The current practice as established by the SFMTA Employee Relations Operating Resolution will continue for supervisory classes. The Union will be notified within seven (7) calendar days of any such assignments.
3. Whenever a new class is created by the SFMTA Department of Human Resources which is the result of consolidation or splitting off of one or more former classes, and in those instances when the duties and responsibilities of the new class(es) are the same or similar to those of the former class(es), then the bargaining unit assignment and representation shall continue to be the same as

for the former class(es) without notice and appeal procedures required by the CSC Rule and provisions of the SFMTA Employee Relations Operating Resolution.

4. Should there be a dispute regarding appropriate Unit assignment of any such classification(s), such dispute shall be resolved in accordance with the grievance and arbitration procedure.

Applicability of the Agreement to All Newly Recognized Classifications

Such classifications shall also receive the appropriate differentials and premiums applicable to related classifications.
6. Issues related to classification descriptions shall be subject to the meet and confer process with final review by the Civil Service Commission. Issues related to the effects of classification decisions on hours, wages, terms and conditions of employment shall be subject to negotiations and interest arbitration.

B. INTENT

7. It is the intent of the parties signatory hereto that the provisions of this Agreement shall become binding upon adoption or acceptance by the SFMTA and ratification by the general memberships of the Unions of the Joint Council or upon a final decision rendered by an arbitration panel pursuant to the interest arbitration procedure under Charter Section 8.409.
8. Upon adoption, the provisions of this Agreement shall supersede and control over contrary or contradictory Charter provisions, ordinances, resolutions, rules or regulations of the City and the SFMTA to the extent permissible by Charter Section 8.409.
9. In the event the parties reach a tentative agreement, the SFMTA Human Resources Director and the Union negotiating team shall present a full tentative agreement, signed by the SFMTA Human Resources Director and representatives of the Union negotiating team, to the City and the Union general memberships for ratification within sixty (60) days of signing such full tentative agreement together with their recommendations.

C. MANAGEMENT RIGHTS

11. Except to the extent there is contained in this Agreement express and specific provision to the contrary, nothing herein shall be construed to restrict any legal city rights concerning direction of its work force, or consideration of the merits, necessity or organization of any service or activity provided by the SFMTA. The SFMTA shall also have the right to determine the mission of its constituent departments, officers, boards and commissions; set standards of services to be offered to the public; and exercise control and discretion over the city's organization and operations. The SFMTA may also relieve employees from duty due to lack of work or funds, and may determine the methods, means and personnel by which the SFMTA's operations are to be conducted.

12. However, the exercise of such rights does not preclude represented employees or the union from utilizing the grievance procedure to process grievances regarding the practical consequences of any such actions on wages, hours, benefits or other terms and conditions of employment.

D. NO WORK STOPPAGE

13. It is mutually agreed and understood that during the period this Agreement is in force and effect the Union will not authorize or engage in any strike, slowdown, or work stoppage. E. OBJECTIVE OF THE PARTIES

14. It is agreed that the delivery of municipal services in the most efficient, effective and courteous manner is of paramount importance to the SFMTA and its employees. Such achievement is recognized to be a mutual obligation of the parties to this Agreement within their respective roles and responsibilities.
15. Recognizing the challenging fiscal realities facing San Francisco and the State of California, the parties agree that in order to preserve City services and employment, they must work cooperatively to identify operational efficiencies, explore additional sources of revenue, and, if necessary, reduce the size of the City workforce through attrition, retraining and reorganization. The parties further agree that it is in their mutual interest to avoid unnecessary reductions in direct public services and to prevent existing City employees from becoming jobless and therefore they mutually agree that they shall focus their efforts to maintain programs and public service jobs to the fullest extent possible

F. UNION SECURITY

Application

16. Except as provided otherwise herein, and in accordance with applicable federal, state and local law, the provisions of this Section shall apply to all service critical employees of the SFMTA in all classifications represented by the Union.

In order for the Controller to deduct membership dues, the Union must certify to the City, in accordance with procedures established by the Controller's Office in effect as of April 29, 2019, that the Union has and will maintain authorizations for the dues deductions, signed by the employees from whose salary or wages the City will make the dues deductions.

All such lists shall contain the employee's name, employee number, classification, department number and the amount deducted. A list of all employees in represented classes shall be provided to the Union monthly.

- 19. Nothing in this Section shall be deemed to have altered the SFMTA’s current obligation to make insurance program or political action deductions when requested by the employee.
- 20. The Union shall be entitled to collect, through the payroll deduction method, membership dues, COPE deductions, and any special membership assessments, and through that system, may make changes as may be required, from time-to-time, subject to the Union providing certification that it has and will maintain an authorization for the applicable deductions, signed by the employee from whose salary or wages the City will make the deductions. The Union shall give the Controller appropriate written notice of any changes in existing deductions, or the establishment of new bases for deduction, in accordance with the procedures established by the Controller’s Office in effect as of April 29, 2019.
- 21. At the time of fingerprint processing, the City will provide new permanent and provisional employees represented by SEIU Local 1021 with a Union-provided packet of information regarding the Union. The Union will provide this information in sealed envelopes, one of which will be distributed to each new employee. The City may advise such employees that the packet is being provided pursuant to a Memorandum of Understanding with the Union and the contents are neither known nor endorsed by the City.

Except in emergency situations, an investigative, disciplinary or grievance meeting shall be rescheduled if a Shop Steward is denied release time.

44. Shop stewards shall not interfere with the work of any employee. A shop steward may interview an employee during the employee's regular work time in order to investigate or process a grievance or disciplinary appeal with the approval of the employee's supervisor, which shall not unreasonably be withheld.
45. Stewards shall be responsible for the performance of their work load, consistent with release time approved pursuant to rules established herein.
46. Stewards shall receive timely notice of and shall be permitted to make appearances at departmental orientation sessions in order to distribute union materials and to discuss employee rights and obligations under this Agreement.

Notwithstanding any other provision of this section, the SFMTA Executive Director may propose pursuant to the SFMTA’s standard procedures to contract out work currently performed by existing employees (a) where external funding sources require the use of outside third parties to perform services; or (b) in emergency situations, as determined by the SFMTA Executive Director and upon a majority vote of the SFMTA Board of Directors.
96. Should the SFMTA Executive Director determine that the restrictions contained in this section unduly interfere with the SFMTA’s ability to provide appropriate services to the diverse communities within the SFMTA, the SFMTA Executive Director and the Union agree to meet in order to resolve the concerns. If the Mayor and the Union cannot mutually agree, the matter shall be submitted to an arbitrator, selected pursuant to the provisions of Article IV (Grievance Procedure) of this Agreement, who shall decide the issue of whether a proposal to contract out work may be initiated by the SFMTA Executive Director.

