

# Central Subway Extension Alternatives Study Survey

Spring 2018

1) What are the nearest cross streets to your home?  
Or city name, if not in San Francisco

---

2) What are the nearest cross streets to your work?  
Or city name, if not in San Francisco

---

3) How do you currently get around San Francisco?

**Number the choices in ranked order** starting with the one you use **most frequently** (1), the second most frequent (2), and so on. Mark an (X) next to choices you don't use.

#/X Muni                      \_\_\_ Walk                      \_\_\_ Bike                      \_\_\_ Car  
\_\_\_ Uber/Lyft                      \_\_\_ Paratransit                      \_\_\_ Bike Share                      \_\_\_ Taxi

4) How often do you ride Muni?

**Check one box.**

- 4 times a week or more                       At least once a week  
 At least once a month                       Less than once a month                       Never

5) Which Muni routes do you ride most frequently?

**List up to three**, starting with the route you ride most frequently.

Most Frequent:       #                            2nd:                                           3rd:

6) Which transportation goals would you like to see prioritized in the study area?  
**Number the choices in ranked order** starting with your **highest priority** (1), your second highest priority (2), and so on. Mark an (X) next to any goals you think are not relevant.

- #/X Increasing transit speeds (reducing travel times)
- Increasing transit capacity (reducing crowding)
- Increasing transit reliability (on-time arrivals)
- Reducing traffic congestion
- Providing more pedestrian amenities and safety features
- Providing more bicycle amenities and safety features
- Preserving parking availability
- Allocating more space for commercial (truck) and passenger loading
- Providing more paratransit access for seniors and people with disabilities
- Other: \_\_\_\_\_
- Other: \_\_\_\_\_

7) Would an extension of the Central Subway help meet your transportation goals?  
**Check one box.**

- |                          |                          |                          |                          |                          |

Spring 2018

8) Subway tunnels already exist beneath Stockton Street and Columbus Avenue, terminating near Washington Square. Would you like the Muni Metro Central Subway rail service to be extended to North Beach using these tunnels?

**Check one box.**

- Yes       No       Neutral / Don't Know

9) Which method would you like to see used to extend the Muni Metro Central Subway rail service from North Beach to Fisherman's Wharf?

**Check one box.**

- Subway (Underground)       Surface Tracks       Subway/Surface Combination  
 Other: \_\_\_\_\_       No Preference       Do Not Support

10) Which method would you like to see used to extend the Muni Metro Central Subway rail service further to the west (such as to the Marina or Cow Hollow)?

**Check one box.**

- Subway (Underground)       Surface Tracks       Subway/Surface Combination  
 Other: \_\_\_\_\_       No Preference       Do Not Support

11) What other non-transportation goals are important to you in the study area?

**List up to three**, starting with the most important. This could be anything, for example: providing more parks and recreational opportunities, increasing housing density, preserving historic buildings, etc. It's ok to list fewer than three goals.

Most Important:

\_\_\_\_\_

2nd:

\_\_\_\_\_

3rd:

\_\_\_\_\_

- 12) If you support extending the Central Subway, please draw your preferred route and station locations on the map.  
 If you do not support extending the Central Subway, leave the map blank and check this box.
