grievant involved, unless otherwise agreed.
98. Each party shall bear its own expenses in connection with the expedited arbitration. All fees and expenses of the arbitrator shall be shared equally by the parties.

Personnel Files

100. Materials relating to disciplinary actions for conduct which is three (3) or more years old shall not be used for the basis of future discipline, provided there has been no reoccurrence of the same or similar conduct upon which the discipline was based. At the request of the employee or MEA, materials related to disciplinary actions which are three (3) or more years old shall be sealed to the extent permissible by law, provided that there has been no reoccurrence of the conduct on which the discipline was based during that period. The envelope containing the sealed documents will be retained in the employee's personnel file and may only be opened for the purpose of assisting the City in defending itself in legal or administrative proceeding, or as otherwise required by federal, state, or local law. An employee or MEA may request sealing prior to the end of the three year period.
101. There shall be one (1) official personnel file. Supervisors' informal notes and records relating to their supervisory responsibilities shall not be maintained any longer than necessary for supervision and evaluation purposes. After such time, such notes and records shall either (1) be made a part of the official personnel file or (2) destroyed, subject to applicable law.

Investigative Interviews

106. An employee may designate MEA to represent the employee during an investigative interview when the employee is the subject of the investigation. This provision includes EEO, Whistleblower or departmental disciplinary investigations. The department that conducts the investigation will issue a written notification to MEA (if designated as the representative by the employee) advising of the outcome of EEO and/or disciplinary investigations within thirty (30) days of completing the investigation. In the case of Whistleblower investigations, the Whistleblower units of the Controller’s office will notify the Association when the investigation has been completed.
107. The department will use best efforts to notify the Association of the identity of the investigator(s) conducting the investigation at the time the interview is scheduled and will notify the Association if the identity of the investigator changes.
108. If the interview is held remotely and if the employee notifies the department at least five (5) days before the interview that the employee does not have the essential equipment/software set-up and confidential location to participate in the interview, the department will arrange the essential equipment or confidential location. If the interview is held in person, the department will ensure that it is held in a location that ensures the confidentiality of the identity of the employee being interviewed.
109. No action to impose discipline against an employee shall be initiated more than thirty (30) days from the date the City knew of the conduct and has completed a diligent and timely investigation, except for conduct which would constitute the commission of a crime. The discipline imposed may take into account conduct that is documented in the employee’s personnel file or was the subject of a prior unsealed disciplinary action.
110. An employee who has been placed on Paid Administrative Leave pursuant to Administrative Code section 16.17 will be returned to duty at the conclusion of the authorized leave unless subject to discipline or by mutual agreement.

II.D. Prop F and Temporary Exempt

111. The Deputy Director of Human Resources agrees to work with the divisions to ensure proper utilization of Proposition F and temporary exempt (“as needed”) employees when such positions would more appropriately or efficiently be filled by permanent employees. In addition, the SFMTA will work with the Department of Human Resources who will inform employees on the holdover list how to sign up for notice of recruitments for exempt positions in their classifications.

II.E. Advance Notice to MEA on Personal Service Contracts

112. At the time the MTA issues a Request for Proposals (“RFP”)/Request for Qualifications (“RFQ”), or thirty (30) days prior to the submission of a PSC request to the Department of Human Resources and/or the Civil Service Commission, whichever occurs first, the City shall notify the affected union(s) of any personal services contact(s), including a copy of the draft PSC summary form, where such services could potentially be performed by represented classifications.

ARTICLE II – EMPLOYMENT CONDITIONS

113. If MEA wishes to meet with the SFMTA over a proposed personal services contract, the union must make its request to SFMTA Labor Relations within two weeks after the union’s receipt of SFMTA’s notice. The parties may discuss possible alternatives to the contracting or subcontracting and whether the SFMTA staff has the expertise and/or facilities to perform the work. Upon request by MEA, the SFMTA shall make available for inspection any and all pertinent background and/or documentation relating to the service contemplated to be contracted out.
114. In order to ensure that the parties are fully able to discuss their concerns regarding particular proposed contracts, the SFMTA agrees that it will take all appropriate steps to ensure that parties (excluding the Board of Supervisors) who are responsible for the contracting-out decision(s) are present at the meeting(s) referenced in the preceding paragraph.
115. The SFMTA agrees to provide MEA with notice(s) of departmental commissions and Civil Service Commission meetings during which proposed personal services contracts are calendared for consideration, where such services could potentially be performed by represented classifications.

