*\* Items denoted with an asterisk (\*) can be given final approval at the public hearing. Otherwise, the SFMTA Board will make the final approval at a later date based on the outcome at the public hearing.*

The purpose of traffic engineering hearings for the San Francisco Municipal Transportation Agency (SFMTA) Sustainable Streets Division is for residents to express their concerns regarding the posted parking and traffic changes affecting their streets. At the hearing, the public hearing officer, after reviewing the items and listening to residents, will make a decision as to whether the items are approved or not. Any interested parties are encouraged to attend.

Opinions on these proposed changes may be filed in writing prior to the hearing by email (link to [sustainable.streets@sfmta.com](mailto:sustainable.streets@sfmta.com)) with the subject line “Public Hearing.” Written opinions may also be transmitted to the Sustainable Streets Division via fax at 415.701.4737 or by mail: Engineering Public Hearing, Sustainable Streets Division, One South Van Ness Avenue, 7th Floor, San Francisco, CA 94103-5417. Submitted opinions will become part of the official public record and will be brought to the attention of the person(s) conducting the hearing.
