

Area AA - Obtaining a Residential Parking Permit (RPP)

1. All delinquent parking citations must be paid prior to a permit being issued. Visit www.sftma.com/paycitation to research citations by plate and pay delinquent citations.
2. Mail your RPP application(s) **with the following information:**
 - a) Copy of current California DMV vehicle registration at the permit address and in the applicant's name.
 - b) Copy of current vehicle insurance policy documents with the applicant named as the insured at the permit address (such as the policy declarations page).
 - c) Check made payable to SFMTA for \$128 if purchased before June 30, 2018. \$136 if purchased on or after July 1, 2018.
 - d) Completed RPP application.

Please mail your completed application, payment and required documents to:

SFMTA
11 South Van Ness Avenue
San Francisco, CA 94103

3. The permit exempts the vehicle from RPP time limit restrictions only. Street cleaning, red zone, white zone and all other parking restrictions, including parking meters, still apply. Vehicles parked in the same space for more than 72 hours are subject to citation and towing.
4. In Area AA, persons will be limited to one permit and households will be limited to no more than two permits. Permits for in-home medical or child care workers are exempt from the household limit. Waivers of the household limit will be made if there are additional drivers and there is available parking in the area.
5. Permits must be applied to the vehicle pursuant to the instructions on the back of the permit. Failure to display a permit correctly, or on any other vehicle than to that which it was issued, will invalidate the permit and the vehicle will be subject to citation.
6. Business establishments in this RPP area are eligible for one permit per independent office space having a separate entrance and official mailing address. A copy of the current property title/lease and Business Tax Registration (and Tax Exempt Certificate for non-profits) is required. Up to three additional permits for vehicles with commercial license plates registered to the business address are also available.
7. RPP permits are also available for schools, fire stations, medical and child caregivers, students and active military personnel. Additional application requirements may apply. Visit www.sfmta.com/rpp for more information.
8. Up to 20 individual 1-day permits are available for guests and may be purchased in advance for use as needed. Longer term temporary permits for 2, 4, 6 or 8 weeks are also available. These permits may be purchased by RPP area residents that do not have an existing RPP account, however additional application requirements will apply.

Visit www.sfmta.com/rpp or call (415) 701-3000 for more information.
