# THE EMBARCADERO ENHANCEMENT PROJECT

## Open House

THURSDAY, NOVEMBER 17, 2016 | 4:00 - 7:00 PM

PIER ONE ON THE EMBARCADERO

The Embarcadero Enhancement Project is an effort to re-envision The Embarcadero as a “Complete Street” with dedicated spaces for all modes of travel, including a new protected bikeway, creating a safer and more comfortable corridor for everyone.

Building on previous outreach efforts, the City and County of San Francisco has developed preliminary bikeway alignment options and Complete Street concepts for the corridor and wants to hear your feedback.

This open house will be an opportunity for the public to be introduced to the planning project, provide input, and learn more from the project team.
