

BAYVIEW COMMUNITY SHUTTLE

Building a shuttle that works for Bayview

Spring 2023

BAYVIEW COMMUNITY SHUTTLE

Program Overview

1. Community-led planning process for shuttle service plan
 - Making a shuttle that meets community needs
2. 2+ years of Community Shuttle Service
 - RFP for 3rd party operator
 - Service runs Jan 2024-Mar 2026
3. Workforce development program
 - Training & hiring for shuttle drivers with a path to sustainable union jobs
4. Transportation Resource Center
 - Connecting residents to information and services to improve mobility
5. Community Congress

How It Works

HOW IT WORKS

- 1.** Reserve a ride through the app or a tri-lingual call center (Spanish, English, Chinese). Rides can be to anywhere within the service area.
- 2.** Walk to a “virtual bus stop”. This could be your front door, the corner of your street, or one block away.
- 3.** Get picked up by a small shuttle vehicle. Pay a Muni fare with your Clipper Card or Monthly Transit Pass.
- 4.** Shuttle picks-up and drops-off other passengers along the way to your destination.

Operations Discussion

When would you want to take trips?

Morning/evening rush-hour?

Mid-day?

Night-time?

Weekends?

Frequency, travel time & convenience

How long would you be willing to wait for a shuttle to pick you up?

How far would you be willing to walk to get picked up?

Would that change based on time of day?

What else is important for a community shuttle?

What makes it *convenient*?

What makes it *welcoming*?

What makes it *accessible*?
