

How will MUNIFORWARD improve your daily routine?

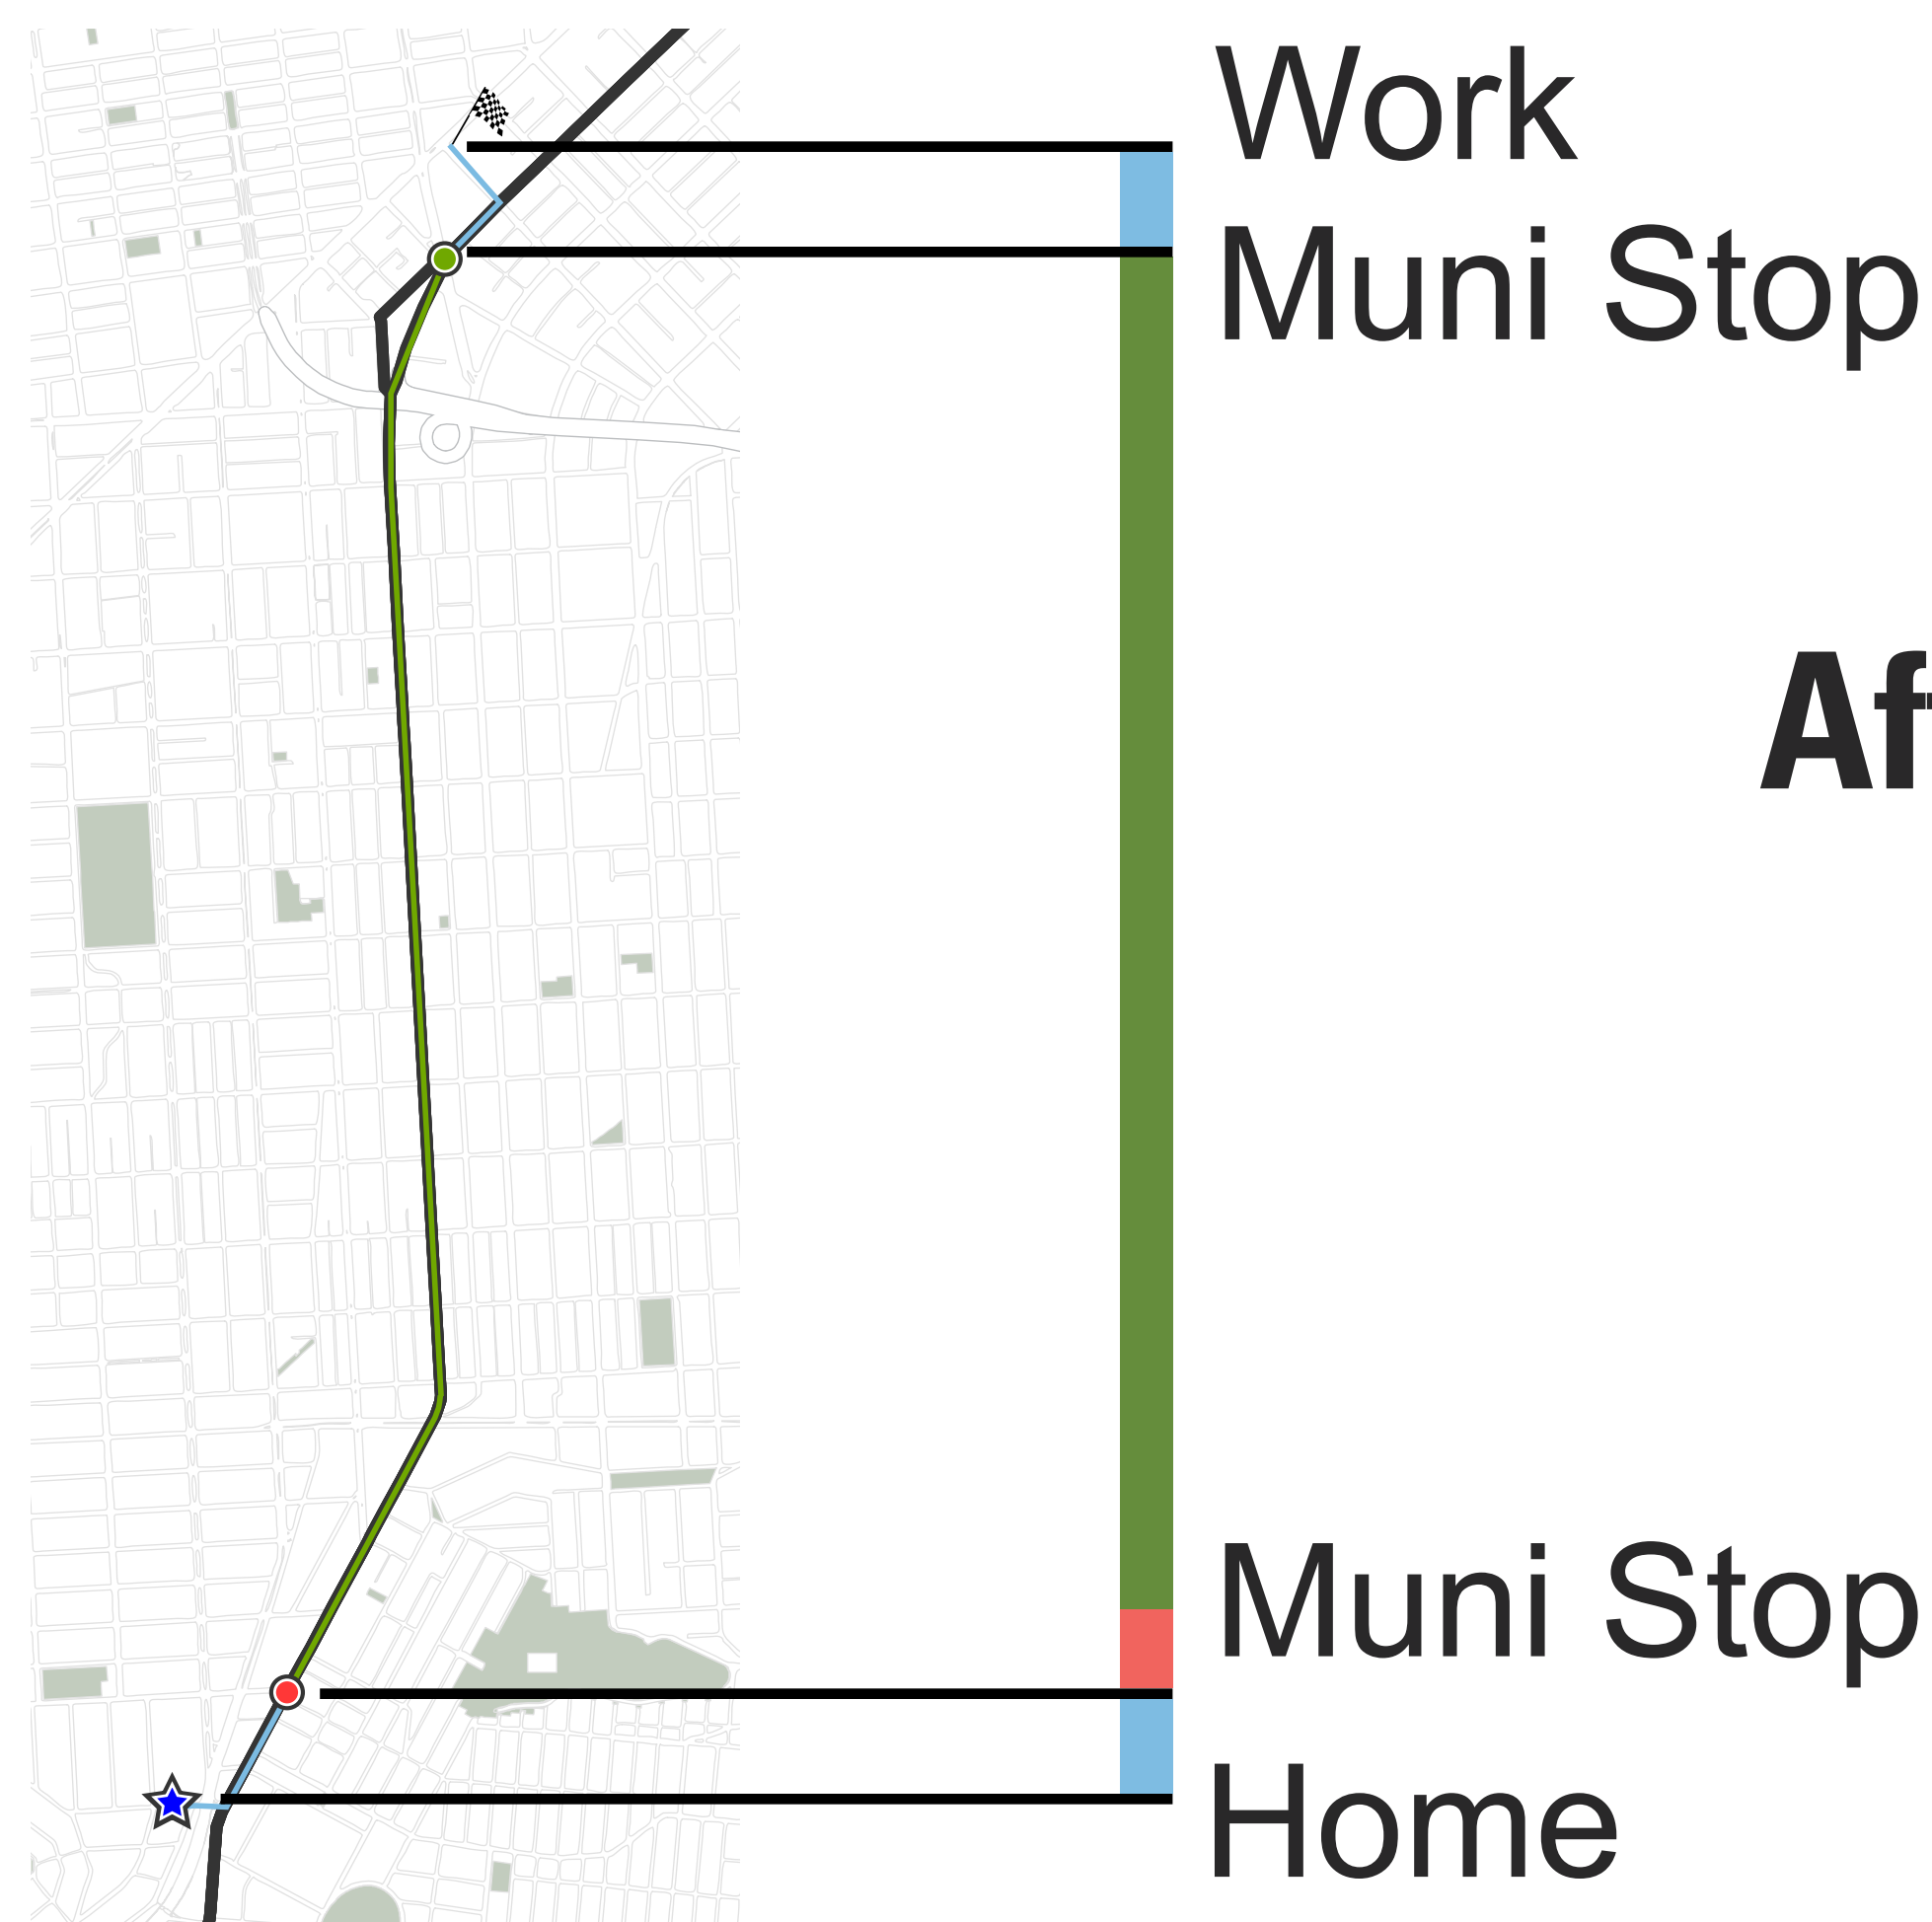

Felipe

Age: 30

Lives alone in an apartment on Randall.

