DISCUSSION

Heartwood Proposed Roadway Shared Spaces Closure

Heartwood is a cocktail bar and restaurant located on Commercial Street between Sansome and Leidesdorff streets in the Financial District. Commercial Street is a narrow one-way westbound alley that runs parallel to and between Sacramento and Clay streets. Heartwood has applied for a Roadway Shared Spaces permit which would close Commercial Street from 107-feet to 147-feet west of Sansome Street, from Sunday, July 21, 2024, through Sunday, July 20, 2025, 7 am to 11 pm, daily. Heartwood is coordinating this Shared Space with Downtown SF's Shared Space, described in the following section. Heartwood has operated a daily street closure in this location since July 2023, and it is a separate permit from Downtown SF's permit so that Heartwood can serve alcohol to their patrons in a separately designated space. This application is a renewal from the previous year and proposes no changes to their closure footprint and setup. The Heartwood Shared Space provides outdoor seating for patrons.

Downtown SF Proposed Roadway Shared Spaces Closure

Downtown SF Partnership (Downtown SF) is a nonprofit community benefit district working to enhance the downtown core through placemaking, activating the public realm, and cleaning the streets. Downtown SF has applied for a Roadway Shared Spaces permit, which would close Commercial Street between Sansome and Montgomery streets, and Leidesdorff Street between

Sacramento and Clay streets to vehicular traffic from Sunday, July 21, 2024, through Sunday, July 20, 2025, 7 am to 11 pm, daily. Downtown SF has operated a daily street closure in this location since July 2023, which expanded the hours of the pre-existing Commercial Street closure (11 am to 2 pm, Monday to Friday) permitted through the 235 Pine Street development agreement in 1984. This application is a renewal from the previous year and proposes no changes to their closure footprint and setup. The Downtown SF Shared Space provides outdoor seating, exercise classes, and entertainment for the public.

The requests are to close the following areas to vehicular traffic, as requested by the respective applicants:

- Commercial Street from 107-feet to 147-feet west of Sansome Street, Sunday, July 21, 2024, through Sunday, July 20, 2025, 7 am to 11 pm, daily; and
- Commercial Street between Sansome and Montgomery streets, Leidesdorff Street between Sacramento and Clay streets, Sunday, July 21, 2024, through Sunday, July 20, 2025, 7 am to 11 pm, daily.

The SFMTA Board of Directors is asked to consider the approval of a Longer-Term Closure of the above areas under the authority granted by California Vehicle Code section 21101 and Div. II, section 206 of the Transportation Code for the purpose of issuing a Roadway Shared Spaces permit. In doing so the Board would find based upon a determination of public convenience and necessity that the subject portions of Commercial Street and Leidesdorff Street are no longer needed for vehicular traffic during the proposed closure hours, and that the street closures are necessary for the safety and protection of the public who will use the street during the closure.

The following items were considered at a Public Hearing held on May 23, 2024, by the Interdepartmental Staff Committee on Traffic and Transportation (ISCOTT).

ENVIRONMENTAL REVIEW

On April 19, 2021, the San Francisco Planning Department determined that the Shared Spaces Program (Case No. 2021-003010ENV), inclusive of items A and B, is within the scope of the Better Streets Plan Final Mitigated Negative Declaration (FMND, Case No. 2007.1238E, September 17, 2010), and that the proposal would not require the preparation of a subsequent negative declaration under CEQA Guidelines section 15162.
