Use of Clipper® Card

Event participants are encouraged to use Clipper® Card to get to AT&T Park. Customers using Bay Area public transportation systems are strongly encouraged to purchase their fares in advance or use Clipper® Card to attend the event. Customers using a Clipper Card receive 50 cents off an adult single ride when transferring to Muni from BART, Golden Gate Ferry and Transit, and San Francisco Bay Ferry routes (Oakland-Alameda, Harbor Bay and Vallejo). Golden Gate Ferry and Transit and San Francisco Bay Ferry provide the same discount on return trips.

To learn more about transfer discounts, please visit [transfer discounts](#).

For more information on using Clipper on Muni, please visit clippercard.com/muni.

Purchase Muni Fare using MuniMobile

Event participants may use [MuniMobile](#), an official SFMTA app, to save time by instantly buying tickets for Muni bus, rail, cable car, and paratransit services on their iPhone and Android devices. Tickets can be purchased through a credit/debit card or PayPal account for individual or multiple riders on one smartphone. Customers can buy tickets ahead of time and activate when they are ready to ride - with MuniMobile, your phone is your fare.

Purchase Single Ride Muni Fare Electronically

Muni customers who purchase fares in advance using a Clipper® Card or use the official SFMTA app, [MuniMobile](#), can save 25 cents per trip. A single ride fare on Muni is good for 90 minutes of travel, whether it be on a single route or a trip with multiple transfers across buses and light rail.

For more details visit <https://www.sfmta.com/getting-around/transit/fares-passes/single-rides-transfers>.

Other Transportation to AT&T Park

Taxi Service

Temporary taxi stands for the event will be in place at the following locations:

- East side of 2nd Street between King and Townsend streets, seven spaces
- West side of 2nd street between King and Townsend streets, two spaces
- West side of 2nd street between Townsend and Brannan streets, five spaces
- West side of 3rd street between King and Townsend streets, five spaces

San Francisco Giants Baseball Game and Transportation Options *continued*

Transbay Service

Event participants can also take a ferry to AT&T Park:

- From Oakland , Alameda and Vallejo, please go to <http://sanfranciscobayferry.com>
- From Larkspur/Marin County, please go to <http://www.goldengateferry.org>

Ferry will depart promptly 30 minutes after the final out.

For directions going to AT&T Park by various means of transportation, please visit the Giants website at <http://sanfrancisco.giants.mlb.com>.

For regional transit information for BART, Caltrain and the ferries as well as traffic, please go to www.511.org.

Special Event Parking Rates

During baseball games and other events at AT&T Park, parking meters close to the ballpark will charge a special event rate of \$7 per hour. These rates help make more parking spots available in South Beach and Mission Bay and help reduce congestion by discouraging circling for free or cheap parking near the ballpark.

For more information and a map of the special event rate area, please visit <https://www.sfmta.com/getting-around/drive-park/demand-responsive-pricing/event-pricing-evening-metering>.

Garage Parking

If public transit is not a preferred option to attend the event, participants may consider parking in the City's garages at Moscone Center Garage located at 255 3rd Street or at Fifth & Mission Parking Garage located at 833 Mission Street. Both garages are about 15-20 minute walk from AT&T Park. Parking at these garages will be available in the afternoon and evening on most days. Rates listed are per hour:

Moscone Center Garage*

- Noon to 3 p.m.: \$5.50
- 3 to 6 p.m.: \$2.00
- 6 p.m. to Closing: \$1.00

*Garage closes at 9 p.m., Sunday; at 12 a.m., Monday through Thursday; and at 2:30 a.m., Friday and Saturday. For more details, visit [Moscone Center Garage](#).

San Francisco Giants Baseball Game and Transportation Options *continued*

Fifth & Mission Parking Garage**

- 6 a.m. to Noon: \$3.00
- Noon to 6 p.m.: \$4.00
- 6 p.m. to 6 a.m.: \$3.00

**Garage is open 24/7. For more details, visit [Fifth & Mission / Yerba Buena Garage](#).

As a reminder to fans, in order to reduce congestion on city streets after all events at AT&T Park, the SFMTA will close eastbound King Street between 3rd and 2nd streets from the seventh inning until after the post-game traffic has died down. Additionally, the northbound portion of the 4th Street (Peter R. Maloney) Bridge will be closed to all traffic except streetcars, buses, taxis and bicycles during the post-game period. Giants fans parked south of Mission Creek Channel who are heading north of the channel are encouraged to exit to the south along 3rd or 4th streets in order to avoid congestion on King and 3rd streets after AT&T Park events.

For details about transit service to AT&T Park, including connections from Bay Area transit systems to Muni, please visit <http://www.sfmta.com/getting-around/destinations/att-park>.

