UPDATE: L Taraval Improvement Project—Segment B *continued*

A Better, Safer Taraval

The L Taraval Improvement Project was a multi-agency effort between the SFMTA, San Francisco Public Utilities Commission and San Francisco Public Works to upgrade and add new infrastructure along the L Taraval line between West Portal and the Zoo.

While the biggest work is behind us, there are still a few smaller “punch list” items remaining, such as adjusting utility lines, refreshing transit lane paint, boarding island grout work, removing construction materials and installing transit shelters.

San Francisco residents and Muni riders will soon enjoy the new Taraval Street, from West Portal to Parkside, and to the beach, with a safer, more reliable ride.

For additional project details, visit [SFMTA.com/LTaravalProject](https://www.sfmta.com/LTaravalProject). For construction updates and more information from Monday, Sept 9 through Saturday, Sept. 28, 2024, visit the [Project Update](#) page.