118. Each employee is responsible for reviewing and complying with SFMTA and State ethics obligations and policies. This responsibility includes filing a Statement of Economic Interest (“SEI”, also known as Form 700) if required for the employee’s position, and completing all required ethics trainings.
119. The SFMTA will advise employees who are required to file an SEI of this requirement in their job offer letters, at the time of appointment, and before each annual filing deadline. The SFMTA will issue new employees a copy of the SFMTA Statement of Incompatible Activities during the onboarding process.
120. SEIs are public records and subject to disclosure.
121. The SFMTA will provide employees training on their ethics obligations during work time, including an instructor-led training at least annually.

II.I. Involuntary Reassignments

122. Except in cases of emergency need, SFMTA shall provide at least fourteen (14) calendar days’ notice of a reassignment to any bargaining unit member prior to the implementation date. Notice of reassignments shall be provided to the Association at the same time the employee is noticed. When

ARTICLE II – EMPLOYMENT CONDITIONS

said notice cannot be given, the employee will be informed of the change and the circumstances that required the SFMTA to provide less than fourteen (14) working days’ notice as soon as possible. Reassignment includes a significant change of job duties, change of work location, or change of work schedule.

123. Should the SFMTA fail to provide notice, the Association may grieve that issue. The decision to reassign a bargaining unit member shall not be subject to the grievance procedure.

II.J. Secondary Employment Appeals

The adjustment shall be retroactive to first day of the assignment. Premiums based on percent of salary shall be paid at a rate which includes out of class pay.
- 167. 3. Requests for job code review shall not be governed by this provision.

The compensation range of the supervisor is less than 5% over the compensation range, exclusive of extra pay (except Extended Ranges such as those in the Local 21 MOU), of the employee supervised. In determining the compensation schedule of a job code being paid a flat rate, the flat rate will be converted to a bi-weekly rate and the compensation schedule the top step of which is closest to the flat rate so converted shall be deemed to be the compensation schedule of the flat rate job code.
176. 6. The adjustment of the compensation of the supervisor shall be 5% over the compensation exclusive of extra pay, of the employee supervised. 2. Night Duty

209. Employees who, as part of their regularly scheduled work shift, are required to work any hours between (five) 5:00 p.m. and (seven) 7:00 a.m. shall receive a night duty premium. Where the appointing officer fails or declines to inform the employee a full thirty (30) days in advance, the employee shall receive pay in lieu of the number of days less than thirty (30) upon which the employee was informed. The SFMTA agrees that pay in lieu of notice will be paid, with vacation leave accrual balances, within two payroll periods from the date of the involuntary removal or release.

ARTICLE III – PAY, HOURS AND BENEFITS

Return to an Underlying Position

218. Notwithstanding the preceding paragraph, an employee who has permanent civil service status in a position and who returns to that position according to the Civil Service Rules upon involuntary separation from the employee’s MEA position will be entitled to receive as pay in lieu of notice, for the time prescribed above, the difference between the pay of the employee’s former MEA position and the employee’s pay in the underlying PCS position.

III.O. Severance Pay

1. Employees Without Permanent Civil Service Status

219. Except as otherwise provided otherwise in this Section, the SFMTA agrees that when involuntarily removing or releasing from employment a represented exempt employee, the employee shall also receive one (1) week’s severance pay for each full year of continuous City service, up to a maximum of twenty-six (26) weeks, in exchange for a release signed by the employee and MEA of any and all claims arising out of employee’s employment or termination of that employment (including claims arising under this Agreement) that the employee or MEA may have against the SFMTA including any officer or employee thereof.

220. This release shall be in a form acceptable to the SFMTA and shall include a waiver of any rights the employee may have to return to City employment (e.g., holdover roster), a waiver of Section 1542 of the California Civil Code and a waiver of claims under the Age Discrimination in Employment Act. The release shall exclude the right to grieve the proper amount of notice or severance pay due under Section III.N. or this Section III.O. Failure by the SFMTA to provide a general release within thirty (30) days of an involuntary removal or release will result in an automatic extension of the paid notice period until the release has been provided. The SFMTA will obtain signatures from its representatives on the severance agreement within a reasonable period after receipt by the SFMTA of the severance agreement signed by the employee and MEA.

