## NOTICE FROM THE SFMTA

# Parking Meter Installation Coming

In the coming weeks, the SFMTA will be installing new parking meters on this block.

Mission Bay blocks without parking meters tend to be very full with little parking turnover.

These new meters will help create more parking availability in the neighborhood.

The meters were approved in 2003 as part of broader Mission Bay redevelopment efforts.

Now that new streets have been built, new, easy to use meters are coming soon, allowing payment by coins, credit/debit cards, phone, mobile app and SFMTA parking cards.
