MUNICIPAL TRANSPORTATION AGENCY
BOARD OF DIRECTORS

RESOLUTION No. 191001-122

WHEREAS, Effective 2019, California Vehicle Code (CVC) Section 5201 was amended to require that temporary license plates be replaced with permanent plates and the state established a penalty for violations; and,

WHEREAS, The CVC already establishes a violation and penalty for driving, moving, or leaving standing a vehicle with expired registration; and,

WHEREAS, Although state law established the applicable penalties for these violations, SFMTA staff recommend that the San Francisco Transportation Code be amended to include the applicable penalties for both violations; and,

WHEREAS, The penalty amount set by the state for failure to replace temporary license plates with permanent plates upon receipt of the permanent license plates is \$121, and for driving, moving, or leave standing a vehicle with expired registration is \$209, as listed in the State of California's Uniform Bail and Penalty Schedules, and the proposed legislation would amend the Transportation Code to reflect these amounts; and,

WHEREAS, On August 5, 2019, the SFMTA, under authority delegated by the Planning Department, determined that changes to Division II of the Transportation Code are not defined as a "project" under the California Environmental Quality Act (CEQA) pursuant Title 14 of the California Code of Regulations Sections 15060(c) and 15378(b); and,

WHEREAS, A copy of the CEQA determination is on file with the Secretary to the SFMTA Board of Directors, and is incorporated herein by reference; and

WHEREAS, The proposed action is an Approval Action as defined by the San Francisco Administrative Code Chapter 31; and

WHEREAS, In compliance with Charter Section 16.112 and the Rules of Order of the Board of Directors, published notice was placed in the City's official newspaper to provide notice that the Board of Directors will hold a public hearing on October 1, 2019 to consider the proposed fines; now, therefore be it