281. If the provisions of this section deprive an employee of the same number of holidays that an employee receives who works Monday through Friday, the employee shall be granted additional days off to equal such number of holidays. The designation of such days off shall be by mutual agreement of the employee and the appropriate supervisor with the approval of the appointing

officer. In no event shall the provisions of this section result in such employee receiving more or less holidays than an employee on a Monday through Friday work schedule. Departments will use their best efforts to grant each employee qualifying for paid holidays at least one (1) of the following two (2) holidays off: Christmas Day and the following New Year's Day. Such days off must be used in the current or next fiscal year after the day off has been earned.

Holiday Pay for Employees Laid Off

Part-time Employees Eligible for Holidays

284. Part-time employees who regularly work a minimum of twenty (20) hours in a biweekly pay period shall be entitled to holidays on a proportionate basis.
285. Regular full-time employees are entitled to 8/80 or 1/10 time off when a holiday falls in a biweekly pay period, therefore, part-time employees, as defined in the immediately preceding paragraph, shall receive a holiday based upon the ratio of 1/10 of the total hours regularly worked in a biweekly pay period. Holiday time off shall be determined by calculating 1/10 of the hours worked by the part-time employee in the biweekly pay period immediately preceding the pay period in which the holiday falls. The computation of holiday time off shall be rounded to the nearest hour.
286. The proportionate amount of holiday time off shall be taken in the same or next fiscal year in which the holiday was provided. Holiday time off shall be taken at a time mutually agreeable to the employee and the appointing officer.

Time Off for Voting

287. If an employee does not have sufficient time to vote outside of working hours, the employee may request so much time off as will allow time to vote, in accordance with the State Election Code.

G. SALARY STEP PLAN AND SALARY ADJUSTMENTS

Salary Step Plan

288. Appointments to positions in the SFMTA shall be at the entrance rate established for the position except as otherwise provided herein.
1. Promotive Appointment in a Higher Class
289. An employee who is a permanent appointee following completion of the probationary period or an employee who has served six (6) months of continuous service, and who is appointed to a

position in a higher classification, deemed to be promotive by the SFMTA Human Resources Department shall have the employee’s salary adjusted to a step in the promotive class as follows:

290. a. If the employee is receiving a salary in the employee’s present classification equal to or above the entrance step of the promotive class, the employee’s salary in the promotive class shall be adjusted to two (2) steps to the closest step representing a 10% increase in the salary grade over the salary received in the lower class but not above the maximum of the salary range of the appropriate classification.

291. b. If the employee is receiving a salary in the employee’s present classification which is less than the entrance step of the salary range of the promotive classification, the employee shall receive a salary step in the promotive class which is closest to an adjustment of 10% above the salary received in the class from which promoted. The proper step shall be determined in the biweekly salary grade and shall not be above the maximum of the salary range of the promotive class.

2. Provisional to Promotive

292. A provisional appointee who accepts appointment to a promotive position from a regular eligible list shall have the employee’s salary in the promotive appointment based on the salary in the employee’s regular civil service next lowest rank position from which the employee gained promotive eligibility, except as herein provided.

293. If the following conditions are met, the salary in the promotive appointment shall be not less than the salary received under provisional appointment:

294. a. That the employee was serving under permanent provisional appointment for at least six (6) months immediately prior to accepting such regular promotive appointment.

295. b. That the employee received a salary above the entrance rate of the compensation schedule in the permanent limited tenure appointment.

296. c. That if the salary steps in the provisional class and the regular promotional class do not match, the employee shall be advanced to the salary step in the compensation schedule nearest that received in the provisional appointment.

297. d. Further increments in the compensation schedule in the regular promotive class shall be based on the date of permanent appointment to the regular promotional appointment.

3. Nonpromotive Appointment

298. When an employee accepts an appointment in a class having the same or lower salary grade, the employee shall be placed at the step nearest to, but not less than their current salary, not to exceed the maximum of the salary grade.

4. Appointment Above Entrance Rate

299. Appointments may be made at any step in the salary grade under any one of the following conditions:

316. The Appointing Officer seeking such Appointment Above Entrance shall submit a written notice to the Union.
317. a. A former permanent City employee, following resignation with service satisfactory, is being reappointed to a permanent position in the employee’s former classification.
318. b. Loss of compensation would result if appointee accepts position at the normal step.
319. c. A severe, easily demonstrated and documented recruiting and retention problem exists, such that all city appointments in the particular class should be above the normal step.
320. d. The appointee possesses special experience, qualifications and/or skills which, in the Appointing Officer's opinion, warrants appointment above the entrance rate.
321. e. If a new employee is hired above Step 1 under section (4)(c) above, all incumbents in the same classification shall be advanced to the same step at which the new employee is hired. In this case, the incumbents shall maintain their original anniversary date in the class for future step increases.

5. Appointive Position

322. An employee whose position is affected by the provisions of II.D. Layoff of this Agreement and is thereupon appointed to another appointive position shall receive a salary in the second position based upon the relationship of the duties and responsibilities and length of prior continuous service.

6. Reappointment Within Six Months

323. An employee who resigns and is subsequently reappointed to a position in the same classification within six (6) months of the effective date of resignation shall be reappointed to the same salary step that the employee received at the time of resignation.

Compensation Adjustments

1. *Prior Fiscal Year Promotion*

324. When an employee promoted to a higher classification during a prior fiscal year receives a lesser salary than if promoted in the same class and from the same salary step during the current fiscal year, the employee’s salary shall be adjusted on July 1 to the rate the employee would have received had the employee been promoted in the current fiscal year.
325. The salary and anniversary increment date shall be adjusted for any employee promoted from one class to a higher classification who would receive a lesser salary than an employee promoted at a later date to the same classification from the same salary step in the same base class from the promotional examination was held.

2. *Salary Increase in Next Lower Rank Classification*

326. When a classification that was formerly a next lower rank in a regular civil service promotional examination receives a salary schedule higher than the salary schedule of the classification to which it was formerly promotive, the rate of pay to an employee who was promoted from such

lower class shall be equivalent to the salary the employee would have received had the employee remained in such lower class.