CONSTRUCTION WORK AND OTHER UPDATES

UPDATE: Twin Peaks Tunnel Improvements Weekend Early Closures

Now until June 2018: On weekend evenings and mornings, there will be preparatory work taking place inside Twin Peak Tunnel ahead of the summer closure. In order to allow this vital work to take place, stations will close early on Friday and Saturday nights. Buses will run in place of the K, L and M lines during closures of the Twin Peaks Tunnel.

During weekends, train service will operate normally from 9 a.m. to 11 p.m. on Saturdays and Sundays.

Hours of Tunnel Closure and Bus Substitution on K, L and M Lines:

- From 11 p.m., Friday through 9 a.m., Saturday
- From 11 p.m., Saturday through 9 a.m., Sunday

Below is additional information for specific line riders between 11 p.m. on Fridays and 5 a.m., Saturdays:

- K, L and M buses will service all stops
- Owl bus service will run as normal

CONSTRUCTION WORK AND OTHER UPDATES *continued*

UPDATE: Twin Peaks Tunnel Improvements Weekend Early Closures *continued*

Inbound Service between 5 and 9 a.m., Saturday and Sunday:

- **L Customers:** L buses will service all stops between San Francisco Zoo and Embarcadero
- **K Customers:** Board a K bus to West Portal Station and transfer to a L or KLM bus
- **M Customers:** Board an M bus to West Portal Station and transfer to a L or KLM bus

Outbound Service between 5 and 9 a.m., Saturday and Sunday:

- **L Customers:** L buses will service all stops between Embarcadero and San Francisco Zoo
- **K Customers:** Board an L or KLM bus to West Portal Station and transfer to a K bus
- **M Customers:** Board an L or KLM bus to West Portal Station and transfer to an M bus

Customers can board all buses at Muni Shuttle route stops designated with a “Muni Metro Shuttle” yellow half-moon sign.

This preparatory work is being done ahead of the Twin Peaks Tunnel summer closure. In the summer, 100-year-old Twin Peaks Tunnel will be closed for up to 60 consecutive days in order to replace aging tracks and complete major tunnel improvements.

For more information about the Twin Peaks Tunnel Improvement Project, visit sfmta.com/twinpeaks.

UPDATE: Van Ness Improvement Project

The Van Ness Improvement Project is a civic improvement project that will bring San Francisco’s first Bus Rapid Transit system. To maximize the benefits of construction, the City will also be replacing major utilities including water, sewer and emergency firefighting water systems. Work will also be done to repave Van Ness Avenue, enhance streetlights and landscaping, and install new sidewalk lighting and rain gardens.

Traffic lanes on Van Ness Avenue have been shifted to create two construction zones for upcoming utility work. Because some of this work requires reducing Van Ness Avenue to one lane in each direction, some work is limited to nighttime hours. Neighbors will be notified of night noise 72-hours in advance of night work.

CONSTRUCTION WORK AND OTHER UPDATES *continued*

UPDATE: Van Ness Improvement Project *continued*

Friday, April 27: Between the hours of 8 p.m. and 7 a.m.:

- **Between Clay and Sutter streets:** Crews are scheduled to lay out upcoming sewer work.
- **Between McAllister and Market streets:** Crews are scheduled to lay out upcoming sewer work.
- **Between Hayes and Fell streets:** Crews are scheduled to work on updating the emergency firefighting water system. Disruptive noise is expected.

Neighbors are advised to anticipate construction-related noise, as crews work diligently to complete necessary night work.

For more project details and the latest construction updates, please visit sfmta.com/vanness.

UPDATE: 8th Street Safety Project Phase Two

The 8th Street Safety Project Phase Two will extend the parking-protected bikeway on 8th Street south by three blocks, from Harrison to Townsend streets. In addition, the project will construct pedestrian safety improvements, bus stop upgrades, signal upgrades, and reconfigure loading zones.

The project is in construction this month. Crews from both San Francisco Public Works and SFMTA are working diligently to complete these vital safety improvements.

Traffic/Transit Impact

- Traffic will be routed around construction activity as necessary, but will not be detoured. Pedestrian pathways and access to driveways and commercial/residential buildings will be maintained at all times.
- The 19 Polk bus stops at Harrison, Brannan, and Townsend streets may be temporarily relocated or closed while bus boarding islands are being constructed. Customers should follow posted signage to locate the closest 19 Polk bus stop during construction.

Work is currently scheduled to be completed in May, weather permitting. For more project details, please visit sfmta.com/7th&8th.

CONSTRUCTION WORK AND OTHER UPDATES *continued*

ONGOING: 8th and Market Boarding Island

Now until Further Notice: A new transit boarding island is currently under construction on 8th Street between Market and Stevenson streets. In coordination with a sewer upgrade effort, construction is in progress and may last until May 2018.

The transit boarding island will provide more space and reliability for transit passengers, and a protected space for bicyclists riding between the sidewalk and boarding island.

