# M Line Terminal Balboa Park Station

Balboa Park Station Community Advisory Committee  
August 25, 2015

# Existing Conditions

Wheelchair  
only stop

Outbound M Line – Last Stop  
Train pulls-in part way to Cameron Beach yard

# Existing Conditions

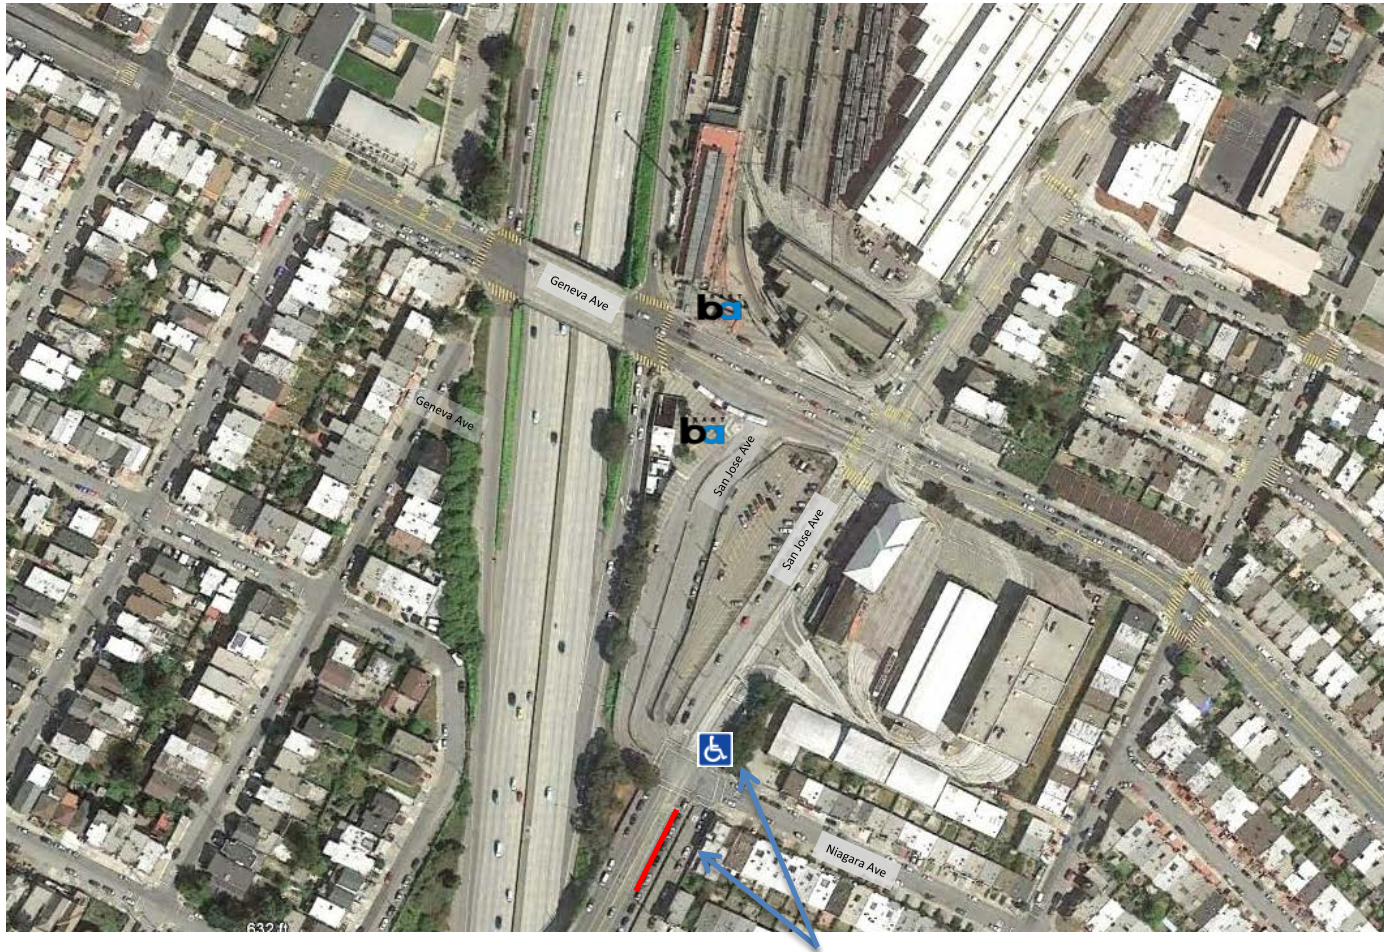

# Near-Term Improvement

Increase Traffic Signal Size & Visibility

# Preliminary Design Concept

Outbound M Line – Last Stop  
Construct Boarding Island & Wheelchair Ramp at Niagara Avenue

# Preliminary Design Concept

## Design Factors/Limitations

- Track Crossover
- Road curvature and slope

# Preliminary Design Concept

## Next Steps

- Identify a Feasible Design
- Identify/Prioritize Funds
- Coordination with Upper Yard Project
  - Need to integrate with a path of travel to the station entrance
  - Investigate the possibility of alternative boarding island location based on Upper Yard design