3. *Flat Rate Converted to Salary Range*

327. An employee serving in a class in the prior fiscal year at a flat rate which flat rate is changed to a compensation schedule number during the current fiscal year shall be paid on the effective date of such change the step in the current salary schedule closest to, but not below, the prior flat rate and shall retain the original anniversary date for future increments, when applicable.

4. *Continuation of Salary Step Earned Under Temporary Appointment*

328. When an employee is promoted under temporary appointment to a higher classification during a prior fiscal year and is continued in the same classification without a break in service in the current fiscal year, or is appointed to a permanent position in the same classification, such appointment shall be in accordance with the provisions of this Agreement, provided that the salary shall not be less than the same step in the salary schedule the employee received in the immediately prior temporary appointment.

5. *Credit for Non Permanent Service*

329. A non permanent employee who has completed six (6) months or more of non permanent employment within the immediately preceding one (1) year period before appointment to a permanent position in the same class shall be appointed at the next higher step in the one (1) year required service from the date of permanent appointment. These provisions shall not apply to non permanent employees who are terminated for unsatisfactory services or resign their non permanent position.

6. *Salary Anniversary Date Adjustment.*

330. Permanent employees working under provisional appointment in other classifications or temporary appointments from eligible lists in other classifications shall have their salary adjusted in the provisional or temporary class when such employees reach their salary anniversary date in their permanent class.

Compensation Upon Transfer or Reemployment

1. *Transfer*

331. An employee transferred from one department to another, but in the same classification, shall transfer at the employee's current salary, and if the employee is not at the maximum salary for the class, further increments shall be allowed following the completion of the required service based upon the seniority increment anniversary date in the former department.

2. *Reemployment In an Intermediate Classification*

332. An employee who has completed the probationary period in a promotive appointment that is two or more steps higher in an occupational series than the permanent position from which promoted and who is subsequently laid off and returned to a position in an intermediate ranking classification shall receive a salary based upon actual permanent service in the higher classification, unless such salary is less than the employee would have been entitled to if promoted directly to the intermediate

classification. Further increments shall be based upon the increment anniversary date that would have applied in the higher classification.

3. *Reemployment In a Formerly Held Classification*

333. An employee who has completed the probationary period in an entrance appointment who is laid off and is returned to a classification formerly held on a permanent basis shall receive a salary based upon the original appointment date in the classification to which the employee is returned. An employee who is returned to a classification not formerly held on a permanent basis shall receive a salary based upon actual permanent service in the classification from which laid off.

Salary Step Placement Resulting from Status Grant

334. Employees who are granted status in another class where the salary grade is higher than the current class shall be placed at the same salary step in the new class as the employee was at in the former class and maintain the employee’s anniversary date.

H. NON-PERMANENT EMPLOYEES

Testing of Non-Permanent Employees

335. The Union and the SFMTA shall meet upon the request of either party regarding classifications that have excessive numbers of non-permanent employees. If deemed by the parties to be useful, they may establish a joint committee for the purpose of reaching an agreement which shall be submitted to the Civil Service Commission for approval, if required by Charter. Nothing herein shall be construed, however, as the Union's agreement to proceed with rule of the list appointments in a manner other than the process previously established between the Union and the Civil Service Commission under Rule 413.

336. Non-permanent employees with two years or more of continuous service in class and who: (a) are available for appointment from an eligible list, and (b) are displaced because of the appointment of another eligible, and (c) are not offered employment in a comparable position, shall receive severance pay as follows:

two to three years of service in class	one weeks of pay per year of service
four to nine years of service in class	two weeks of pay per year of service
ten or more years of service in class	three weeks of pay per year of service

Part-Time Employees

337. A represented employee working less than full-time, who would not receive a salary increment adjustment otherwise, shall be granted a one-time step increase, not to exceed top step of class, when the employee completes 1040 hours of service in the employee’s classification.

Seniority

338. The first date of hire in a classification shall be used to break seniority ties of permanent employees in the same classification who have gained or shall have gained permanent status under ATP.

I. SENIORITY INCREMENTS

i. Entry at the First Step

Advancement Through Salary Steps

341. Except as otherwise provided herein, employees shall advance to each successive step upon satisfactory completion of one (1) year of required service.
342. An employee shall not receive a salary adjustment based upon service as herein provided if the employee has been absent by reason of suspension or on any type of leave without pay (excluding a military, educational, or industrial accident leave) for more than one-sixth of the required service in the anniversary year, provided that such employee shall receive a salary increment when the aggregate time worked since the employee's previous increment equals or exceeds the service required for the increment, and such increment date shall be the employee's new anniversary date; provided that time spent on approved military leave or in an appointive or promotive position shall be counted as actual service when calculating salary increment due dates.
343. Each year of satisfactory service normally shall make an employee eligible for consideration for salary advancement within the salary range of the employee's classification, except where such employee is in a class for which there is a single rate of pay. If an employee's service is not deemed satisfactory, based on a written performance appraisal, the employee may not be eligible for consideration for salary advancement.
344. If an employee does not receive a performance appraisal within forty-five (45) days after the employee's anniversary date, or the date the appraisal is due and a written notice of intent to withhold the increase no later than fifteen (15) days before the step increase due date, and the employee is scheduled for a step increase, the appraisal for said year shall be considered satisfactory and any step increase due will be provided to the employee retroactively to the employee's anniversary date. Denial of a step increase is subject to appeal through the expedited arbitration procedure of this Agreement.

ii. Date Increment Due

345. Increments shall accrue and become due and payable on the next day following completion of required service as an employee in the class.

346. An employee who (1) is "laid off" from a permanent appointment, (2) is immediately and continuously employed in another classification with the City, either permanent or temporary, and

(3) is thereafter re-employed in the employee’s permanent position without a break in service, shall, for the purposes of determining salary increments, receive credit for time served while laid off from the employee’s permanent appointment.

J. HEALTH PLAN

Health and Dental Benefits

347. Maintenance of Benefits: The current benefits level shall be maintained for the duration of this agreement.

348. Effective July 1, 2014, the SFMTA shall be obligated to contribute the same monthly amount towards employee health benefits as it did on June 30, 2014, and shall continue to make contributions at that level until December 31, 2014. To the extent the SFMTA does not, for any reason, make timely contributions set forth above, then it shall hold the affected employees harmless for any additional contributions up to the negotiated amount for said period of delay.

