CAC MOTION 220407.02

The SFMTA CAC recommends that the agency promote its public-facing dashboard communicating subway average trip time and reliability data. This is valuable, understandable information about the agency that should be presented as proactively as possible.

It is the opinion of the SFMTA Citizens' Advisory Council that the proposed recommendation would be of significant benefit to the citizenry of San Francisco and the San Francisco Municipal Transportation Agency.

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael Chen'.

Michael Chen, Chair