Traffic/Transit Impact

- Please follow posted signage to locate the closest 19 Polk and 83X Mid-Market Express bus stop during construction.
- At times, there may be temporary lane closures as crews perform work resulting in possible travel delays. Please plan to allow for extra travel time during construction due to possible delays.
- Traffic will be routed around construction activity as necessary, but will not be detoured. Pedestrian pathways and access to driveways and commercial/residential buildings will be maintained at all times.

For more project details, please visit sfmta.com/7th&8th.

ONGOING: Central Subway Project

Pavement restoration work has resumed at some intersections along 4th Street between King and Bryan streets. Construction of the 4th and Brannan streets surface station platform is ongoing. Until further notice, traffic reroutes will remain in effect.

Water supply infrastructure replacement work continues at 4th and Folsom streets, Monday through Friday, from 8 p.m. to 5 a.m. During these work hours southbound 4th Street may be reduced to one lane and eastbound Folsom Street will be reduced to two lanes. Sewer replacement work continues at night at 4th and Howard streets. Work hours are from 8 p.m. to 5 a.m. Three through lanes are in place southbound 4th Street. Westbound traffic on Howard Street may be impacted.

One lane on the south side of Ellis Street is open at all times for eastbound traffic. The parking garage between Ellis and O'Farrell is accessible on the north side of Ellis Street. Street restoration work is continuing on the north side of the intersection of Ellis and Stockton streets.

CONSTRUCTION WORK AND OTHER UPDATES *continued*

ONGOING: Central Subway Project *continued*

Washington Street between Stockton Street and Trenton Alley is under a long-term temporary closure to vehicular traffic as station construction continues. Pedestrian access to Washington Street between Stockton Street and Trenton Alley remains open.

The Central Subway project is the first underground line to link the north and south corridors of the city, and will provide a direct connection to major retail, sporting and cultural venues while efficiently transporting people to jobs, educational opportunities and other amenities throughout San Francisco.

For project updates, please visit:

<https://www.sfmta.com/projects-planning/projects/central-subway-project>

ONGOING: Muni Rail Rehabilitation Project

Since Monday, April 9 and continuing for about three weeks, N Judah track maintenance work will take place at the intersection of 10th Avenue and Judah Street. During construction, the N Judah rail service will operate without interruption. While Judah Street remains open, vehicular traffic along 10th Avenue at Judah Street will be detoured.

Work hours are from 9 a.m. to 4 p.m., Monday through Friday.

Neighbors can expect noise during construction. To accommodate vital materials and equipment, about six parking spaces will be unavailable near the job site.

ONGOING: Construction of Mission Bay Loop

Now until Further Notice: The SFMTA has resumed construction on 18th, 19th and Illinois streets, the project is expected to be completed in early 2018.

The Mission Bay Loop is a key component for San Francisco's T Third rail line and is critical to operating the T Third Central Subway service plan. The loop provides turn-around capabilities for the T Third Street light rail line via a connection of trackway from 3rd Street to 18th, Illinois and 19th streets, which will allow the SFMTA to operate the necessary service levels needed to support current and planned growth within the eastern portion of San Francisco.

Traffic, including travelling by bike, may be affected by the construction work. All work areas will be clearly marked and there will be flaggers to help direct traffic. Traveling around and through the construction area should expect minor delays.

CONSTRUCTION WORK AND OTHER UPDATES *continued*

ONGOING: Construction of Mission Bay Loop *continued*

Since early April 2017, the contractor has been working on the sewer infrastructure within the center of Illinois Street starting at 18th and Illinois streets. General work hours are from 8 a.m. to 5 p.m., Monday through Friday.

In order to conduct the work, parking on both sides including along the historical Crane Cove Park fence (east side of Illinois Street) will be removed 24 hours, 7 days a week from 18th to 19th and Illinois streets for the duration of the project (approximately until summer of 2018).

Traffic lanes traveling both north and south will remain open and there will be flaggers posted to help direct traffic. The northbound bike lane will be converted to a shared roadway. Expect minor delays when traveling around and through the construction area.

Local access to properties along the project site will be maintained. Sewer work is scheduled to be completed by April 2018.

For project details or to sign up to receive project updates, please visit:
<https://www.sfmta.com/missionbayloop>.

ONGOING: Polk Streetscape Project

The Polk Streetscape Project is an effort to create a safer, more vibrant corridor for all residents of San Francisco. In addition to increasing safety for everyone traveling on Polk Street, this project will incorporate new lighting, landscaping and street infrastructure. The project is anticipated to be completed in six segments, with construction taking approximately 24 months to complete. General work hours will be from 8 a.m. to 4 p.m., Monday through Friday.

Construction began since October 2016 with sewer work on North Point Street, from Polk to Larkin streets.

San Francisco Public Works will be working to incorporate key safety, sewer and water utility infrastructure improvements and streetscape enhancements along Polk Street, from Beach to McAllister streets. Improvements also include: paving, ADA curb ramps installation, alleyway improvements, sidewalk bulb-outs and bus bulb-outs, traffic signal upgrades, street light upgrades and bicycle lane improvements.