Health Coverage Effective January 1, 2015

349. Effective January 1, 2015, the contribution model for employee health insurance premiums will be based on the city’s contributions of a percent of those premiums and the employee’s payment of the balance (Percentage-Based Contribution Model), as described below:

4) Contribution Cap

353. In the event HSS eliminates access to the current highest cost plan for active employees, the SFMTA contribution under this agreement for the remaining two plans shall not be affected.

5) Average Contribution Amount

354. For purposes of this agreement, to ensure that all employees enrolled in health insurance through the City’s Health Services System (HSS) are making premium contributions under the Percentage-Based Contribution Model, and therefore have a stake in controlling the long term growth in health insurance costs, it is agreed that, to the extent the SFMTA's health insurance premium contribution under the Percentage-Based Contribution Model is less than the “average contribution,” as established under Charter section A8.428(b), then, for the life of this agreement, expiring June 30, 2017, in addition to the SFMTA’s contribution, payments toward the balance of the health insurance premium under the Percentage-Based Contribution Model shall be deemed to apply to the annual “average contribution.” The parties intend that the SFMTA’s contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model. The parties intend that, for the life of this agreement, expiring June 30, 2017, the SFMTA’s contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

358. The Committee shall be comprised of four (4) Union appointees, four (4) City appointees, (two (2) of which may be HSS appointees), another Union appointed SFMTA employee, and another appointee either from SFMTA or the City, their choice, bringing the Committee size to ten (10) members. The City and/or SFMTA shall provide the Union members of the Committee, including witnesses to testify before the Committee, with fully-paid release time to participate in Committee meetings and caucuses.

- 359.** Employees who enroll in the Delta Dental PPO Plan shall pay the following premiums for the respective coverage levels: \$5/month for employee-only, \$10/month for employee+1 or \$15/month for employee+2 or more dependents.

M. BENEFITS WHILE ON UNPAID LEAVE OF ABSENCE

- 365.** The SFMTA will cease payment of any and all contributions for employee health and dental benefits for those employees who remain on unpaid status in excess of twelve (12) continuous weeks, with the exception of approved sick leave, workers' compensation leave, family care leave, or mandatory administrative leave. Following expiration of the employee's family care leave, the employee may request personal leave due to hardship (pursuant to the procedures of the SFMTA Department of Human Resources). Paid benefits shall continue during this approved personal leave. In addition, the SFMTA will continue payment of all regular contributions for employee health and dental benefits for an employee on a holdover list during the time period that the employee verifies that the employee does not have alternative health care coverage. Such service shall not result in a loss of applicable shift differential.

- 403. Once an employee or classification is enrolled in the State Disability Insurance Program, these benefits shall continue for the employee or classification regardless of any reassignment or reclassification which may occur.
- 404. An employee entitled to SDI shall receive in addition thereto such portion of the employee’s accumulated sick leave with pay as will equal, but not exceed, the regular biweekly "take home" earnings of the employee, excluding optional deductions. Such supplementary payments shall continue for the duration of the employee's illness or disability or until sick leave with pay credited to the employee is exhausted, whichever occurs first.
- 405. At an employee's option, an employee's accrued vacation, holiday, and compensatory time off can also be integrated with SDI payments in the same manner as sick leave.
- 406. During the term of the agreement, all classifications added to the SEIU bargaining unit, where other members of the bargaining unit are covered by State Disability Insurance, shall automatically be covered by SDI.
- 407. The City agrees to continue participating in the State Unemployment Insurance Program as long as applicable laws so require.

U. FAIR LABOR STANDARDS ACT

- 408. To the extent that the Agreement fails to afford employees the overtime or compensatory time off benefits to which they are entitled under the Fair Labor Standards Act, the Agreement is amended to authorize and direct SFMTA to ensure that their employees receive, at a minimum, such Fair Labor Standards Act benefits.

V. EMPLOYEE ASSISTANCE PROGRAM

- 409. The existing Collective Bargaining Agreement sets forth the EAP program between SFMTA and SEIU (attached).

W. DIRECT DEPOSIT OF PAYMENTS

- 411.** The Citywide “Paperless Pay” Policy applies to all SFMTA employees covered under this Agreement.
- 412.** Under the policy, all employees shall be able to access their pay advices electronically on a password protected site, and print them in a confidential manner, using SFMTA Internet, computers and printers. Such use of SFMTA equipment shall be free of charge to employees, is expressly authorized under this section of the Agreement, and shall not be considered “inappropriate use” under any SFMTA policy. Pay advices shall also be available to employees on a password protected site that is accessible from home or other non-worksites computers, and that allows the employees to print the pay advices. Employees without computer access or who otherwise wish to receive a paper statement shall receive assistance to print hard copies of their pay advices through their payroll offices upon request, on a one-time or ongoing basis.
- 413.** In addition to payroll information already provided, the pay advices shall reflect usage and balance (broken out for vacation, sick leave, etc.) the employee’s hours of compensatory time, overtime, and premiums earned during the relevant payroll period. The SFMTA shall maintain electronic pay advices and/or wage statements for at least seven (7) years.
- 414.** Under the policy, all employees will have two options for receiving pay: direct deposit or bank pay card. Employees not signing up for either option will be defaulted into bank pay cards.
- 415.** Every employee shall possess the right to do the following with any frequency and without incurring any cost to the employee:
1. Change the account into which the direct deposit is made;
 2. Switch from the direct deposit option to the bank pay card option, or vice versa; and
 3. Obtain a new bank pay card the first time the employee’s pay card is lost, stolen or misplaced.
- 416.** The SFMTA assures that the bank pay card shall be FDIC insured. The SFMTA further assures that in the event of an alleged overpayment by the SFMTA to the employee, the SFMTA shall not unilaterally reverse a payment to the direct deposit account or bank pay card.
- 417.** The parties mutually agree that employees may print out pay advices during work hours.

X. PAID SICK LEAVE ORDINANCE

- 418.** San Francisco Administrative Code, Chapter 12W, Paid Sick Leave Ordinance, is expressly waived in its entirety with respect to employees covered by this Agreement.

ARTICLE IV – GRIEVANCE PROCEDURE & PERSONNEL FILES

A. GRIEVANCE PROCEDURE

i. Definition

419. A Grievance shall be defined as any dispute which involves the interpretation or application of, or compliance with this Agreement, discipline or discharge.

ii. Grievance Description

420. The Union and the SFMTA agree that the following guidelines will be used in the submission of grievances:

- a. The basis and date of the grievance as known at the time of submission;
- b. The section(s) of the contract which the Union believes has been violated;
- c. The remedy or solution being sought by the Grievant.

