

## San Francisco Pedestrian Safety Advisory Committee

August 13, 2013 – 6pm  
City Hall Room 400

The Board of Supervisors finds and declares that it is in the public interest to officially recognize walking as an important component of our transportation system, and as a key component to creating livable and suitable communities.

Therefore the Board of Supervisors established the Pedestrian Safety Advisory Committee. This Advisory Committee, composed of concerned and informed residents, will provide a source of expertise on issues concerning pedestrian safety, convenience, ambiance, and planning.
