Open House

Thursday, Sept. 22, 5:30-7:00 p.m.

Bayanihan Community Center
(1010 Mission Street)

Please join us for an open house to learn about street safety improvements coming to 7th Street & 8th Street between Market and Folsom.

7th & 8th streets are intersected by multiple high injury corridors on San Francisco's High Injury Network, which is the 12 percent of city streets that account for 70 percent of San Francisco's traffic crashes. Staff will be on hand to explain how this project will make the street safer and more comfortable, and hear your feedback on how parking and loading can be better managed.

For more information, visit sfmta.com/7thand8th or contact the project manager at Will.Tabajonda@sfmta.com