2. Employees With Permanent Civil Service Status

221. Except as provided otherwise in this Section, in the event the SFMTA involuntarily separates or returns an employee to an underlying permanent job code, that employee may elect to separate from City Service and shall receive one week’s severance pay for each full year of continuous City service, up to a maximum of 26 weeks, in exchange for a release signed by the employee and MEA of any and all claims arising out of employee’s employment or termination of that employment (including claims arising under this Agreement) that the employee or MEA may have against the SFMTA including any officer or employee thereof. If the employee declines to elect severance within ten (10) working days of receiving an offer of severance, then the SFMTA will afford the employee all due process and appeal rights available under this Agreement, and no severance pay will be available to the employee.

222. This release shall be in a form acceptable to the SFMTA and shall include a waiver of any rights the employee may have to return to City employment (e.g., holdover roster), a waiver of Section 1542 of the California Civil Code, and a waiver of claims under the Age Discrimination in Employment Act. The release shall exclude the right to grieve the proper amount of notice or severance pay due under Section III.N. or this Section III.O. Failure by the City to provide a general

ARTICLE III – PAY, HOURS AND BENEFITS

release, if the employee elects to fully separate from City service, within thirty (30) days of notice from the employee or MEA of the employee’s election will result in an automatic extension of the paid notice period until the release has been provided. The SFMTA will obtain the required signatures on the severance agreement within a reasonable period after receipt by the SFMTA of the severance agreement signed by the employee and MEA.

- 223. SFMTA agrees to provide MEA with a current template for the release applicable to standard severance cases. This template may be updated as determined by SFMTA. When such changes occur, SFMTA will promptly provide an updated release template to MEA.
- 224. In order to receive severance pay, an eligible employee or MEA must notify the Appointing Officer or designee that the employee elects to receive severance pay within thirty (30) days of notification of involuntary release or removal from employment.
- 225. Payment of severance is dependent upon approval by the Appointing Officer, Controller and the SFMTA Human Resources Director. Approval will be based on a good faith consideration of whether the employee’s removal or release was involuntary, was initiated by the Appointing Authority, and was in the best interests of the SFMTA, and whether the termination of employment was based on conduct involving misappropriation of public funds or property, misuse or destruction of public property, mistreatment of persons, or acts which would constitute a felony or misdemeanor.
- 226. Any employee accepting severance pay is ineligible to be appointed to City service under Charter Section A8.511 (a Proposition F appointment) in the department from which the employee was released for two years from the date of release.

- 241. An employee who is laid off at the close of business the day before a holiday who has worked not less than five (5) previous consecutive workdays shall be paid for the holiday at their normal rate of compensation.

Upon proper advance notification, employees may be granted up to forty (40) hours Parental Leave – two (2) hours of which will be paid leave each semester – each year, to participate in the activities of a school or licensed child day care facility of any of the employee's children. Parental Leave shall not exceed eight (8) hours in any calendar month of the year.
283. In order to qualify for Parental Leave, the employee must give reasonable notice to the employee's immediate supervisor prior to taking the time off. If requested by management, the employee must provide written verification from the school or licensed child day care facility that the employee participated in the school/child care related activities on a specific date and at a particular time.
284. The employee may utilize existing vacation, executive leave, administrative leave, compensatory time, or personal (unpaid) leave to account for absences after the two (2) paid hours per semester have been used. If both of the child's parents are employed by SFMTA at the same worksite, the entitlement to a planned absence applies only to the parent who first gives notice.
285. Denial of Parental Leave under this section is not subject to the grievance process.

