CONSTRUCTION WORK AND OTHER UPDATES

UPDATE: Geary Rapid Project

The Geary Rapid Project is beginning the first phase of construction work, in coordination with San Francisco Public Utilities Commission, to replace aging water and sewer lines between Masonic and Van Ness avenues. As part of this work, there will be temporary lane closures and/or parking restrictions. **Construction scheduling is subject to change due to weather delays or unexpected field conditions.** For more project information visit [SFMTA.com/Geary](https://www.sfmta.com/Geary).

Weekend lane closures beginning February 2:

- The eastbound Geary frontage road from Presidio Avenue to Lyon Street will be closed from 8 a.m. to 8 p.m., Saturdays and Sundays, from February 2 through mid-February, while crews work on sewer main replacement.
- Eastbound traffic will be slightly detoured, and parking will be restricted on the south side of Geary Boulevard between Presidio Avenue and Lyon Street.
- No bus stops will be affected. Inbound 38/38R Geary buses will be slightly rerouted, which will add some travel time.

UPDATE: Central Subway Project

Utility trenching and upgrade work may resume at 4th and Brannan intersection. This work is scheduled to occur during weekends, from 8 a.m. to 7 p.m. At 4th and Howard streets, utility upgrade work is ongoing, Monday through Friday, overnight from 9 p.m. to 5 a.m. westbound traffic on Howard Street may be impacted. One lane on the south side of Ellis Street is open at all times for eastbound traffic. The parking garage between Ellis and O'Farrell is accessible on the north side of Ellis Street. Street and sidewalk restoration work continues on the north side of the intersection of Ellis and Stockton streets, as well as on O'Farrell at Stockton. In Chinatown, the Chinese New Year work moratorium is in effect from Monday, January 21 through Monday, February 11 for work on Stockton Street. The sidewalk on the west side of Stockton, south of Washington, adjacent to the worksite has been temporarily reopened through the moratorium. There is currently one lane of traffic open on both sides of Stockton between Clay and Jackson. For project updates, visit: <https://www.sfmta.com/projects-planning/projects/central-subway-project>.

UPDATE: Van Ness Improvement Project

Friday, February 1, between the hours of 8 p.m. and 7 a.m., crews are scheduled to work on street light conduits, the water main and a joint-utility trench at the following locations:

- Van Ness at Chestnut Street
- Van Ness between Union and Green streets
- Van Ness at Vallejo Street
- Van Ness at Broadway
- Van Ness between Market and Mission streets

Because some work requires reducing Van Ness Avenue to one lane in each direction, work is limited to nighttime hours. For more project details and the latest construction updates, visit sfmta.com/vanness.

ONGOING: Muni Metro Elevator Safety Modernization Project

Since Monday, January 21 and continuing for about ten weeks, the inbound platform elevator at Church Station has been out of service for about ten weeks while the SFMTA has been working on upgrading the unit.

While the elevator is out of service, customer can use the following options to access Church Station:

- **Take an inbound train for L Taraval, M Ocean View , K Ingleside/T Third Streets lines or S Shuttle** - Customers can exit at Van Ness Station, proceed to the outbound platform and take any L, M, K/T or S lines to Church Station.
- **Heading inbound from Church Station** – Customers can use the outbound elevator to access any outbound train, get off at Castro Station, proceed to inbound platform and take any inbound train to continue travel.
- **Accessible service to the Church and Market area is available on the following Muni routes or lines:**
 - J Church (Accessible stops at Duboce and Church as well as inbound at Church at Market)
 - N Judah (Accessible stop at Duboce and Church)
 - F Market & Wharves (serves Church, Van Ness and Castro stations)
 - 37 Corbett (serves Church and Castro stations)
- **Customers with disabilities** can use station escalators to access the inbound platform.

Upon completion of this upgrade work at Church Station, the SFMTA will begin working on elevators at Castro and Forest Hill stations. The entire upgrade project is expected to take about four years to complete.

ONGOING: UCSF Mission Bay Arena Platform Project

In anticipation of the new Golden State Warriors' Chase Center, the SFMTA is constructing a new 320-foot center platform along 3rd Street between South and 16th streets. The existing platform will be demolished. The new track alignment will include one single and one double crossover to facilitate the movement of vehicles as operations requires. Other associated work includes modification of the overhead contact system, and both above and below ground utility relocation work. Construction will require four phases that will necessitate three separate transit service plans.

Buses are providing T Third service from Tuesday, January 22 through March 2019 in order to accommodate the next phases of construction. Once the T Third returns to train service, the Muni platform at UCSF Mission Bay will remain out of service through late April 2019. The T Third will continue to operate but will skip that stop. Customers should board at Mission Rock and Mariposa stations.

E Embarcadero and 83X Mid-Market Express are temporarily canceled since Tuesday, January 22 and continuing through March. Alternative routes include 47 Van Ness for the 83X and the N Judah and F Market & Wharves for the E.

55 16th Street are being rerouted onto 4th Street **since Tuesday, January 22 and continuing through mid-February** in order to accommodate the construction zone.

3rd Street between 16th and South streets are closed northbound and down to one lane southbound since Tuesday, January 22 and continuing through mid-February. For more information, visit www.SFMTA.com/MissionBayPlatform.

ONGOING: Taraval Track Maintenance Work at 38th Avenue and Taraval Street

Since Wednesday, December 26 and continuing for about five weeks, L-Taraval track maintenance work will take place at the intersection of 38th Avenue and Taraval Street. During construction, the L Taraval rail service will operate without interruption. While Taraval Street remains open, vehicular traffic along 38th Avenue at Taraval Street will be detoured.

ONGOING: Third Street Bridge Rehabilitation Project

Now through January 2020: Crews have begun Phase Two of the Third Street Bridge Rehabilitation Project. For more project details, visit: <http://www.sfpublicworks.org/thirdstreetbridge>.

ONGOING: Construction of Mission Bay Loop

The SFMTA has resumed construction on 18th, 19th and Illinois streets, the project is expected to be completed in spring 2019. Traffic, including travelling by bike, may be affected by the construction work. All work areas will be clearly marked and there will be flaggers to help direct traffic. In order to conduct the work, parking on both sides including along the historical Crane Cove Park fence (east side of Illinois Street) will be removed 24 hours, 7 days a week from 18th to 19th and Illinois streets for the duration of the project.

A partial street closure is currently in effect in order to accommodate duct bank work on Illinois Street between 18th and 19th streets through spring of 2019. Outer traffic lanes traveling both north and south on Illinois Street will remain open for through traffic. Immediately following the duct bank work, the track work will begin.

Local access to properties along the project site will be maintained. For project details or to sign up to receive project updates, visit: <https://www.sfmta.com/missionbayloop>.

Upcoming Events

IBM Think 2019

Tuesday, February 12 through Saturday, February 16: The IBM Think 2019 conference will be held at Moscone Center from Tuesday, February 12 through Saturday, February 16. Attendance of more than 40,000 is anticipated. Conference activities will take place at Moscone North, South and West, as well as at YBCA and in the Metreon and Yerba Buena Gardens.
