2. Old Business

Delay Metrics

AC member Michael Rescigno and Bruce Agid met to review a very high -level draft of proposed metrics "score-card."

The intent of this scorecard is two-fold. First, provide a high-level on-going review of the quality of services provided to support Chase Center Arena Events as well as measure impacts on the neighborhood and second, to inform the MB TIF budget process for future years; a valuable tool both for the City family and the AC members. We are hoping to identify metrics that are either already available and can be re-purposed for the scorecard or use data/metrics which are required based on commitments/agreements associated with the Chase Center.

The next steps are to review with City Staff who will then gather input from various City Departments/Agencies. There will be a final review of the working group and a first draft will be presented at the August 22nd MB TIF AC meeting.

3. Brown Act Overview -Roberta Boomer

The Brown Act was created in 1953 and guarantees the public's right to attend and participate in meetings of local legislative bodies. The Act guides committees in the conducting of business in areas such as what constitutes a meeting, meeting noticing, agenda, setting, and communications. While the Brown Act covers many areas, key areas for the MB TIF AC to be familiar with are as follows.

What constitutes "a meeting" and what communications are permitted?

- Duly noticed public meeting
- Any congregation by a majority of the body at the same time on any topic within jurisdiction of the body
- No action needed to make it a meeting

Power is of committee as a "body" not as an individual. Majority of Body is needed

- Chair and Co-Chair are to ensure business is done with public input

Mission Bay Transportation Improvement Fund Advisory Committee Meeting Minutes

July 25, 2019,

- Email communications should be done directly with staff liaison; do not hit "reply all."
- Advisory Committee members have the right to speak outside and at meetings.
- During meetings, Committee members are encouraged to participate and speak on any and all matters on the agenda and/or pertaining to mission of the Committee.

Meetings

- Notices must be provided in three locations, three days (72 hours) in advance - online, library, and outside meeting room. Must be mailed to public member if member requests
- Special Meeting - not at regular meeting date/time/location. Only business in meeting notice can be discussed.
- Emergency Meeting - specific drastic circumstances (acts of God/terrorism)
- Meeting space must be fully accessible and complies with ADA, free, no condition of admission; cameras/recording is all permitted.
- Materials handed out must be made available to public immediately. If prepared by member of public, must be made available afterward.

Agenda

- Must contain brief description of each item to be discussed, not to exceed 20 words. The topic is to be specific/general enough for public to be properly informed but allows committee max leeway to discuss.
- Each agenda should include item for new/unfinished business. Member can use it to create request for info or presentation.
- Once agenda is posted, no discussion of or action on item not on agenda

Exceptions - brief responses to public testimony, the public has right to address the Committee, but not a right to receive a response. requests for clarification from staff, brief reports on personal activities, need to take immediate action on an item.

Staff Liaison

- Liaison to ensure meetings are held and rules are followed.
- Works with Chair to develop annual work plan.
- Work with Chair to develop agenda, which follows approved work plan.

Members of the Public/Public Comment

- Speaking time is limited to 3 minutes or less; time allocation must be applied equally to all
- Teleconferencing must be noticed and available to public

4. Chase Center Coordination – Paul Supawanich, Office of the Mayor

- Working with SF Public Works on coordination of Third Street Bridge work and closure.
- Muni Metro platform should be open for operation first week of August 2019
- The SF Fire Department held a Code 2 drill on July 24.

Committee members expressed their concerns about the impact on the neighborhood if both the Third and Fourth Street bridges were closed at the same time and what and how information would be communicated to Mission Bay residents.
