

Overview

The 22 Fillmore Transit Priority Project also proposes to improve conditions for people on bicycles and enhance connections to the existing bicycle network. This includes intersection improvements and moving the bicycle lane onto 17th Street, from Kansas Street to Mississippi Street.

- Existing bicycle lane
- Existing bicycle route (with sharrows)
- 16th St. segment proposed to shift to 17th St.
- 17th St. project area

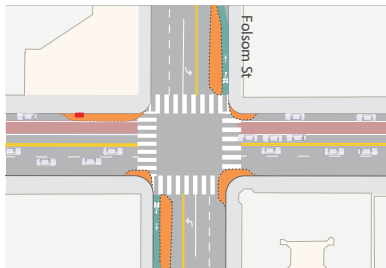

West to Castro District

East to Mission Bay

IMPROVED CONNECTIONS TO THE EXISTING BICYCLE NETWORK

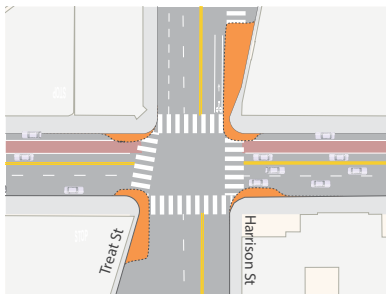

FOLSOM ST.

Boarding islands separating transit vehicles from people on bicycles

HARRISON ST.

Large bulbouts to make the intersections predictable for all users

PROPOSAL DETAIL 17TH ST Kansas to 7th/ Mississippi Streets

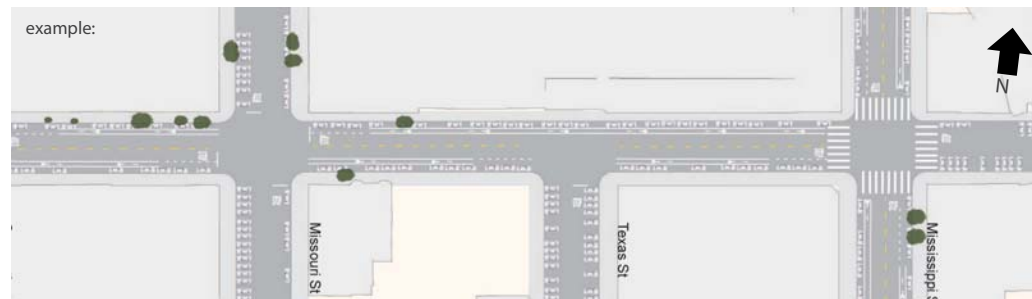

ALTERNATIVE 1

Potentially up to 4 new traffic circles to ensure a calm and smooth flow of bicycles and cars on 17th St.

ALTERNATIVE 2

Bike lanes in each direction on 17th St. from Kansas St. to Mississippi St.

West to Castro District

East to Mission Bay
