

San Francisco International Airport

NOTICE

May 3, 2024

TO: San Francisco Taxi Drivers

SUBJECT: **Looping Reminder**

Taxis are not permitted to circle through the terminals empty. If you are waiting for your turn to come into the domestic garage lot, you must go to the remote waiting lot on North McDonnell Road. Looping through the terminals increases traffic and is therefore a violation of SFO rules. As SFO prepares for a busy summer season, it's important everyone helps to reduce traffic. Taxis recorded or observed looping empty past the terminals or other facilities (such as Rental Car Center) will be suspended. This will also trigger a solicitation investigation (jumping the line).

Please contact the curbside management office at 650-821-2704 with any questions.