Procedure

421. Only the Union shall have the right on behalf of a disciplined or discharged employee to grieve the discipline or discharge action.

422. Except for grievances based on alleged violations of Article III. D. (Out of Class Work, Acting Assignment), in no event shall a grievance include a claim for money relief for more than a thirty (30) working day period prior to the initiation of the grievance. For grievances based on alleged violations of Article III. D. (Out of Class Work, Acting Assignment), in no event shall a grievance include a claim for money relief for more than a forty five (45) working day period prior to the initiation of the claim as described in Article III. D. In the event that the parties agree to settle a grievance through a formal settlement agreement containing a back pay provision or in the event that an arbitrator makes an award pursuant to this CBA's grievance procedure that includes back pay, the SFMTA will issue a payment in the appropriate amount within 90 days from the date the settlement agreement is fully executed or, in the case of an arbitration award, within 90 days from either: (a) the date of receipt of an arbitration award that sets forth a specific dollar amount of back pay; or (b) the date the parties verify and agree on the specific back pay calculation. If the SFMTA does not meet this 90-day deadline, the grievant(s) shall be entitled to interest at the rate of 5% per year beginning on the 91st day until the date the payment is issued. In the event that either party moves to judicially challenge the arbitration award, the ninety (90) day deadline shall apply upon the resolution of such challenge, assuming the resolution to the judicial challenge is final and contains a specific dollar amount as discussed above.

423. The management representative named in the Steps of this grievance procedure may appoint a designated representative to act on the management representative's behalf with the accompanying authority to settle the grievance at the appropriate grievance step.

Time Limits

424. The parties have agreed upon this grievance procedure in order to ensure the swift resolution of all grievances. It is critical to the process that each step is followed within the applicable timelines.

Steps are skipped only with the express, prior approval of the other party, except as outlined in paragraphs below.

425. All time limits referred to in this section are binding on each party.
426. A time limit may be extended by the Union and the Management Official responsible for the decision making at the particular step of the process by agreement entered into prior to the expiration of the time limit. This agreement must be confirmed in writing by the party initiating the extension request. Failure by the Union to follow the time limits, unless mutually extended, shall cause the grievance to be withdrawn. Failure of the SFMTA to follow the time limits shall serve to move the grievance to the next step.
427. Any deadline date under this procedure that falls on a Saturday, Sunday or Holiday shall be continued to the next business day.

Employee Grievance Procedure

428. An employee having a grievance may first discuss it with the employee's immediate supervisor, or the next level in management, to try to work out a satisfactory solution in an informal manner. The employee may have a representative at this discussion.

1. Step I Immediate Supervisor

429. If a solution to the grievance, satisfactory to the employee and the immediate supervisor is not accomplished by informal discussion, the Union may pursue the grievance further.
430. The Union shall submit a written statement of the grievance to the immediate supervisor within fifteen (15) calendar days of the facts or event giving rise to the grievance, or within fifteen (15) calendar days from such time as the employee or Union should have known of the occurrence thereof. In cases alleging sexual harassment, the time limit during which to file a grievance shall be four (4) months.
431. The immediate supervisor will make every effort to arrive at a prompt resolution by investigating the issue. The immediate supervisor shall respond in writing within five (5) calendar days.
432. Grievances related to a suspension of an employee may be submitted initially at Step II of this procedure within fifteen (15) calendar days of the date of final notice of disciplinary action.

2. Step II MUNI General Manager/Designee

433. If the grievance is not satisfactorily resolved in Step I, the written grievance shall be advanced, containing a specific description of the basis for the claim and the resolution desired, and submitted to the department head or designee within fifteen (15) calendar days of receipt of the Step I response. The parties shall meet within fifteen (15) calendar days, unless a mutually agreed upon alternative is established. The department head/designee shall, within fifteen (15) calendar days of receipt of the written grievance, or within ten (10) calendar days of the date the meeting is held, whichever comes later, respond in writing to the grievant and the Union, specifying the Department Head/designee's reason(s) for concurring with or denying the grievance.

3. Step III SFMTA Personnel/Labor Relations Manager/Designee

434. If the decision of the department head/designee is unsatisfactory, the Union may, within fifteen (15) calendar days after receipt of the Department's decision, submit the grievance in writing to the SFMTA Personnel/Labor Relations Manager/Designee.
435. The SFMTA Personnel/Labor Relations Manager/Designee or designee shall have fifteen (15) calendar days after receipt of the written grievance in which to review and seek resolution of the grievance and respond in writing.
436. Subject to applicable law, the SFMTA Personnel/Labor Relations Manager/Designee shall have authority to settle grievances at this step.

4. Step IV Final and Binding Arbitration

437. Should there be no satisfactory resolution at Step III, the Union has the right to submit and advance the grievance to final and binding arbitration within thirty (30) calendar days of receipt of the Step III response. On an annual basis, the City and the Union shall establish a Standing Arbitration Panel by each submitting a list of seven (7) arbitrators. The SFMTA agrees to utilize the same panel as established between the City and the Union. In any grievance referred to arbitration, the parties shall alternately strike from said List until a single name remains, and said arbitrator shall be designated to hear the matter. Whether the Union or City deletes the first name in the alternating process shall be determined by lot.
438. Except when a statement of facts mutually agreeable to the Union and SFMTA is submitted to the arbitrator, it shall be the duty of the arbitrator to hear and consider facts submitted by the parties.
439. The SFMTA and the Union must commence selecting the arbitrator and scheduling the arbitration within thirty (30) calendar days of SFMTA Human Resources Director's receipt of the Union's arbitration request. The parties agree to recommend to the selected arbitrator that the hearing be scheduled within ninety (90) calendar days of the arbitrator's selection. Should the designated arbitrator be unable to comply with this requirement, the parties shall by mutual agreement commence contacting other arbitrators on the panel, beginning with the last struck, until an arbitrator is selected who will meet such requirement.
440. The arbitrator shall have no authority to add to, subtract from, or modify the terms of this Agreement.
441. The parties shall encourage the arbitrator to make the arbitrator's awards within forty-five (45) calendar days following the receipt of closing arguments or briefs. The decision of the arbitrator shall be final and binding on all parties.
442. Each party shall bear its own expenses in connection therewith. All fees and expenses of the arbitrator and court reporter and report, if any, shall be borne and paid in full and shared equally by the parties. Transcript costs shall be paid separately by the party requesting the transcript. If parties mutually request, and the arbitrator agrees, a court reporter may not be required.