Felipe's Journey

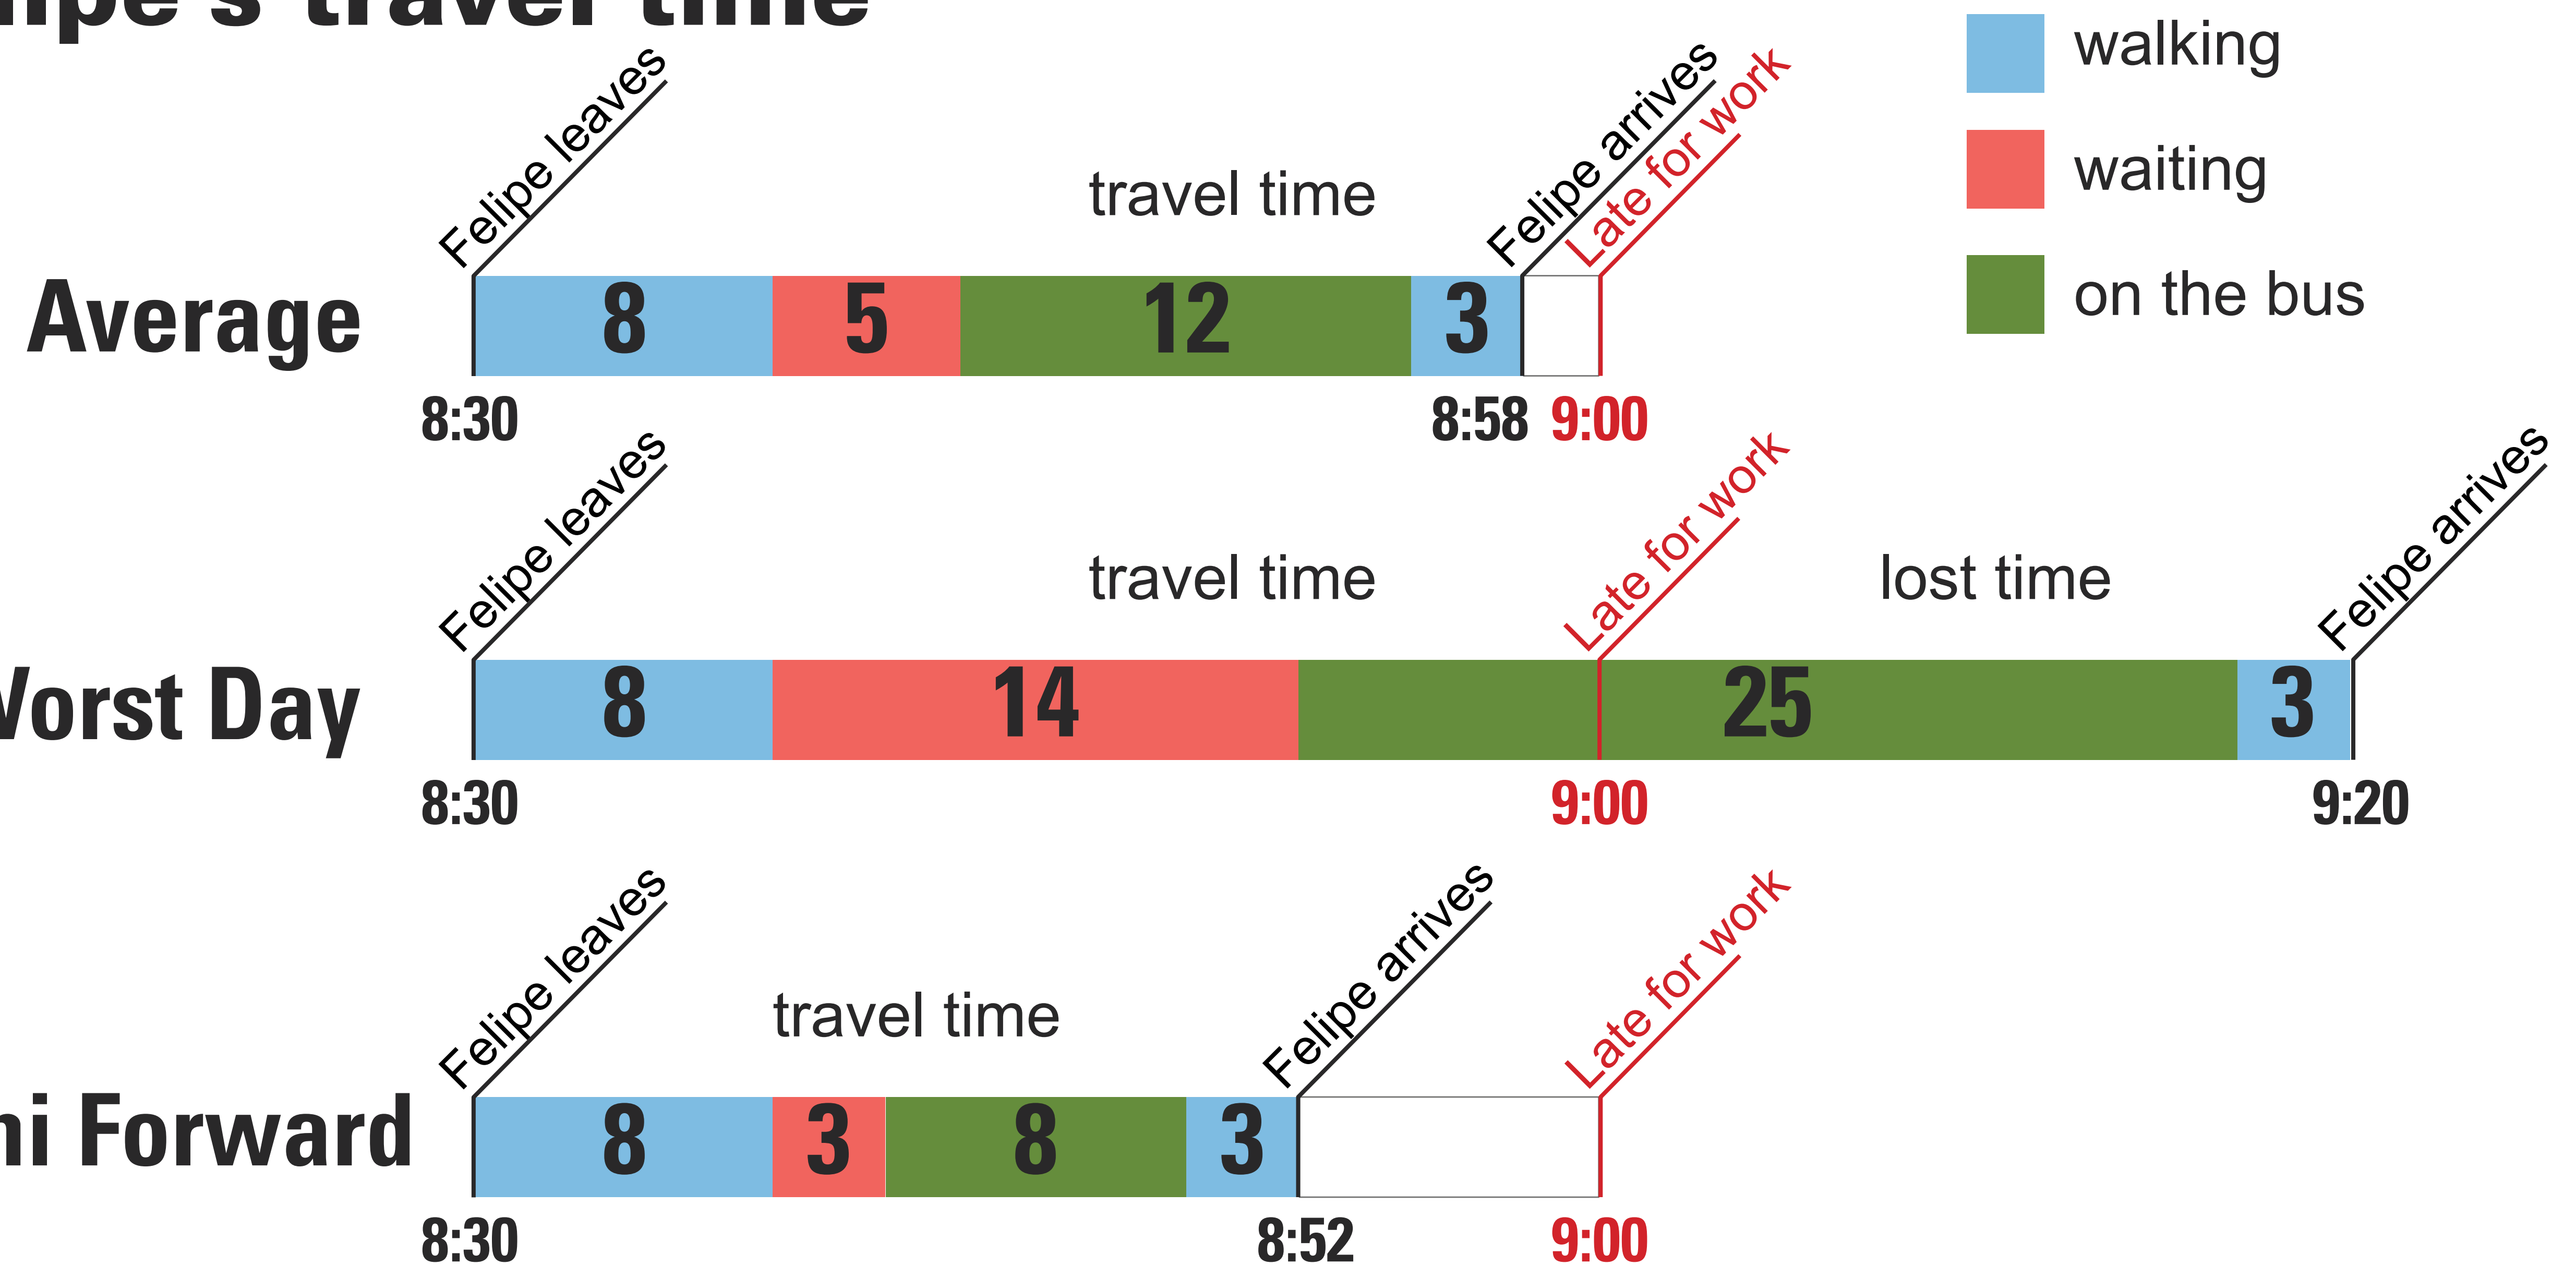

Getting to work:

Felipe takes the 14L Mission Ltd from the stop at Mission & 30th and gets off at 11th & Mission, then walks to work. It usually takes about 16 minutes to make the trip.

Felipe usually leaves at 8:30 to be at work by 9 AM. Halfway through his trip he notices his bus is stopped—stuck in traffic. As time ticks away, Felipe realizes he's going to be late for work.

Felipe's travel time

Muni Forward helps:

Dedicating lanes for transit and restricting turns on Mission will help make sure Felipe's bus won't get stuck in traffic. With Muni Forward, when he leaves his house at 8:30 a.m. he will get to work on time.

實施 Muni Forward 後

Muni Forward (Muni 向前發展) 的助益：

公車專用道 和 Mission 街的轉彎限制 將有助於確保 Felipe 搭乘的公車不會堵塞在車陣裡無法前進。實施 Muni Forward 後，他早上八點半出門，將可準時抵達公司。
