

San Francisco International Airport

NOTICE

April 10, 2021

TO: San Francisco Taxi Drivers

SUBJECT: **COVID SAFETY REMINDERS**

Drivers are reminded that while COVID case numbers are down and vaccines are more broadly available, there are still significant levels of infection in the community. Taxi drivers must socially distance outside vehicles, sanitize vehicles before every trip, always wear a mask at SFO unless actively eating or drinking, and wash hands frequently. Sanitizing supplies and masks are available from lot staff. Additionally, unnecessary shared items should be avoided. This includes shared playing cards, games, or similar items.

Drivers found to be violating COVID safety requirements are subject to suspension. Together, we can beat COVID and get more customers back in taxis.

Please contact the curbside management office at 650-821-2700 with any questions.

A handwritten signature in black ink that reads "Seth Morgan". The signature is fluid and cursive.

Seth Morgan
Senior Transportation Planner
SFO Landside Operations