ARTICLE III – PAY, HOURS AND BENEFITS

III.DD. Direct Deposit of Payments

286. The Citywide “Paperless Pay” Policy applies to all employees covered under this Agreement.
287. Under the policy, all employees shall be able to access their pay advices electronically on a password protected site, and print them in a confidential manner, using City Internet, computers and printers. Such use of City equipment shall be free of charge to employees, is expressly authorized under this section of the Agreement, and shall not be considered “inappropriate use” under any City policy. Pay advices shall also be available to employees on a password protected site that is accessible from home or other non-worksites computers, and that allows the employees to print the pay advices. Employees without computer access or who otherwise wish to receive a paper statement shall receive assistance to print hard copies of their pay advices through their payroll offices upon request, on a one-time or ongoing basis.
288. In addition to payroll information already provided, the pay advices shall reflect usage and balance (broken out for vacation, sick leave, etc.) the employee’s hours of compensatory time, overtime, and premiums earned during the relevant payroll period. The City shall maintain electronic pay advices and/or wage statements for at least seven (7) years.
289. Under the policy, all employees have two options for receiving pay: direct deposit or bank pay card. Employees not signing up for either option will be defaulted into bank pay cards.
290. Every employee shall possess the right to do the following with any frequency and without incurring any cost to the employee:
- a. Change the account into which direct deposit is made;
 - b. Switch from the direct deposit option to the pay card option, or vice versa;
 - c. Obtain a new pay card the first time the employee’s pay card is lost, stolen or misplaced.
291. The SFMTA assures that the pay card shall be FDIC insured. The SFMTA further assures that in the event of an alleged overpayment by the SFMTA to the employees, the SFMTA shall not unilaterally reverse a payment to the direct deposit account or pay card.
292. The City will work with the vendor to evaluate options to provide no-cost ATMs available at large worksites and remote worksites.
293. The parties mutually agree that employees may print out pay advices during work hours.

III.EE. Eye Examination

294. All employees, who are health service system members, shall be eligible for one (1) annual eye examination and prescribed eyewear for computer use.

III.FF. Jury Duty

295. An employee shall be provided leave with pay on a work day when the employee serves jury duty, provided the employee gives prior notice of the jury duty to the supervisor.
296. Employees assigned to jury duty whose regular work assignments are swing, graveyard, or weekend

ARTICLE III – PAY, HOURS AND BENEFITS

shifts shall not be required to work those shifts when serving jury duty, provided the employee gives prior notice of the jury duty to the supervisor.

297. To receive leave with pay for jury duty, employees must (1) provide written proof of jury service from the court to verify actual appearance for each day of jury duty, and (2) decline any payment from the court for jury duty.
298. If an employee is required to call-in during the work day for possible midday jury duty, the employee shall coordinate in advance with the employee's supervisor about whether and when to report to work.

ARTICLE IV: TRAINING, CAREER DEVELOPMENT AND INCENTIVES

IV.A. Management Training Funds

299. The SFMTA shall budget \$48,000 each year for the purpose of management training of MEA-represented employees of which up to \$24,000 may be used for the purchase of equipment described in the following paragraph, to the extent that these items are used in the performance of their duties.
300. Professional development opportunities are intended to allow employees to improve job performance. Until such funds are exhausted, an employee may utilize up to a maximum of \$2,000 per fiscal year for tuition, internal or external training programs, professional conferences, executive coaching, and professional licenses, certificates, and association memberships, professional software, and books, and subscriptions. Solely at the discretion of the appointing officer or designee, such funds may be supplemented with department funds budgeted for training, subject to the restrictions of applicable law. No reimbursement shall be made for expenses that are eligible for reimbursement under a Federal or State Veterans benefit program or from other public funds.
301. Any employee who regularly works at least twenty (20) hours per week with a minimum of one (1) year continuous service in any classification represented by MEA at the time of application is eligible for Management Training Fund reimbursement.
302. Employees may also use up to \$1,000 of the maximum funds available to them for the purchase of personal electronic equipment, to the extent that these items would be used in the performance of their City duties. Reimbursement is limited to no more than one device per employee per fiscal year. It is the employee's responsibility to comply with all privacy and security requirements, in accordance with state and federal law, and City and department policies.
303. In addition, subject to approval by the MTA Director of Human Resources and to the extent funds are available, and as permissible under applicable law, employees may utilize up to \$1,000 of the funds available to them for that fiscal year under this Section IV.A. to pay for the cost of reasonable and necessary travel and lodging outside of the nine Bay Area Counties for approved training. Travel reimbursement rates shall be as specified by the Controller's Accounting Policies and Procedures memo; however, a \$50 per diem allowance may be submitted when traveling on approved training. Management Training Funds may not be used for food. The MTA shall not utilize these funds to supplant existing budgeted training programs.
304. For each fiscal year, the total expenditure of available management training funds, including amounts remaining from prior year allocations, will not exceed 125% of the current annual allocation.
305. An employee may submit a request for an expense incurred in the current fiscal year. Only with MEA approval may an employee submit a request for an expense that occurred in a prior fiscal year (i.e., must have already received MEA pre-approval). An employee cannot submit a request for an expense occurring in a future fiscal year. Reimbursements will not be paid until the employee provides proof of payment and proof of satisfactory completion. If an employee provides notice of resignation, the employee must submit the expense report and receive all approvals before separating from the SFMTA to obtain reimbursement.

