WHEREAS, These items are categorically exempt from Environmental Review Class 1(c)(9) changes in traffic and parking regulations where such changes do not establish a higher speed limit and/or result in more than a negligible increase in the use of the street and/or Class 1(c)(13) installation, modification and replacement of traffic signals, where no more than a negligible increase in the use of the street will result; and,

WHEREAS, The public has been notified about the proposed modifications and has been given the opportunity to comment on those modifications through the public hearing process; now, therefore, be it

RESOLVED, That the San Francisco Municipal Transportation Agency Board of Directors, upon recommendation of the Director of Transportation and the Director of the Sustainable Streets Division approves the changes.

I certify that the foregoing resolution was adopted by the San Francisco Municipal Transportation Agency Board of Directors at its meeting of October 21, 2014.

Secretary to the Board of Directors
San Francisco Municipal Transportation Agency
