Subject: SFMTA CAC Recommendations

In our Citizens' Advisory Council meeting on August 3, 2023, the Council adopted the following recommendation:

CAC MOTION 23

The SFMTA CAC recommends that the agency's active communities plan establish a best practice of placing bicycle lanes curbside and protecting them, when concrete curbs are not available, with soft-hit posts spaced closely enough together that motor vehicles cannot drive between them. Additionally, the bicycle lanes should be provided in both directions whenever feasible and should be wide enough to accommodate passing.

It is the opinion of the SFMTA Citizens' Advisory Council that the proposed recommendation would be of significant benefit to the citizenry of San Francisco and the San Francisco Municipal Transportation Agency.
