CONSTRUCTION WORK AND OTHER UPDATES

UPDATE: L Taraval Improvement Project—Segment B

The L Taraval Improvement Project is a multi-agency collaboration to improve safety, accessibility, and transit reliability, and to rehabilitate aging rails, utility lines and roadway pavement along the L Taraval line between Sunset Boulevard and 15th Avenue and on Ulloa Street near West Portal.

Work to replace sewer, water, rail lines and streetbase has been completed. Construction work continues to install boarding islands with accessible curb ramps, handrails and pavers.

The most disruptive work is nearly complete. Work to replace sewer, water, rail lines, streetbase and repaving the entire corridor has been completed. Construction continues with installing boarding islands with accessible curb ramps, handrails, pavers and landscaping. [Curve track replacement work at 46th Avenue](#) is expected to be completed by Friday, June 7. The remaining work includes testing trains along the new trackway, installing boarding islands, landscaping, trees and artwork.

Work to replace the Overhead Contact System (OCS) that powers the trains are complete. Beginning on Friday, May 31, workers are preparing the area for re-energizing overhead lines, ground conduits and infrastructure to accommodate testing of the trains. People who are driving or working in the area should stay alert while working on preparing and initiating preliminary train testing.

To ensure the safety of the public, a permit is required for any contractors that are planning to work within 10 feet of the overhead wires. Please reach out to the project team with any questions: LTaravalProject@SFMTA.com or 415-646-2379.