ARTICLE IV – TRAINING, CAREER DEVELOPMENT AND INCENTIVES

IV.B. Paid Status During Training

306. Represented employees shall be on paid status when assigned to attend required educational programs scheduled during normal working hours.

IV.C. Reimbursement for Licenses, Certificates, and Professional Memberships

ARTICLE V: WORKING CONDITIONS

V.A. Health and Safety

308. The SFMTA acknowledges its responsibility to provide a safe and healthful work environment for SFMTA employees. The Association agrees that it shares the responsibility for these efforts, as do SFMTA employees.
309. When an employee, in good faith, believes that a hazardous or unsafe condition exists, and that continuing to work under such conditions poses risks beyond those normally associated with the nature of the job, the employee shall so notify the SFMTA Human Resources Director and/or Safety Committee and/or Safety Officer. If the Department agrees the assignment is hazardous or unsafe, the employee shall be reassigned, if possible, until the hazard is eliminated. If there is no concurrence, the matter may be submitted to the Grievance Procedure at Step 3 for final resolution. The employee's assignment shall be continued until the dispute is resolved. Employees may be relieved of tasks which pose a threat to their health or safety provided the tasks are not essential functions of the jobs.

Right to Know

310. Material Safety Data sheets shall be available for inspection by employees or their Association representative.

V.B. Return to Work

311. The SFMTA will make a good faith effort to return employees who have sustained an injury or illness to temporary modified duty within the employee's medical restrictions. Duties of the modified assignment may differ from the employee's regular job duties and/or job duties regularly assigned to employees in the injured employee's job code. Decisions regarding temporary modified duty shall be subject to approval of the Appointing Officer or designee. The decision to provide modified duty and/or impact of such decisions shall not be subject to grievance or arbitration. Modified duty assignments may not exceed three (3) months. An employee assigned to a modified duty assignment shall receive the employee's regular rate of pay.

V.C. Mileage Reimbursement

312. Employees shall be reimbursed at the Controller's certified rate per mile when required to use their personal vehicle for SFMTA business.

V.D. Parking Facilities

313. Parking fees for represented employees will be set in accordance with Administrative Code Section 4.24 (See Appendix F).

V.E. Telecommuting

314. Citywide Telecommuting Policy and Program (TPP), establishes specific conditions under which employees may perform their job-related duties remotely. The TPP can be found at www.sfdhr.org and is incorporated herein for reference purposes only.

ARTICLE V - WORKING CONDITIONS

315. As described in the TPP materials, telecommuting is permissible under an agreement between the employee and the Appointing Officer or designee, subject to the approval of the Appointing Officer. An employee who meets the eligibility criteria and program guidelines may apply to participate in the TPP for a maximum of two (2) days each week, coming to work in person three (3) days each week. Employees may telecommute more than two (2) days per week, subject to the approval of the Appointing Officer and the MTA HR Director.
316. Telecommuting arrangements will not be denied or ended for arbitrary or capricious reason(s). In the event a represented employee has a good faith belief that a telecommuting request is denied for an arbitrary or capricious reason, or that an existing telecommuting agreement was terminated for an arbitrary or capricious reason, the member may appeal the decision to the MTA HR Director, whose decision shall be final and binding. Neither the TPP nor this Section V.E. are subject to the grievance and arbitration procedure of this Agreement.

V.F. Location of Remote Work

317. Unless approved in writing by the HR Director, employees are prohibited from working remotely outside of the State of California, except for incidental work at the request of the MTA or when the employee's specific task requires working out of state, such as participation in training or a conference. All MTA employees are Disaster Service Workers under California law. In a declared emergency, employees approved for telecommuting must be able to physically report where directed within forty-eight (48) hours of a declared emergency.