443. Individuals who may have direct knowledge of the circumstances relating to the grievance may be present at the request of either party at the hearing. In the case of employees of the City, they shall be compensated at an appropriate rate of pay for time spent.

Expedited Arbitration

444. Suspensions up to and including fifteen (15) days and written warnings shall be processed through an expedited arbitration proceeding. By mutual written agreement entered into, before or during Step III of the grievance procedure, the parties may submit other grievances to this expedited arbitration process. At least one day each month, if necessary or as needed, will be used for these grievances. The expedited arbitration shall be before an arbitrator to be mutually selected by the parties who shall serve until the parties mutually agree to remove the arbitrator or for twelve (12) months, whichever comes first. Alternatively, at the time of the selection of the arbitrator, either party may request a list of seven (7) appropriately experienced arbitrators from the American Arbitration Association from which the arbitrator will be selected by the method of striking names. The parties shall not use briefs. Every effort shall be made to have bench decisions followed up by written decisions. These decisions will be final and binding, and shall not be used in any other cases except those of the grievant involved. Transcription by a certified court reporter shall be taken but shall be transcribed only at the direction of the arbitrator.
445. Each party shall bear its own expenses in connection therewith. All fees and expenses of the arbitrator and court reporter and report, if any, shall be borne and paid in full and shared equally by the parties.
446. In the event that an expedited arbitration hearing is canceled resulting in a cancellation fee, the party initiating the request or causing the cancellation shall bear the full cost of the cancellation fee, unless a mutually agreed upon alternative is established.

Rights of Individuals

447. An employee may not be disciplined or discharged without just cause and without written notice of the intended action. The SFMTA agrees to follow the principles of progressive discipline.
448. Employees who are released or disciplined during their initial probationary period or during any probationary period established by this Agreement, may appeal the release or discipline provided that the grounds for the grievance or appeal shall be limited to a claimed violation of the provisions of Article II.A. (Discrimination Prohibited or Reasonable Accommodation). In such an appeal the employee shall bear the burden of proof with respect to the claimed violation.
449. Employees covered by this agreement with temporary status shall be subject to termination or dismissal for just cause only, and the rights described in these sections of the Agreement, including the right to expedited or regular arbitration, in the appropriate case, upon their completion of six (6) months of service.

Skelly Rights

450. An employee subject to suspension or discharge, shall be entitled, prior to the imposition of that discipline or discharge, to a hearing and to the following:

451. a. A notice of the proposed action; and
 b. The reasons for the proposed discipline; and
 c. A copy of the charges and the materials upon which the action is based; and
 d. The right to respond, either orally or in writing, to the authority initially imposing the discipline.
452. The Skelly meeting shall be presided over by a management representative who is not the employee’s immediate supervisor unless the SFMTA provides the opportunity for the employee to seek administrative review of the Skelly Officer’s recommendation prior to the Appointing Officer taking final disciplinary action.
458. Notwithstanding the provisions of Article III – Pay, Hours and Benefits, where an employee is subject to disciplinary suspension, the SFMTA may, with the employee’s agreement, have the employee to serve the suspension through a temporary reduction in pay. An employee's pay rate may be reduced up to 20% for sufficient time to result in a loss of pay equivalent to the pay that would have been lost during the suspension, had it been served, provided however that in no event shall a reduction in pay have the effect of reducing an employee's pay below any rate required by law.
459. The SFMTA agrees to engage in a similar process agreed to by the City to develop an SFMTA specific termination appeal process.

B. PERSONNEL FILES

460. Only one (1) official personnel file shall be maintained on any single employee. The official file shall be located in the SFMTA’s personnel office unless another location is designated and the employee notified in writing. Each employee shall have the right to review the contents of the employee’s official personnel file upon request. Nothing may be removed from the file by the employee but copies of the contents shall be provided to the employee at the employee’s request. Copies in excess of 100 pages shall be at a charge of 10 cents per page.
461. With the written permission of the employee, a representative of the Union may review the employee's personnel file when in the presence of a departmental representative and obtain copies of the contents upon request. Copies in excess of 100 pages shall be at a charge of 10 cents per page.
462. An employee shall have the opportunity to review, sign and date any and all material to be included in the file except routine matters chronicling job and pay charges. The employee may also attach a response to such materials within thirty (30) days of receipt. All material in the file must be signed and dated by the author. The SFMTA may transmit documents to the employee at the employee's last known address by means of U.S. mail or hand-delivery, except disciplinary notification, which must be sent by certified mail when the employee is on leave.
463. With the approval of the employee’s appointing officer or designees, the employee may include material relevant to the employee’s performance of assigned duties in the file.

464. No action to impose discipline against an employee shall be initiated more than thirty (30) days from the date the employer knows of the conduct after diligent and timely investigation except for conduct which would constitute the commission of a crime. Initiation of discipline for the purposes of this provision is the date of the charging letter or notice. The discipline imposed may take into account conduct which is documented in the employee's personnel file or was the subject of a prior disciplinary action.
465. Except for the specific disciplinary matters provided below, materials relating to disciplinary actions in the employee's personnel file which have been in the file three (3) years or more shall not be used. At the request of the employee, materials relating to disciplinary actions which are three (3) or more years old shall be removed, provided there has been no reoccurrence of the conduct on which the discipline was based. The performance evaluations are excluded from this provision.
466. Materials relating to disciplinary actions for misappropriation of public funds or property; misuse or destruction of public property; the use or being under the influence of drugs or alcohol at work; acts which would constitute a felony; acts which present an immediate danger to the public health and safety; or acts of harassment or discrimination based on protected status which have been in the employee's personal file for five (5) years or more shall not be used. At the request of the employee, material relating to such disciplinary actions which are five (5) or more years old shall be removed; provided there has been no reoccurrence of the conduct on which the discipline was based.
467. Notwithstanding the above, if an employee believes the employee's personnel file contains a personnel evaluation that negatively references employee's authorized and proper use of leave under the Family and Medical Leave Act (FMLA) or the California Family Rights Act (CFRA), the employee should notify the employee's department's Personnel Officer and/or Equal Employment Opportunity Officer, who shall review the matter and ensure any references to such use of FMLA or CFRA leave is removed from the evaluation.

Performance Information

468. Negative information regarding any individual employee's performance shall not be publicly displayed, except as may otherwise be required by law or court order. In no way does this section preclude the city from publicly recognizing positive employee performance.

