

RELEVANT PROJECTS AND PLANNED IMPROVEMENTS WITHIN THE WESTERN ADDITION

Phase 2 Outreach Update | March 16, 2016

A comparison of the priority locations identified by the community in the second phase of the outreach process and existing projects and plans for the Western Addition was used to determine corridors of focus for future WACBTP improvements. This update provides a summary of relevant projects and planned transportation improvements, mapped in Figure 1, currently scheduled for the Western Addition. Relevant projects and plans include the following:

- Lower Haight Public Realm Plan - Planning Department
- Octavia Blvd Enhancement Project - SFMTA
- Safe Routes to School (SR2S) Rosa Parks Elementary - SFBC/ SFMTA/ WalkSF
- WalkFirst Turk Complete Street - SFMTA
- Webster Street Pavement Renovation - SFMTA
- Gough + Franklin Repaving Project - SFMTA
- Margaret Hayward Playground Improvement Project - Recreation + Parks
