→ South to Downtown

## Key to Changes

### Install Transit Bulbs

Transit bulbs reduce delays by eliminating the need for buses to merge in and out of traffic at transit stops. The bulbs make it easier for everyone to get on and off the bus by letting the steps line right up with the curb. Bulbs provide additional space for people walking along Columbus or waiting for the bus, and they make crossing the street easier by reducing the distance between curbs.

## Cross-Sections

### Columbus Ave between Filbert and Union
