

Solutions: Safer Streets, Better Rides

Where we invest, we see results:

- Muni Forward = higher transit ridership on improved routes
- Vision Zero = fewer collisions on improved streets

Recent accomplishments

- Hired 278+ operators since 2018
- By FY22, operator compensation will increase by 14% over FY18 salaries
- Better Market Street delivering up to 12% better travel times and 25% more bikers

9/9R Peak travel times down **37%** and ridership up **28%**

L Taraval: **zero** injuries at stops where clear zones were built

Ridership up **28%** after 28R launched, first crosstown Rapid route

Travel times down **12%** and ridership up **60%** on Fulton routes

Turk Street saw a **287% increase in bicycle trips** following installation of protected bike lane

Near-term Folsom Street project led to an **improved sense of safety** from bicyclists (83%), pedestrians (54%), and drivers (48%)
