Subject: SFMTA CAC Recommendations

In our Citizens' Advisory Council meeting on October 5, 2023, the Council adopted the following recommendations:

CAC MOTION 231005.01

The SFMTA CAC recommends that the SFMTA board adopt the 2024 legislative program priorities as presented.

CAC MOTION 231005.02

The SFMTA CAC recommends abandoning the current unintuitive and dangerous center-running bicycle lane pilot on Valencia and refocusing the street toward its core needs—commercial deliveries, bicyclists, outdoor diners, and pedestrians—by pursuing a road geometry that disincentivizes non-residential traffic.

## CAC MOTION 231005.03

The SFMTA CAC endorses the SFMTA, SFCTA, and SF Planning Commission's request for a rehearing of the California Public Utilities Commission August 10, 2023 approval of unlimited numbers of Cruise and Waymo vehicles charging for passenger rides, 24/7, in all neighborhoods of the City, without an environmental impact report.

It is the opinion of the SFMTA Citizens' Advisory Council that the proposed recommendations would be of significant benefit to the citizenry of San Francisco and the San Francisco Municipal Transportation Agency.
