Re: SFMTA CAC Recommendation

Dear Directors:

In our Citizens' Advisory Council meeting on December 1, 2022, the Council considered the following recommendation:

CAC MOTION 221201.02

In order to improve accessibility and the transit experience at Muni stops, the SFMTA CAC urges the SFMTA to, as soon and quickly as feasible, remove vehicle parking at all transit stops to the extent possible under its authority, making additional improvements as a follow-up where deemed necessary.

It is the opinion of the SFMTA Citizens' Advisory Council that the proposed recommendation would be of significant benefit to the citizenry of San Francisco and the San Francisco Municipal Transportation Agency.

Sincerely,

For

Michael Chen, Chair
SFMTA Citizens' Advisory Council