 2. request a re-assignment, which shall not be unreasonably denied; or
 3. continue to refuse the work assignment.

If after consultation between the two, the dispute remains unresolved, it shall be submitted for final determination to a neutral arbitrator selected pursuant to the provisions of the section covering Expedited Arbitration or another mutually agreed upon third party.

- 553.** At the request of the employee, the appointing authority or designee at the level of Departmental Manager shall meet with the employee - and if the employee requests, a representative of the Union - prior to the imposition of a compulsory leave. as to equal the full salary the employee would have earned for the regular work schedule. The regular work schedule shall be that schedule in effect at the commencement of the disability leave.

- 558. Supplemental disability credits shall be an account separate from, but equivalent to, the employee's accumulated unused sick leave with pay credit balance except that the supplemental disability credit account shall be adjusted as provided below.
- 559. Failure to exercise the option to supplement disability indemnity payments within 90 calendar days following release from disability leave will preclude later requests.
- 560. Supplemental disability credits shall be used at the minimum rate in units of one hour.

When an employee has used sick leave with pay credits and the Retirement System subsequently determines that the employee was entitled to disability indemnity payment for the period of absence, provision shall be made for adjusting the employee's sick leave with pay credit balance and for reimbursing the appropriate SFMTA fund for the amount of sick leave with pay credits charged and paid.
- 564. An employee who uses supplemental disability credits to supplement disability indemnity payments shall, while on disability leave, earn supplemental disability credits at the same rate as sick leave with pay credits.
- 565. Upon return to duty, an employee who has used supplemental disability credits shall earn sick leave with pay credits at the normal rate and shall earn supplemental disability credits at twice the rate that sick leave with pay credits are earned until such time as the total hours of supplemental disability credits used are regained.

hour provides up to, but does not exceed, the regular take home salary the employee would have received (excluding voluntary or optional deductions) for the normal work schedule excluding overtime.

- 569.** An employee who wishes not to supplement, or who wishes to supplement with compensatory time, vacation or floating holidays, must submit a written request to the appointing officer or designee within seven calendar days following the first date of absence.

SECTION 12. NO WORK STOPPAGES

It is mutually agreed and understood that during the period this MOU is in force and effect, the Union will not authorize or engage in any strike, sympathy strike, slowdown or work stoppage. Represented employees are also bound by the above. The SFMTA agrees not to conduct a lockout against any of the employees covered by this MOU during the term of this agreement.

SECTION 13. TERM

This Departmental Supplementary Agreement will remain in effect until June 30, 2022 and will be re-negotiated at that time.

San Francisco Municipal Transportation Agency Service Critical (SFMTA) Labor Management Committee

SFMTA SERVICE CRITICAL LABOR MANAGEMENT COMMITTEE

The SFMTA and the Union understand and agree that it is the objective of all parties to provide quality services to residents in a work environment that is safe for employees and in which employees' concerns about their terms and conditions are discussed and addressed. To promote these shared goals, the parties agree to establish a SFMTA Labor Management Committee for SEIU-represented employees (the "SEIU-SFMTA LMC"). This agreement pertains only to SEIU-represented Service Critical employees of the SFMTA. This agreement formalizes and amends the existing LMC at SFMTA.

- a. Membership: The SEIU-SFMTA LMC shall be composed of the Director of the SFMTA or designee and a maximum of 13 core members appointed by the Union. Additionally, the Director or designee shall be permitted to bring additional management personnel as needed, including representatives of the SF Police Department and District Attorney. Upon the request of either the Union or SFMTA, DHR shall send a representative. Additional subject matter experts shall be permitted to attend meetings as necessary. Bargaining unit employees shall be released in advance of any meeting for reasonable caucus time and to attend the meeting, and employees shall not lose any wages or benefits for their attendance at the meeting.
- b. Purpose: The purpose of the SEIU-SFMTA LMC is to identify, discuss, and address issues surrounding SEIU-represented employees' terms and conditions in a constructive manner. The SEIU-SFMTA LMC members will investigate concerns that are brought to their attention and attempt to make unanimous recommendations to address concerns. The SFMTA shall promptly implement those recommendations made by the SEIU-SFMTA LMC members as long as any such recommendations are consistent with the San Francisco Charter, Codes, Civil Service Rules, SFMTA policies, other applicable law, and provisions of this Agreement.
- c. Meeting: The SEIU-SFMTA LMC shall meet on a monthly basis starting the month following ratification of this Agreement. The meetings shall normally be scheduled for the first Wednesday of each month, unless a different date in the month is mutually agreed upon by the SFMTA and the Union. Additionally, the regularly scheduled meeting may be canceled by mutual agreement of the Union and SFMTA. No later than seven (7) calendar days prior to the scheduled meeting, the SFMTA and the Union shall provide each other with their proposed agenda items to be discussed at the meeting. Other items shall not be discussed absent mutual agreement. The meetings shall be scheduled to last at least one (1) hour and in no event shall they last more than two (2) hours unless all members agree to extend the meeting.
- d. Dispute Resolution: At all times the SEIU-SFMTA LMC shall try to resolve issues through unanimous consensus. In the event there is no consensus, either party may request in writing within two weeks after the last meeting at which the issue was discussed, that the issue be

submitted to mediation. The Mediator shall be asked to meet only with the members of the SEIU-SFMTA LMC within fourteen (14) days or as soon as the Mediator is available at a location agreed to by the parties. The Mediator shall be empowered to listen to the parties' respective positions and to make a recommendation to the members of the SEIU-SFMTA LMC at the conclusion of the mediation, or no later than one week after, unless the parties mutually agree to give the Mediator additional time. The recommendation issued by the Mediator shall be in writing and deemed advisory in nature. The members of the SEIU-SFMTA LMC may, by mutual agreement, implement the Mediator's recommendation and the parties shall thereafter work together to make that implementation successful. If the Mediator's recommendation is not approved by mutual agreement of the SEIU-SFMTA LMC, the matter may be revisited by the SEIU-SFMTA LMC at a later date if mutually agreed to by the parties.

- e. Mediator: A Mediator shall be requested from the State Mediation and Conciliation Service unless the parties mutually agree to a different Mediator. No transcript or other recording of the mediation shall be made and the mediation shall be considered a part of the SEIU-SFMTA LMC process. Under no circumstances shall a Mediator be required to testify concerning the mediation. If there is a cost for the services of the Mediator, the parties shall jointly bear that expense.
- f. Resolution: The parties agree that either party may file a grievance regarding any failure by the other party to fulfill any procedural obligation that arises under this provision. Grievances under this provision shall commence at Step IV.
- g. Nothing in this provision shall abridge or otherwise modify any right guaranteed by another provision of this Agreement.

