Short Range Transit Plan

FY 2017 - 2030

SFMTA Board of Directors
June 6, 2017

Purpose of the Short Range Transit Plan

- Meets regional funding and planning requirements
- Describes the capital and operating budgets, transit service, and the capital improvement program
- Informs Metropolitan Transportation Commission (MTC) regarding projects and programs of regional significance
- Serves as a basis for MTC's Triennial Performance Audit
