

San Francisco International Airport

NOTICE

May 13, 2021

TO: San Francisco International Airport Taxi Drivers
SUBJECT: **Annual Airport Update Meeting and Lot Management Hours**

SFO will be extending the Taxi Lot management hours. Starting Monday, May 24th, 2021, taxi stands and the holding lots will start being staffed at 7:00am, one hour earlier than today. Taxi stands and lots will also be staffed one hour later, meaning open lot will start at 1:00am instead of 12:00am. Anyone dispatched to the curb during staffed hours must pay SFO trip fees at the payment gate. This change is being made to prepare for an expected increase in passenger traffic during the summer as air travel recovers from COVID.

The Airport holds annual meetings with all ground transportation providers to review proposed trip fees for the following fiscal year and to provide updates on Airport operations. This year's meeting for Taxi Color Schemes has been scheduled for:
