

San Francisco International Airport

## **NOTICE**

November 12, 2020

TO: San Francisco Taxi Drivers

SUBJECT: **Implementation of SFMTA Pickup Policy**

Beginning on Tuesday, December 1<sup>st</sup> 2020, the SFMTA has directed that only Purchased medallion taxis and Ramp taxis are permitted to pick up at SFO. To avoid the potential for initial shortages on December 1<sup>st</sup>, SFO will be slowly increasing the default “medallion ratio” between now and December 1<sup>st</sup>.

Beginning on Monday, November 16, the standard ratio will be 4 P to 1 K

Beginning on Wednesday, November 18, the standard ratio will be 5 P to 1 K

Beginning on Monday, November 23, the standard ratio will be 6 P to 1 K

The ratio will still vary up and down depending on the number of P taxis available (or not available) in the lot. If there are not enough P medallions at SFO, the ratio will be lower.

We are making these changes in advance to be sure that there is no risk of shortage on or immediately after December 1<sup>st</sup>.

Please contact the curbside management office at 650-821-2700 with any questions.
