

SFMTA Youth Town Hall

Organized & Hosted by: SFMTA Youth Transportation Advisory Board (YTAB)

Are you an SF middle or high school student?

Do you rely on walking, biking, and Muni to get around?

If you answered yes, we want to hear from you!

YTAB is made up of youth ages 14 -18 that know first-hand that kids and teens rely on public transportation. This September, YTAB members want to hear from their peers! The goal of the town hall is to learn about transportation needs and experiences from youth across the city to better serve them in the future. San Francisco Youth have a voice and we want to hear from you!
