

SAN FRANCISCO
MUNICIPAL TRANSPORTATION AGENCY
BOARD OF DIRECTORS

RESOLUTION No. 180619-093

WHEREAS, In March, 2018, three companies began operating shared electric scooter programs (Powered Scooter Share Programs) in San Francisco, resulting in a proliferation of Powered Scooters on sidewalks, streets, and other public right-of-ways; and,

WHEREAS, Powered Scooter Share Programs have the potential to complement San Francisco's existing transportation network by providing a sustainable last mile solution; and,

WHEREAS, Since the Powered Scooter Share Programs have begun operating, the City has received numerous complaints about these scooters being operated in a manner that is inconsistent with state law, including being operated on sidewalks, or left on sidewalks or in the public right-of-way so as to impede pedestrian traffic, including blocking access to stairways and doorways; and,

WHEREAS, On May 1, 2018 the SFMTA Board of Directors amended Division II of the Transportation Code to establish a pilot Powered Scooter Share Permit Program that authorized the SFMTA to issue permits to operators of Powered Scooter Share Programs and established permit fees, permit requirements and penalties for violations, including a fine amount of \$100 for parking an unpermitted Powered Scooter in the public right-of-way in violation of Section 7.2.111 of Division I of the Transportation Code; and,

WHEREAS, Meaningful enforcement is an important part of an effective permit program, and the ability to impose increased penalties for repeated violations, and issue citations for improperly parked scooters covered by Powered Scooter Share Permits, in addition to the existing authority to impose administrative penalties, will improve SFMTA's ability to ensure compliance with Powered Scooter Share Permit Program requirements; and,

WHEREAS, San Francisco City Charter Section 16.112 requires that published notice be given and a public hearing be held before any fee or any schedule of rates, charges or fares which affects the public is instituted or changed; and,

WHEREAS, In compliance with Charter Section 16.112, advertisements were placed in the City's official newspaper to provide notice that the Board of Directors will hold a public hearing on June 19, 2018 to increase penalties for Powered Scooter Share Permit Program violations; and,

WHEREAS, The Board's Rules of Order require that the advertisement run for at least five days with the last publication not less than fifteen days prior to the public hearing and advertisements ran in the City's official newspaper for five-days as follows: June 3, 2018, June 6, 2018, June 7, 2018, June 10, 2018, and June 13, 2018, resulting in four of these publication dates being less than fifteen days in advance of the June 19th SFMTA Board meeting; and,

WHEREAS, On June 1, 2018 staff contacted representatives of all companies known to the SFMTA to be operating, or considering operating, Powered Scooter Share Programs in San Francisco to inform them of the proposed changes; and,

WHEREAS, The SFMTA Board is requested to waive the Board's Rules of Order that require the last publication to be published not less than fifteen days prior to the public hearing; and,

WHEREAS, On April 10, 2018, the SFMTA, under authority delegated by the Planning Department, determined that the Powered Scooter Share Program is not a "project" under the California Environmental Quality Act (CEQA) pursuant to Title 14 of the California Code of Regulations Sections 15060(c) and 15378(b); and,

WHEREAS, A copy of the CEQA determination is on file with the Secretary to the SFMTA Board of Directors, and is incorporated herein by reference; now, therefore, be it

RESOLVED, That the San Francisco Municipal Transportation Agency Board of Directors waives the Board's Rules of Order that require the last date for publication of notice be not less than fifteen days prior to the public hearing; and be it further

RESOLVED, That the San Francisco Municipal Transportation Agency Board of Directors amends the Transportation Code, Division II, to revise the pilot Powered Scooter Share Permit Program by increasing the fines for repeated Powered Scooter Share Parking violations, and making technical corrections to clarify the scope of the fines, and the authority of the Director of Transportation to issue procedures governing the review of Powered Scooter Share Permit Program application and revocation decisions.

I certify that the foregoing resolution was adopted by the San Francisco Municipal Transportation Agency Board of Directors at its meeting of June 19, 2018.

(2) A Permittee may request review by a hearing officer of the Director of Transportation's decision to revoke a permit. The Director shall issue procedures governing review of these decisions.
