## SFMTA is no longer issuing physical stickers for annual RPP permits

The annual permit fee for passenger vehicles is \$190 (\$95 if the permit area expires in less than six months).

Prices shown are valid from 7/1/2024-6/30/2025

The annual permit fee for motorcycles is \$95 (\$50 if the permit area expires in less than six months).

Enforcement is being conducted using license plate readers that will verify whether a vehicle has an active permit issued to the plate. Once your application is processed and payment is received, you will receive confirmation that your permit is active by the method in which you applied.

Applications submitted online will be processed within five business days of receipt (10 business days by mail). Visit www.sfmta.com/rpp or call 415.646.2500 about special requirements for Medical Caregiver, Child Care, Family Child Care Homes, Student, Foreign Consulate or Military Personnel.

**Applying for a permit for a new vehicle and do not have license plates yet?** You can receive a 90-day temporary permit which will be converted to a standard permit once the license plates have been received.

## **Prepaid One-Day Permits**

Prepaid One-Day permits are available for rental cars, guests, etc. These non-refundable permits offer flexibility and convenience by allowing you to scratch off the corresponding date on the permit when it is used. Short term permits can also be purchased in 2, 4, 6, & 8 week increments. Visit www.sfmta.com/rpp for more information.

If you currently have a vehicle in your name and address with a valid San Francisco residential parking permit you need only to submit this order form.
