PARKING

Because BART stations won't open until 5 am, current parking payment methods will not be available for Early Bird Express riders. To allow riders to continue to pay for parking between 3:30 am and 5:30 am, BART will offer three different ways to pay.

- 1. Official BART app:** Once you've parked, use the official BART app to pay for your spot with a credit card, PayPal or Venmo. The app can be downloaded at any time. The pay for parking pilot feature will be available by February 5, 2019.
- 2. Hang Tag Single-Day Pass:** Purchase one or more pre-printed single-day passes in person at the Embarcadero Clipper Card Office or the Lake Merritt customer service center. This option will be available by February 4, 2019.
- 3. Select-a-Spot Single-Day Pass:** A single-day pass can be purchased at www.select-a-spot.com/bart. This option will be available by February 4, 2019, and requires the rider to print out and display the pass on their vehicle's dashboard, clearly displaying the pass number.

The cost to park will remain the same. Clipper cannot be used to pay for parking in the 4 am hour, which means the EZ Rider payment system cannot be used. All of the above Early Bird Express parking options are for parking in the daily fee spaces only, and are not valid for Permit spaces.

PAYING YOUR FARE

Riders who use the Early Bird Express can pay with either cash or a Clipper® card using money loaded to the cash value purse on the card. Riders cannot pay for Early Bird Express service using a Clipper purse loaded with BART High Value Discount (HVD) tickets.

All fares will be the same as or less than the equivalent trip on BART.

Golden Gate Transit buses require that you tag on and tag off when using your Clipper Card. If you fail to tag off, you will be charged the maximum fare for your ride.

Because the stations will be closed, you must load cash value on your card in advance.

Visit bart.gov/earlybirdexpress for the latest information on this service.

BUS SCHEDULE

This bus service will run on weekday mornings only. BART will open at 5 am on weekdays. Other schedule changes will begin February 11th, impacting some Sunday and weekday evening trips. Sunday changes vary week to week. Plan your trip on bart.gov, the official BART app, or call (510) 465-BART.
