

Buena Vista West Parking Survey

About the Survey

This **survey** asks you to indicate whether or not you support Residential Permit Parking in your neighborhood of Buena Vista West. It also asks questions about the amount of parking available to you at your home. Please answer all questions the best you can so that we have an accurate picture of neighborhood parking management needs.

Please click NEXT > below to continue to the petition.

Disclosure: In order to verify your support for RPP the residential home address and email contact information for any person signing the petition are required. Please be aware that the information you provide to the City and County of San Francisco may be used, disseminated, and retained as needed in conducting the City's official business and some information, such as the names of persons or addresses (but not both) who have signed the petition, may be subject to disclosure in accordance with the California Public Records Act and San Francisco Sunshine Ordinance.

3. Statement of Support For Residential Permit Parking

By affirming support, I petition SFMTA to perform necessary surveys, hold public hearings, and recommend to the SFMTA Board of Directors that my area be designated as a Residential Permit Parking Area, and I agree to the following policies and regulations:

- One permit per licensed driver
- Two permits per single address
- Posted time-limited parking during the designated days and hours
- Exemption from posted time limits for residents and businesses whose vehicles display a valid permit sticker
- Commercial vehicles with a Gross Vehicle Weight Rating (GVWR) of 6,000 lbs. or more are not eligible for a permit

*

- Yes, I am in support of Residential Permit Parking for my area.
- No, I am NOT in support of Residential Permit Parking for my area.

We would like some additional information about your particular parking and transportation situation in order to evaluate whether permit parking would be an effective solution for your neighborhood. This information will remain confidential and is optional, though will greatly help us to understand your neighborhood's parking conditions.
