Public hearings are held once a month at City Hall to legislate the installation of new colored zones. The zones usually recommended for this process are blue, green, white, and yellow. The purpose of the hearing is for residents to express their concerns regarding proposed changes affecting their streets. All interested parties are encouraged to attend. At the Public Hearing, the Hearing Officer will review the items and listen to residents, then make a final decision. Upon approval and payment of any applicable installation fees, zones will be installed as soon as scheduling permits.

Opinions on these proposed changes may be filed in writing prior to the hearing by email [[link to sustainable.streets@sfmta.com](mailto:sustainable.streets@sfmta.com)] with the subject line “Public Hearing.” Written opinions may also be transmitted to the Sustainable Streets Division via fax at 415.701.4737 or by mail: Color Curb Public Hearing, Sustainable Streets Division, One South Van Ness Avenue, 7th Floor, San Francisco, CA 94103-5417.
