

San Francisco International Airport

NOTICE

December 2, 2021

TO: San Francisco Taxi Drivers
SUBJECT: **Taxi Autoload and Stand Updates**

Due to a significant rise in International arrivals traffic, we will begin pre-staging cabs at the International Terminal stand during certain peak hours. Please follow staff instructions if asked to go up to the International Terminal.

Effective December 6, 2021, the A-Card autoload minimum threshold will be \$11 instead of \$9, and the minimum autoload amount will be \$11 instead of \$10. This is equal to two (2) trips at \$5.50 each. The change is being made to ensure that funds start loading while there is still enough credit on the card to complete another journey in case there is a system delay in updating the card with the autoloading amount.
