between Arguello Boulevard and 28th Avenue

District: 1

Length: 3.04 mi

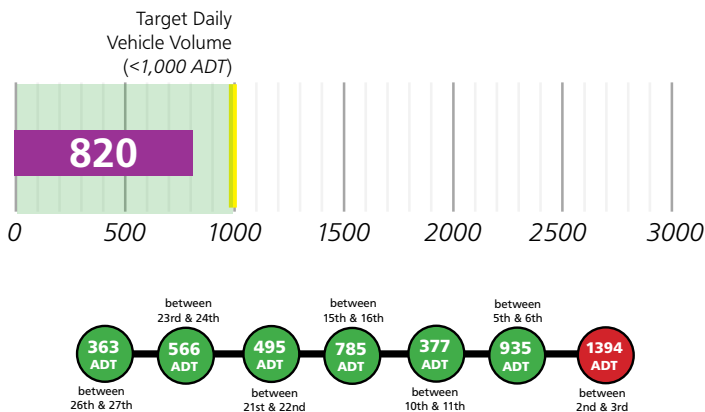

Meets Vehicle Volume Target: Yes

Meets Vehicle Speed Target: No

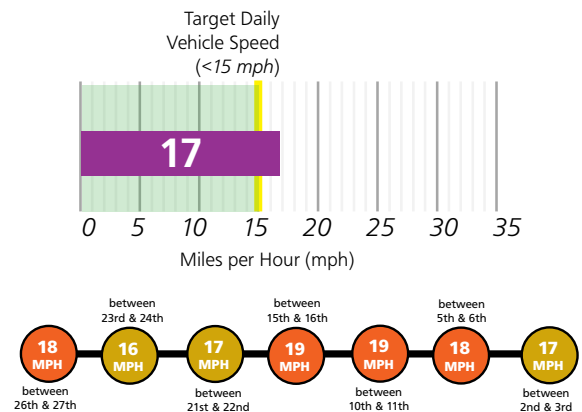

*Just south of the Presidio, Slow Lake Street runs for 28 blocks through the Richmond. Once San Francisco's first bike lane, Lake Street quickly became one of San Francisco's first Slow Streets in 2020. It connects two Slow Streets—Slow 23rd Avenue and Slow Clay Street—and is a critical link in the city's active transportation network.*
