

Legislated Transit Only Lanes In San Francisco March 1, 2016

This map shows the existing transit only lanes legislated in San Francisco under the Transit Preferential Streets program. These lanes use many types of restrictions and hours of operations. Please note that the Transit-Only lanes on Haight, Powell and Duboce streets and Judah Street between 9th and 19th avenues are not available to taxis or non-Muni vehicles.

Please note that there are lanes suspended and not enforced due to Central Subway construction.
