CONSTRUCTION WORK AND OTHER UPDATES

UPDATE: Geary Rapid Project

The first phase of construction as part of the [Geary Rapid Project](#) has begun. Work to replace aging water and sewer lines between Masonic and Van Ness avenues is being done in coordination with San Francisco Public Utilities Commission.

The following construction forecast is subject to change due to weather delays or unexpected field conditions.

Weekend work from 8 a.m. to 8 p.m.:

- The eastbound Geary frontage road from Presidio Avenue to Lyon Street will be closed on Saturday, March 2 and Sunday, March 3 while crews work on sewer main replacement. Work is also expected on the following weekend, Saturday, March 9 and Sunday, March 10.
- Eastbound traffic will be slightly detoured, and parking will be restricted on the south side of Geary Boulevard between Presidio Avenue and Lyon Street.
- No bus stops will be affected. Inbound 38/38R Geary buses will be slightly rerouted, which will add some travel time.

Questions or concerns? Contact us at GearyRapid@SFMTA.com or 415.646.2300.

UPDATE: Van Ness Improvement Project

On Friday, March 1, between the hours of 8 p.m. and 7 a.m., crews are scheduled to work on street light conduits and on sewer main installation at the following locations:

- Van Ness at Union Street
- Van Ness at Sacramento Street
- Van Ness at Sutter Street
- Van Ness at McAllister Street
- Van Ness at Oak Street. Intensive noise expected

Because some work requires reducing Van Ness Avenue to one lane in each direction, some work is limited to nighttime hours. Construction scheduling is subject to change due to weather delays or unexpected field conditions. For more project details and the latest construction updates, visit sfmta.com/vanness.

CONSTRUCTION WORK AND OTHER UPDATES *continued*

ONGOING: Muni Metro Elevator Safety Modernization Project

Since Monday, January 21 and continuing for about ten weeks, the inbound platform elevator at Church Station has been out of service for about ten weeks while the SFMTA has been working on upgrading the unit.

While the elevator is out of service, customer can use the following options to access Church Station:

- **Take an inbound train for L Taraval, M Ocean View , K Ingleside/T Third Streets lines or S Shuttle** - Customers can exit at Van Ness Station, proceed to the outbound platform and take any L, M, K/T or S lines to Church Station.
- **Heading inbound from Church Station** – Customers can use the outbound elevator to access any outbound train, get off at Castro Station, proceed to inbound platform and take any inbound train to continue travel.
- **Accessible service to the Church and Market area is available on the following Muni routes or lines:**
 - J Church (Accessible stops at Duboce and Church as well as inbound at Church at Market)
 - N Judah (Accessible stop at Duboce and Church)
 - F Market & Wharves (serves Church, Van Ness and Castro stations)
 - 37 Corbett (serves Church and Castro stations)
- **Customers with disabilities** can use station escalators to access the inbound platform.

Upon completion of this upgrade work at Church Station, the SFMTA will begin working on elevators at Castro and Forest Hill stations. The entire upgrade project is expected to take about four years to complete.

ONGOING: UCSF Mission Bay Arena Platform Project

In anticipation of the new Golden State Warriors' Chase Center, the SFMTA is constructing a new 320-foot center platform along 3rd Street between South and 16th streets. The existing platform will be demolished. The new track alignment will include one single and one double crossover to facilitate the movement of vehicles as operations requires. Other associated work includes modification of the overhead contact system, and both above and below ground utility relocation work. Construction will require four phases that will necessitate three separate transit service plans. For more information visit www.SFMTA.com/MissionBayPlatform.

ONGOING: UCSF Mission Bay Arena Platform Project *continued*

Buses are providing T Third service from Tuesday, January 22 through March 2019 in order to accommodate the next phases of construction. Once the T Third returns to train service, the Muni platform at UCSF Mission Bay will remain out of service through late April 2019. The T Third will continue to operate but will skip that stop. Customers should board at Mission Rock and Mariposa stations.

E Embarcadero and 83X Mid-Market Express are temporarily canceled since Tuesday, January 22 and continuing through March. Alternative routes include 47 Van Ness for the 83X and the N Judah and F Market & Wharves for the E.

As of Saturday, February 9, at least one lane northbound and one lane southbound are open along 3rd Street between 16th and South streets.

ONGOING: Construction of Mission Bay Loop

The SFMTA has resumed construction on 18th, 19th and Illinois streets, the project is expected to be completed in spring 2019. Traffic, including travelling by bike, may be affected by the construction work. All work areas will be clearly marked and there will be flaggers to help direct traffic. In order to conduct the work, parking on both sides including along the historical Crane Cove Park fence (east side of Illinois Street) will be removed 24 hours, 7 days a week from 18th to 19th and Illinois streets for the duration of the project.

A partial street closure is currently in effect in order to accommodate duct bank work on Illinois Street between 18th and 19th streets through spring of 2019. Outer traffic lanes traveling both north and south on Illinois Street will remain open for through traffic. Immediately following the duct bank work, the track work will begin.

Local access to properties along the project site will be maintained. For project details or to sign up to receive project updates, visit: <https://www.sfmta.com/missionbayloop>.
