SAN BRUNO AVE

SAFER STREETS, PARKING MANAGEMENT, RELIABLE MUNI

Join SFMTA at The Portola Neighborhood Association Transportation Committee to Discuss San Bruno Avenue Improvements

PROJECT SUMMARY

The San Bruno Corridor Study will evaluate and design a suite of multi-modal improvements with the goal of improving safety for people walking/biking and increase reliability of Muni. The project incorporates elements from several ongoing strategic planning initiatives including Muni Forward, safety projects informed by the WalkFirst planning process. The project will also include the development of a parking management strategy, along with early implementation of parking recommendations.