SIDE LETTER AGREEMENT TO THE 2014-2017 MEMORANDUM OF UNDERSTANDING BETWEEN THE CITY AND COUNTY OF SAN FRANCISCO (City) AND MEA (Union)

The City proposes the following to address the convenience and accessibility issues raised in the union proposal to provide employees use of sick leave for wellness activities:

- In consultation with the Executive Officer of the Civil Service Commission, the City will issue a clarification to departments and employees as to appropriate use of sick leave, which includes care and consultation with medical providers including, but not limited to, biometric screenings, flu shots and other preventive care and assessments.
- The Health Service System (HSS) will explore piloting shorter on-site workout classes to make it easier for employees to exercise during lunch breaks (more on this in response below).
- The City will issue a policy encouraging departments to allow adjusted work schedules, where operationally feasible, to facilitate the ability of employees to participate in exercise programs in conjunction with the workday. These arrangements could include allowing later or earlier starting and ending times, or longer lunches, with adjustments to start or end times to make up time. The policy will also include a reminder that floating holidays, vacations, and compensatory time off are available for these purposes as well.
- As part of the Citywide wellness program, HSS is planning a confidential employee Health Risk Assessment (HRA) survey regarding the baseline health of our employee population. This is a critical first step in engaging employees in wellness, and ensuring that program activities are appropriately targeted.
- The City is willing to explore expansion of existing tuition reimbursement programs to contribute towards the purchase of “fitness activity trackers” (e.g., Jawbone or FitBit) as a pilot program. In such event, the City would attempt to negotiate group discounts from these companies.

In response to the proposal to provide employees free use of Recreation and Park Department (RPD) exercise programs and facilities, the City proposes that the parties instead explore the expansion of the on-site wellness offerings by HSS. Potential ideas include:

- Conduct an employee survey to identify the most-desired programs, and best times and locations to offer them;
- Alter current class offerings to 30 or 45 minutes in length, to make them more accessible to employees on lunch break;
- Based on survey results, work with HSS and RPD to explore having RPD staff provide programming either on-site, or where needed, with fee waivers at specific RPD facilities;
- HSS is also actively engaging with area counties to explore collaboration on health and wellness issues.

City and County of San Francisco

Department of Human Resources

Human Resources Director

MEMORANDUM

DHR No. 01-2015

DATE: January 20, 2015
TO: Appointing Officers
Departmental Personnel Officers
FROM: Micki Callahan, Human Resources Director
SUBJECT: Encouraging Wellness Activities

The City and County of San Francisco launched its Wellness Plan for City employees in the fall of 2014.

Wellness is the state of being in good physical and mental health, and the Wellness Plan was sponsored by the Mayor's Office, the Controller's Office, the Department of Human Resources (HR), and the [Health Service System](#).

We chose a workplace wellness program because work time, lunch time, and commute time constitute over 50 percent of an employee's waking hours on any given workday. Work environments, work culture, and coworkers can influence choices made during the workday, such as what to eat for lunch and what to do on a break. These decisions can have a significant impact on the health of each individual. Developing a culture of wellness will inspire and support healthy choices about exercise, nutrition, preventive care, stress management, and emotional well-being.

To this end, departments are encouraged to allow flexible work schedules where operationally feasible to facilitate the ability of employees to participate in wellness programs in conjunction with the workday. These flexible arrangements could include allowing later or earlier start and end times or longer lunches, with adjustments to start or end times to make up time (with supervisor approval). Floating holidays, vacation, and compensatory time off (CTO) are also available for these purposes.

The appropriate uses of sick leave are detailed in the Civil Service Commission Rules and the City's [Employee Handbook](#). Sick leave is not generally available for wellness activities unless the activity is delivered or led by a licensed medical professional. Use of sick leave is appropriate when an employee is consulting with a licensed medical provider for such purposes as biometric screenings, flu shots, classes led by nurses or physical therapists, and other preventive care provided by a licensed medical professional.

The following chart provides guidance and examples of when paid leave or flex time may be appropriate:

Activity	Approximate Length of Time	Type of Time
Biometric Screening	30 minutes (15 minute appointments)	Lunch time, flexible scheduling, sick leave, vacation, floating holiday, CTO
Flu Shots	20 minutes (10 minute appointments)	Lunch time, flexible scheduling, sick leave, vacation, floating holiday, CTO
Wellness Coaching	30 minutes (20 minute appointments)	Lunch time, flexible scheduling, vacation, floating holiday, CTO
