

San Francisco International Airport

NOTICE

May 5, 2021

TO: San Francisco International Airport Ground Transportation Providers
SUBJECT: **COVID VACCINATION AVAILABILITY**

SFO is offering free Pfizer COVID vaccinations to anyone who comes to SFO for work purposes, including all ground transportation providers. Family members of Ground Transportation providers are also welcome. First dose appointments are available on May 11, 12, and 13. If these dates fill, additional dates will be offered.

Signup is quick and easy. Go to <https://mhealthsystem.com/SWYSFOCOVID>. If you need help signing up online, call or text (650) 456-7966, or e-mail community@flysfo.com.

Vaccinations are administered inside the International Terminal. The vaccination site is on Level 3 (Departures Level) in the center behind the check-in desks (at the back of Check-In Aisle 6). We will provide free parking in the Terminal garages for your appointment. Make sure to enter via a ticket lane (NOT FasTrak) and bring your ticket with you so we can validate at the site.

Walk-ins are not allowed, you must book in advance. Your second dose will be about 3 weeks later, in the same location.

*Sign up today for SFO's quarterly community newsletter so you don't miss out on things like airline launches, improvement projects and much more! Sign up for **SFO Update** @ <https://www.flysfo.com/newsletters>*
