

Please Join Us for a
Community Meeting
on the
Central Subway Project

When: Thursday, November 7
7 p.m.

Where: The Creamery
685 4th Street, San Francisco

Construction of the Central Subway is starting soon on 4th Street from Harrison to Berry in SoMa. Work in this area includes utility relocations, installation of train tracks on 4th Street and construction of a station at 4th and Brannan.

At this meeting, the Central Subway team will inform the community about what to expect and answer any questions you may have. Speakers include the lead engineer for this phase of construction and the Central Subway outreach team.

About the Project: The Central Subway will extend the Muni Metro T Third Line along 4th Street and Stockton Street through SoMa, Union Square and Chinatown. When it opens, T Third Line trains will travel on the surface from 4th and King to 4th and Bryant, with a stop at 4th and Brannan. This important transit extension will cut travel times by more than half along this busy corridor.