APPENDIX A: UNION ACCESS TO NEW EMPLOYEES PROGRAM

I. Purpose

The purpose of this agreement is to memorialize the rights and obligations of the San Francisco Municipal Transportation Agency (SFMTA or Agency) and the Union in accordance with CA Government Code Sections 3555-3559, through the creation of a single, Agency-wide Union Access to New Employees Program applicable to all SFMTA Divisions and all SFMTA Service-Critical Employee Unions.

II. Notice and Access

- A. The Agency shall provide the Union written notice of, and access to, new employee orientations (hereinafter NEOs) as set forth below. It is the Agency's policy that NEOs are mandatory for all newly-hired employees. It is the Agency's intent that NEOs take place as promptly as possible after the first day of employment. Within thirty (30) calendar days of the start of employment, newly-hired employees will be scheduled to attend the next available NEO. NEOs shall be scheduled during an employee's regularly scheduled, paid time. In the event that a newly-hired employee's regular schedule is outside of a scheduled NEO, the Agency may make a one-time adjustment to the employee's work schedule in order to accommodate this requirement.

In the event an employee does not attend the NEO that the employee was scheduled to attend, said employee will be automatically enrolled to attend the next available NEO. If the employee does not attend the subsequently scheduled NEO, the Union NEO Coordinator may contact the Agency NEO coordinator to arrange a meeting with the employee pursuant to Section E., below.

- B. Application: New employees include, but are not limited to, newly-hired employees whose positions are permanent, temporary, full-time, part-time, per diem, seasonal, provisional, or as-needed.
- C. Notice
1. Single Point of Contact: The Union agrees to provide the Agency with a single point of contact (hereinafter, Union NEO Coordinator) and the Agency agrees to provide the Union with a single point of contact for each Agency (hereinafter, Agency NEO Coordinator), which will be updated by the Agency and the Union on an as-needed basis.
 2. Notice of Schedule: For any NEO that takes place on a regular, recurring schedule, the Agency shall be responsible for providing annual notice to the Union. For NEOs that are not offered on a regular, recurring schedule, the Agency shall provide no less than ten (10) business days' notice. Said notices shall be provided by email, to the Union NEO Coordinator. This requirement shall apply to all NEOs in which Agency personnel provide newly-hired employees with information regarding

employment status, rights, benefits, duties, responsibilities, or any other employment-related matters.

3. Notice of Enrollment: Notice shall include a list of new employees represented by the Union scheduled to attend the NEO. The Agency will provide additional identifying information including, but not limited to, classification and unit/division. The Agency shall provide the foregoing information no less than five (5) business days prior to the NEO taking place. The Agency will make best efforts to notify the Union NEO Coordinator of any last-minute changes. Onboarding of individual employees for administrative purposes is excluded from this notice requirement.
- D. Access and Presentation: At all NEOs, the Union shall be afforded thirty (30) minutes to meet with represented new employees who are present, unless the Union's Memorandum of Understanding (MOU) provides for more than thirty (30) minutes. The right of the Union to meet with newly-hired employees is limited to only those employees whose classifications fall within the Union's bargaining unit. The Agency shall ensure privacy for the Union's orientation, and it shall take place without Agency representatives present. This requirement can be met by providing either a private room or a portion of a room with sufficient distance from other activities in the room to limit disruption. The Agency shall be responsible for including Union presentations on the agenda. The Union's presentation shall occur prior to any meal break, and will not be conducted during a scheduled break time. At least one (1) of the Union's representatives may be a Union member designated by the Union. Such member(s) shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member to attend the NEO. Release time shall not be unreasonably withheld. Said request shall be made to the Employee Relations Division no less than two (2) business days in advance of the scheduled NEO. The Union agrees to limit its presentation to only those matters stated in Section F., below.
- E. Alternate Procedures: In the event the Union identifies one or more new employees who did not attend the Union's presentation as described in Section A or D., above, the Union may contact the Agency NEO coordinator to schedule a mutually-agreeable thirty (30) minute time slot for the Union to meet privately with the new employee(s). If the number of such identified employees is five (5) or more at a particular location, the Union NEO Coordinator and Agency NEO Coordinator will work together to schedule a mutually agreeable thirty (30) minute time slot for the private meeting. At least one (1) of the Union's representatives may be a Union member designated by the Union, and such member shall be released to attend under the terms and conditions specified in the MOU.

If not otherwise provided for in the MOU, the Union may request release of a Union designated member as provided for in Section D., above. This alternate procedure shall also apply to any employee who has promoted or transferred into the bargaining unit.

1. The Union NEO Coordinator shall coordinate with the new employee(s) referenced in the preceding paragraph and the Agency NEO Coordinator to schedule a thirty (30) minute meeting during normally scheduled hours, which shall not be during

employee's break or meal period, for the Union representative(s) to meet privately with, and provide materials and information to, the new employee(s). Agency representatives shall not be present during said meeting. The Union agrees to limit its presentation to only those matters stated in Section G., below.

2. In the event the proposed time cannot be accommodated, the Union NEO Coordinator and the Agency NEO Coordinator shall work together to find a mutually agreeable time within ten (10) business days of the Union's request.
- F. Process for Periodic Union Orientations: By mutual agreement, the Union NEO Coordinator and the Agency NEO Coordinator may schedule periodic thirty (30) minute Union orientations. Periodic Union orientations may be scheduled on an every other month, quarterly, or other basis.
- G. Union Orientation Presentations: The Union agrees to limit its presentation to a general introduction to its organization, history, by-laws, and benefits of membership. The Union agrees not to engage in campaigning on behalf of an individual running for public elected office and ballot measures during the NEO, or other topics that would be considered beyond general discussion on the benefits of Union membership.

III. Data Provisions

Subject to the limitations contained in CA Government Code Section 3558, the Agency shall provide the Union with all required information on newly-hired employees to the extent it is made available to the Agency. In addition, within ten (10) business days of the conclusion of each NEO, the Agency agrees to provide the Union with a stand-alone report containing a list of employees, including classification code and unit/division, who were scheduled to, but did not attend each NEO.

IV. Hold Harmless

The Union agrees to hold the Agency harmless for any disputes that arise between the Union and any new employee over application of this Agreement.
